A Most Clever Girl: How Jane Austen Discovered Her Voice

Jasmine A. Stirling,2021-03-30 For fans of I Dissent and She Persisted - and Jane Austen fans of all ages -- a picture book biography about the beloved and enduring writer and how she found her unique voice. Witty and mischievous Jane Austen grew up in a house overflowing with words. As a young girl, she delighted in making her family laugh with tales that poked fun at the popular novels of her time, stories that featured fragile ladies and ridiculous plots. Before long, Jane was writing her own stories-uproariously funny ones, using all the details of her life in a country village as inspiration. In times of joy, Jane's words burst from her pen. But after facing sorrow and loss, she wondered if she'd ever write again. Jane realized her writing would not be truly her own until she found her unique voice. She didn't know it then, but that voice would go on to capture readers' hearts and minds for generations to come.

Tales from the Haunted Mansion Vol. 1: The Fearsome Foursome Amicus Arcane, 2016-07-19 Welcome, foolish mortals, to Disney Press' spookiest chapter book series yet: Tales from the Haunted Mansion! Based on the attractions from the Disney Parks, each new book tells the story of one of the Haunted Mansion's 999 ghosts. With eerie illustrations throughout and a beautiful three-piece cloth cover, the books are designed to look like they came straight from the library in the Haunted Mansion. Tales from the Haunted Mansion is a fun, spooky ride, just like the attraction from the Disney Parks. And if readers are familiar with the ride, they'll see elements of it throughout the entire story, from items straight of the Mansion (are those pictures stretching?) to lyrics from the narration that is heard in each Doom Buggy. In this bone-chilling book, you will hear the terrifying tales of the Fearsome Foursome--four kids who look to out-scare each other. But just wait until they hear my spooky stories. Who am I? I am Amicus Arcane, your librarian and host. Your Ghost Host. So read on... if you dare!

The Haunted Mansion Jason Surrell,2015-08-11 WELCOME, FOOLISH MORTALS, to the Haunted Mansion, one of the most popular attractions in the history of Disney theme parks. The Haunted Mansion: Imagineering a Disney Classic explores how the attraction's 999 happy haunts were brought to life. Rare early concept sketches, detailed architectural drawings, and stunning still photography illustrate the Mansion's evolution as it was designed and built at each Magic Kingdom park around the world-including Mystic Manor at Hong Kong Disneyland. Our tour begins here with a twistedly thorough third edition. Based on the retired title The Haunted Mansion: From the Magic Kingdom to the Movies, this newly updated volume confirms or debunks longstanding urban legends, shares fascinating behind-the-screams stories, and reveals how concepts move from inspiration to reality. Readers will discover the latest show enhancements to this classic attraction and find even more artwork depicting the happy haunting grounds in California and Florida as well as Tokyo, Paris, and now Hong Kong. This is one book you'll be dying to have on your shelf!

The Sizzle Paradox Lily Menon, 2022-06-28 For fans of *The Kiss Quotient* and *The Love Hypothesis*, *The Sizzle Paradox* is the next sparkling romantic comedy by Lily Menon. Lyric Bishop feels like a fraud – she's studying sexual chemistry in romantic partners and what makes for a successful long-term relationship, only she can't seem to figure it out in her own dating life. The science is sound, but how can she give her expert opinion with no real-world experience? In order to complete her doctoral thesis, she must crack the Sizzle

Paradox – it seems the more sexually attractive she finds a guy, the less likely it is to come with an emotional connection; but why? – and to do that she must get the help she desperately needs. Kian Montgomery, her best friend, roommate, and fellow grad student, has no trouble bringing both romance and sizzle to his own relationships. When he offers to tutor Lyric on dating tactics to find a good match, she's certain it will solve her problems, and in exchange she agrees to set long-term-commitment-averse Kian up with someone different to give his romantic life a much-needed shakeup. But once the two progress with their tutoring sessions, they start to feel less like the academic exercise they were supposed to be as real feelings develop. Which is a problem, because Lyric and Kian are best friends and absolutely, irrefutably nothing else... Right?

The Special Operations Executive (SOE) in Burma Richard Duckett, 2017-10-30 In the mountains and jungles of occupied Burma during World War II, British special forces launched a series of secret operations, assisted by parts of the Burmese population. The men of the SOE, trained in sabotage and guerrilla warfare, worked in the jungle, deep behind enemy lines, to frustrate the puppet Burmese government of Ba Maw and continue the fight against Hirohito's Japan in a theatre starved of resources. Here, Richard Duckett uses newly declassified documents from the National Archives to reveal for the first time the extent of British special forces' involvement - from the 1941 operations until beyond Burma's independence from the British Empire in 1948. Duckett argues convincingly that 'Operation Character' and 'Operation Billet' - large SOE missions launched in support of General Slim's XIV Army offensive to liberate Burma - rank among the most militarily significant of the SOE's secret missions. Featuring a wealth of photographs and accompanying

material never before published, including direct testimony recorded by veterans of the campaign and maps from the SOE files, The SOE in Burma tells a compelling story of courage and struggle in during World War II

Twelve Years a Slave Solomon Northup,2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Nortup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US,on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family

life after being freed.
