*The Cowkeeper's Wish* Tracy Kasaboski, Kristen den Hartog, 2018-09-15 In the 1840s, a young cowkeeper and his wife arrive in London, England, having walked from coastal Wales with their cattle. They hope to escape poverty, but instead they plunge deeper into it, and the family, ensconced in one of London's "black holes," remains mired there for generations. *The Cowkeeper's Wish* follows the couple's descendants in and out of slum housing, bleak workhouses and insane asylums, through tragic deaths, marital strife and war. Nearly a hundred years later, their great-granddaughter finds herself in an altogether different London, in southern Ontario. In *The Cowkeeper's Wish*, Kristen den Hartog and Tracy Kasaboski trace their ancestors' path to Canada, using a single family's saga to give meaningful context to a fascinating period in history—Victorian and then Edwardian England, the First World War and the Depression. Beginning with little more than enthusiasm, a collection of yellowed photographs and a family tree, the sisters scoured archives and old newspapers, tracked down streets, pubs and factories that no longer exist, and searched out secrets buried in crumbling ledgers, building on the fragments that remained of family tales. While this family story is distinct, it is also typical, and so all the more worth telling. As a working-class chronicle stitched into history, *The Cowkeeper's Wish* offers a vibrant, absorbing look at the past that will captivate genealogy enthusiasts and readers of history alike.

*The Scary Stories Treasury*, 2002 Traditional and modern-day tales and jump stories of ghosts, witches, vampires, haunts, superstitions, monsters and horrible scary things.

**Tales from the Haunted Mansion: Volume II** Amicus Arcane, 2017-07-18 The Haunted Mansion's resident librarian, Amicus Arcane, has returned with another set of spooky stories to share. Follow along with him as he tells new terrifying tales while leading the Mansion's newest visitor to a secret seance with the mysterious Madame Leota.

*Beery Family History* William Beery, Judith Beery Garber, 1957 Also includes some descendants of Otto Beery. He was born in 1859 at Langnau, Berne, Switzerland and immigrated to the United States ca. 1885. He married Mary McCleary in 1890 at Passaic, New Jersey. They had five children, 1891-1906. He died in 1918 at Wallington, New Jersey.

**More Haunted Houses** Joan Bingham, Dolores Riccio, 1991-10 From Simon & Schuster, *More Haunted Houses* is a guide to cryptic hangouts and ghostly locales in the United States. From a robber's cave that echoes with voices of its past to America's own Loch Ness Monster to a vampire-infested cemetery, this fascinating companion volume to *Haunted Houses USA* takes us on a tour of

some of America's spookiest places.

*Tales from the Haunted Mansion Vol. 1: The Fearsome Foursome* Amicus Arcane, 2016-07-19

Welcome, foolish mortals, to Disney Press' spookiest chapter book series yet: *Tales from the Haunted Mansion*! Based on the attractions from the Disney Parks, each new book tells the story of one of the Haunted Mansion's 999 ghosts. With eerie illustrations throughout and a beautiful three-piece cloth cover, the books are designed to look like they came straight from the library in the Haunted Mansion. *Tales from the Haunted Mansion* is a fun, spooky ride, just like the attraction from the Disney Parks. And if readers are familiar with the ride, they'll see elements of it throughout the entire story, from items straight of the Mansion (are those pictures stretching?) to lyrics from the narration that is heard in each Doom Buggy. In this bone-chilling book, you will hear the terrifying tales of the Fearsome Foursome--four kids who look to out-scare each other. But just wait until they hear my spooky stories. Who am I? I am Amicus Arcane, your librarian and host. Your Ghost Host. So read on... if you dare!

*Kingdom Keepers V* Ridley Pearson, 2022-03-08 As the five Kingdom Keepers enter high school, everything is about to change. The Maintenance Base that controls all four parks in Disney World is under attack by the Overtakers, a group determined to change Disney forever. Relationships between the Keepers are no longer as simple as they once were. In fact, nothing is as simple as it once was. An after-hours visit to Typhoon Lagoon is a game changer. The Keepers lose one of their most valuable supporters. But there's work to do . . . The Disney Dream leaves Port Canaveral on an historic cruise to Los Angeles with a special treat in store for guests: the Disney Host Interactive guides are on board. Finn, Maybeck, Charlene, Willa, and Philby join guests as the DHI experience moves to one of the most advanced cruise ships in the world. But all is not right below decks. Strange things are happening. Only the Kingdom Keepers know the truth behind their invitation to be in attendance: nearly every Disney villain is aboard the ship, including Maleficent. The Overtakers have infiltrated the cast and crew. And no one knows what they have planned. The Dream sets sail filled with enthusiastic guests and crew. But not for long. Maleficent takes over a video screen and warns the guests of trouble to come. With the ship arriving to the beaches of Castaway Cay--its first of many exotic ports of call--the Kingdom Keepers are under attack; back home the Base is threatened and about to fall. The Overtakers have expanded in ways never foreseen, and it's clear they intend to use this element of surprise to accomplish what has eluded them so far: victory. But not if Finn Whitman and friends have anything to say about it.

*The Haunted Mansion* Jason Surrell, 2015-08-11 WELCOME, FOOLISH MORTALS, to the

Haunted Mansion, one of the most popular attractions in the history of Disney theme parks. The Haunted Mansion: Imagineering a Disney Classic explores how the attraction's 999 happy haunts were brought to life. Rare early concept sketches, detailed architectural drawings, and stunning still photography illustrate the Mansion's evolution as it was designed and built at each Magic Kingdom park around the world—including Mystic Manor at Hong Kong Disneyland. Our tour begins here with a twistedly thorough third edition. Based on the retired title The Haunted Mansion: From the Magic Kingdom to the Movies, this newly updated volume confirms or debunks longstanding urban legends, shares fascinating behind-the-screens stories, and reveals how concepts move from inspiration to reality. Readers will discover the latest show enhancements to this classic attraction and find even more artwork depicting the happy haunting grounds in California and Florida as well as Tokyo, Paris, and now Hong Kong. This is one book you'll be dying to have on your shelf!

**Kingdom Keepers II (Volume 2)** Ridley Pearson, 2020-04-14 It's supposed to be a happy day at the Magic Kingdom—the return of the teenaged holographic hosts. But things go very wrong when a sudden lightning storm disrupts the celebration, and Amanda's mysterious sister, Jez, disappears. The only clue is the sighting of a wild monkey in the Magic Kingdom during the storm. The mystery deepens as Finn is contacted by Wayne, an old man he hasn't heard from in months. Wayne tells Finn that there's trouble at the Animal Kingdom: the evil Overtakers have gained control of one of the computer servers that will be used to operate Daylight Holographic Imaging there. That means that if any of the holographic hosts fall asleep, they will go into comas—permanently. Filled with action and brimming with the same meticulous detail as *The Kingdom Keepers: Disney After Dark*, this second book in the series —*The Rise of Chernabog*—is the result of hands-on research behind the scenes at Disney's Animal Kingdom Park. Young and older readers alike will get a glimpse into a second Disney kingdom. The wild rides have only just begun; and the clock is ticking. How long can the teens keep themselves awake in their quest to find their friend—and what happens if they fail?

**Kingdom Keepers VI** Ridley Pearson, 2023-02-21 The five Kingdom Keepers and their core friends have uncovered a startling truth: Maleficent and the Overtakers (Disney villains) are plotting a catastrophic event that could have repercussions far beyond the world of Disney. Aboard the Disney Cruise Line's inaugural passage through the new Panama Canal, the Keepers and their holograms uncover a puzzle hidden within the pages of a stolen journal. The point of that puzzle will reveal itself

in the caves of Aruba, the zip lines of Costa Rica, and the jungles of Mexico. A destructive force, dormant for decades, is about to be unleashed. The five Kingdom Keepers are to be its first victims.

Kingdom Keepers (Volume 1) Ridley Pearson, 2020-04-14 Five young teens tapped as models for theme park “guides” (using a new hologram technology developed by the Disney Imagineers) find themselves pitted against Disney villains and witches that threaten both the future of Walt Disney World and the stability of the world outside its walls. Featuring a new cover design and additional content!

*The Insider* Ridley Pearson, 2015-03-31 The Kingdom Keepers' senior year in high school is almost over. For more than three years, things have been quiet. Their battles are long behind them, they agree, the threat to the Disney realm silenced albeit at great cost. But inside the catacombs

Kingdom Keepers IV Ridley Pearson, 2022-03-08 For the five teens who modeled as Disney Hologram Imaging hosts, life is beginning to settle down when an intriguing video arrives to Philby's computer at school. It's a call for action: the Overtakers, a group of Disney villains, seem to be plotting to attempt a rescue of two of their leaders, both of whom the Disney Imagineers have hidden away somewhere following a violent encounter in Epcot. A staged attack by new Overtakers at Downtown Disney, startles the group. One of their own, Charlene, is acting strange of late. Has she tired of her role as a Kingdom Keeper or is there something more sinister at play? When caught sneaking into Epcot as her DHI, acting strictly against the group's rules, Finn and Philby take action. Has the impossible occurred? Have the Overtakers created their own holograms? Have they found a way to jump from the Virtual Maintenance Network onto the Internet, and if so, what does that mean for the safety of the parks, and the spread and reach of the Overtakers? Are they recruiting an army from outside the parks? A dark cloud in the Kingdom Keeper era is unfolding, and with dissention in their own ranks, it's unclear if there's any chance of escape.

The Haunted Mansion Jason Surrell, 2003-10-01 The Haunted Mansion is one of the most popular and beloved attractions in Disney theme park history, and can be found in each Magic Kingdom Park around the globe. The Haunted Mansion: From the Magic Kingdom to the Movies will illustrate how the Mansion's 999 grim grinning ghosts moved from sketches to reality, evolving from earliest story concepts through adaptations and changes as it moved into each of the parks, to the very latest ideas for show enhancements. This book will also confirm or dispel the various myths and rumors that surround the mysterious Mansion's story. In recent years, The Walt Disney Company has seen the demand for theme park attraction-specific merchandise explode, and the Haunted Mansion resides at

the top of the list. Fans are waiting with super(natural) anticipation for the upcoming movie, and this book will also explore the latest technology developed to bring the Mansion's inhabitants to an afterlife like never before.

**So This is Love** Elizabeth Lim,2020-04-07 What if Cinderella never tried on the glass slipper? Unable to prove that she's the missing princess, and unable to bear life under Lady Tremaine any longer, Cinderella attempts a fresh start, looking for work at the palace as a seamstress. But when the Grand Duke appoints her to serve under the king's visiting sister, Cinderella becomes witness to a grand conspiracy to take the king—and the prince—out of power, as well as a longstanding prejudice against fairies, including Cinderella's own Fairy Godmother. Faced with questions of love and loyalty to the kingdom, Cinderella must find a way to stop the villains of past and present . . . before it's too late.
