

Townscene.jpg

Robert Cortes Holliday

The Town Conrad Richter, 2016-02-17 In this superb novel—the longest Mr. Richter has written—Sayward, the eldest daughter of Worth and Jary Lockett, completes her mission and lives to see the transition of her family and her friends, American pioneers, from the ways of the wilderness to the ways of civilization. Here is the tumultuous story of the Locketts, an American family born in the wilderness, grown to face the changing ways of America during the turmoil that was the first half of the nineteenth century. The Trees began the story of Worth and Jary, a wild and woodsfaring family who lived a roaming life, pushing ever westward as the frontier advanced and as new settlements threatened their isolation. How young Sayward and her family, facing the realization that the forests had become fields and settlements, took up the arduous task of tilling the Ohio soil was the story continued in The Fields. But The Town is a much bigger book in every way than its predecessors; it is in fact a major literary event and with them comprises a great American epic.

Desert Town Bonnie Geisert, Arthur Geisert, 2001 Through simple text and expressive pictures, the creators of Prairie Town capture the wonder and personality of everyday life in small-town America, where the weather conditions can be harsh but the people manage in spite of it all.

In Our Town William Allen White, 2022-09-16 DigiCat Publishing presents to you this special edition of In Our Town by William Allen White. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as

well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

Our Town Eugene Wood,1913

In Our Town William Allen White,2013-09 Ours is a little town in that part of the country called the West by those who live east of the Alleghanies, and referred to lovingly as back East by those who dwell west of the Rockies. It is a country town where, as the song goes, you know everybody and they all know you, and the country newspaper office is the social clearing-house. When a man has published a paper in a country community for many years, he knows his town and its people, their strength and their weakness, their joys and their sorrows, their failings and their prosperity-or if he does not know these things, he is on the road to failure, for this knowledge must be the spirit of his paper. The country editor and his reporters sooner or later pass upon everything that interests their town.

Turns about Town Robert Cortes Holliday,2019-12-18 Turns about Town by Robert Cortes Holliday is a delightful collection of essays and sketches that offer a charming glimpse into the vibrant life of a bustling town. Holliday's vivid descriptions and witty observations bring to life the characters, events, and idiosyncrasies of the urban landscape. From humorous anecdotes to heartfelt reflections, this book captures the essence of everyday life in the town, inviting readers to explore its nooks and crannies with curiosity and delight. Turns about Town is a delightful read for those who appreciate the small joys and nuances of urban living.

A Romance of Canvas Town Rolf Boldrewood,1898

The Town Leigh Hunt,2023-04-14 Reprint of the original, first published in 1872. The publishing house Anatiposi publishes historical books as reprints. Due to their age, these books may have missing pages or inferior quality. Our aim is to preserve these books and make them available to the public so that they do not get lost.

Small Town Sloan Wilson,1979-10-01

Ghost Town ,1955

Town (EasyRead Super Large 20pt Edition) ,

Ghost Town Patrick McGrath,2014-12-22 Three haunting and brilliant tales from the hand of master storyteller Patrick McGrath 'Sharp and haunting ... McGrath's prose is clean, lucid and utterly transfixing' Sunday Times 'Like a latter-day Edgar Allan Poe, McGrath probes the insanity and violence lurking beneath the skin of daily life' Financial Times A man is haunted by the memory of his mother with a rope round her neck. It is the American War of Independence, and having defied the British forces occupying New York she must pay for her revolutionary activities. But fifty years on her son harbours a festering guilt for his inadvertent part in her downfall. In thrusting nineteenth-century New York, a ruthless merchant's sensitive son is denied the love of his life through his father's prejudice against the immigrants flooding into the city - and madness and violence ensue. In the wake of 9/11, a Manhattan psychiatrist treats a favoured patient reeling from the destruction of the World Trade Center, but fails to detect the damage she herself has sustained. In this trio of stunning tales from a master storyteller, Patrick McGrath excavates the layers of New York's turbulent history.

The Story of a Country Town Edgar Watson Howe,2019-03-07 This work has been

selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

The Town William Faulkner, 1961 This is the second volume of Faulkner's trilogy about the Snopes family, his symbol for the grasping, destructive element in the post-bellum South. Like its predecessor *The Hamlet* and its successor *The Mansion*, *The Town* is completely self-contained, but it gains resonance from being read with the other two. The story of Flem Snopes' ruthless struggle to take over the town of Jefferson, Mississippi, the book is rich in typically Faulknerian episodes of humor and of profundity.

The Big Town Monte Schulz, 2012-03-16 A Great Gatsby for the 21st century. A novel of the Jazz Age, *The Big Town* is the story of a failed businessman whose dreams of prosperity hinge on the secret proposition of a millionaire industrialist and a dangerous

relationship he finds with a poor orphan girl chasing love in the great American metropolis. Harry Hennesey's hopes of success, both in his household and the world, have driven him to sell his home in an Illinois small town and take his chances in the big city. He rents a room in a run-down hotel. He deals in wholesale items scavenged from yard sales and close-outs. One night at a movie theater downtown, he meets a teenage flapper named Pearl who latches onto him and won't let go. For several years now, Harry has threatened his marriage and self-esteem with innumerable infidelities. Now he finds himself falling in love with a girl less than half his age. But that's not all. Charles A. Follette, chairman of the board of the American Prometheus Corporation, comes to him with a slick proposition: find Follette's missing niece, and the road to riches shall be his. Soon, though, Harry discovers a darker secret to the identity of the missing niece and what lies behind the urgency for her detection. It's this revelation that leads him to a closer examination of what it means to the life he's known since the birth of his children and that life he believes awaits him if he can only reach the top of the ladder. Harry's story in *The Big Town* is set against a fantastic backdrop of an archetypal 1920s American big city. We see speakeasies, sanitariums, skyscrapers, and a glittering Gatsby-like party high atop the metropolis. Lost in his own moral confusions, we watch Harry try to reform his young lover and uncover the secret of her own past in a small canal town miles beyond a city where gangsters murder ordinary citizens and everyone seems to have a get-rich scheme as the Roaring '20s come to a thunderous close. *The Big Town* evokes a lost era through language and flamboyant characters reminiscent of Fitzgerald, Dos Passos, Ring Lardner, etc. Yet it's also eerily relevant to our own time with its study of the role of

business, crime, morality, and love in our lives.

The Town Leigh Hunt,2013-06 Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

Our Town Eugene Wood,James Robert Shaver,2015-08-11 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. A Romance of Canvas Town And Other Stories Rolf Boldrewood,2022-11-22 A

Romance of Canvas Town and Other Stories by Rolf Boldrewood is about Evan Cameron. Evan compassionately defends a young Miss Melton on the day of a market and finds the love of his life. Excerpt: DWELLERS in Melbourne during 1851 and the immediately succeeding years of the golden age in Australia will remember Canvas Town. Good cause, doubtless, has certain prosperous citizens to recall the strange suburb of Melbourne across the river, in which they, with hundreds of strangers and pilgrims, were fain to abide, pending suitable lodgings or employment.

The Town Traveller George Gissing, 1898 Short excerpt: To Miss Sparkes a cheery and inviting spectacle-for the whole day was before her to lounge or ramble until the hour which summoned her to the agreeable business of selling programmes at a fashionable theatre.

The Making of a Town Frank Le Rond McVey, 2019-02-22 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work.
