Barron's Painless Series authors' main goal is to clear up students' confusion and perk up their interest by emphasizing the intriguing and often exciting ways in which they can put each subject to practical use. Most of these books take a light-hearted approach to their subjects, often employing humor, and always presenting fun-learning exercises that include puzzles, games, and challenging Brain Tickler problems to solve. Both ESL students and teachers of ESL courses have found this book extremely helpful, especially in the way it anticipates and answers students' most frequently asked questions about correct American English usage. This edition is better than ever.
