Mom Where's My Doll Sarah V Lewis, 2013-12-12

This book, *Mom where's my doll?* is a Realistic Fiction Christmas story about a child, Freda, not understanding why from ever since she could remember, she never got a doll from her mother at Christmas or for any other occasion. Her sisters got their Barbie and American girl dolls every Christmas, but no dolls for poor Freda! Being the child who resembles her mom the most, Freda thought she would be the pampered one, though she never wanted to be - her siblings mattered to her more than anything and she would not want them to be treated as second best. But why do her mother's expectations of her seem to be so demanding by comparison to her siblings'? Why does she expect Freda to solve her own problems no matter how difficult they may be? There seem to be so many unanswered questions about Freda's mother's treatment of her. Will there be answers to Freda's questions and if those answers are revealed will they ease her confusion and her feelings of not being loved? Will she come to understand her mother's outlook on life? Will she start to see her mother in a new light and be able to forgive her?

**Your Holiday Mom** Robin Rice,2021-11-04 Welcome to Your Holiday Mom, the book! We began as an online space at YourHolidayMom.com, a place where supportive moms gather to post a holiday message to all LGBTQ+ children, teens and adults who are without family support and who would like a stand-in holiday family. We know that not every mom is ready to accept her own LGBTQ+ child exactly as-is

(as hard as this is for us moms here to imagine), so we have written to extend our love beyond that of our own family. Who are these moms? We are everyday friends and family from everyday homes. Many, but not all, have LGBTQ+ children of our own. Each mom speaks to the holiday/s she observes, from Thanksgiving to New Years Day. In other words, even our writers here represent diversity! The vast majority of us came together because they heard about the project, yet most have never met me or each other. The common bond we share is that we are so full of love and pride for our own children - LGBTQ+ and straight - we wanted to extend ourselves beyond our own families and do something more. We wish you a happy, love-filled Holiday Season! With Love, Shamama, a.k.a. Robin Rice
