Esperanza Rising (Scholastic Gold) Pam Muñoz Ryan,2012-10-01 Esperanza Rising joins the Scholastic Gold line, which features award-winning and beloved novels. Includes exclusive bonus content!Esperanza thought she'd always live a privileged life on her family's ranch in Mexico. She'd always have fancy dresses, a beautiful home filled with servants, and Mama, Papa, and Abuelita to care for her. But a sudden tragedy forces Esperanza and Mama to flee to California and settle in a Mexican farm labor camp. Esperanza isn't ready for the hard work, financial struggles brought on by the Great Depression, or lack of acceptance she now faces. When Mama gets sick and a strike for better working conditions threatens to uproot their new life, Esperanza must find a way to rise above her difficult circumstances-because Mama's life, and her own, depend on it.

Such Good Boys Tina Dirmann,2005-10-04 AN ABUSIVE MOTHER Raised in the suburb of Riverside, California, twenty-year-old college student Jason Bautista endured for years his emotionally disturbed mother's verbal and psychological abuse. She even locked him out of the house, tied him up with electrical cord, and on one occasion, gave him a beating that sent him to the emergency room. His fifteen-year-old half brother Matthew Montejó also was a victim to Jane Bautista's dark mood swings and erratic behavior, but for some reason, Jason received the brunt of the abuse—until he decided he'd had enough... A SON'S REVENGE On the night of January 14, 2003, Jason strangled his mother. To keep authorities from identifying her body, he chopped off her head and hands, an idea he claimed he got from watching an episode of the hit TV series The Sopranos. Matthew would later testify in court that he sat in another room in the house with the TV volume turned up while Jason murdered their mother. He also testified that he drove around with Jason to find a place to dump Jane's torso. A CRIME THAT WOULD BOND TWO BROTHERS The morning following the murder, Matthew went to school, and Jason returned to his classes at Cal State San Bernardino. When authorities zeroed in on them, Jason lied and said that Jane had run off with a boyfriend she'd met on the Internet. But when police confronted the boys with overwhelming evidence, Jason confessed all. Now the nightmare was only just beginning for him...

All the Lives We Ever Lived Katharine Smyth,2020-01-21 A wise, lyrical memoir about the power of literature to help us read our own lives—and see clearly the people we love most. “Transcendent.”—The Washington Post • “You’d be hard put to find a more moving appreciation of Woolf’s work.”—The Wall Street Journal NAMED ONE OF THE BEST BOOKS OF THE YEAR BY TOWN & COUNTRY Katharine Smyth was a student at Oxford when she first read Virginia Woolf’s modernist masterpiece To the Lighthouse in the comfort of an English sitting room, and in the companionable silence she shared with her father. After his death—a calamity that claimed her favorite person—she returned to that beloved novel as a way of wrestling with his memory and understanding her own grief. Smyth’s story moves between the New England of her childhood and Woolf’s Cornish shores and Bloomsbury squares, exploring universal questions about family, loss, and homecoming. Through her inventive, highly personal reading of To the Lighthouse, and her artful adaptation of its groundbreaking structure, Smyth guides us toward a new vision of Woolf’s most demanding and rewarding novel—and crafts an elegant reminder of literature’s ability to clarify and console. Braiding memoir, literary criticism, and biography, All the Lives We Ever Lived is a wholly original debut: a love letter from a daughter to her father, and from a reader to her most cherished author. Praise for All the Lives We Ever Lived “This searching memoir pays homage to To the Lighthouse, while recounting the author’s fraught relationship with her beloved father, a vibrant figure afflicted with alcoholism and cancer. . . . Smyth’s writing is evocative and incisive.”—The New Yorker “Like H Is for Hawk, Smyth’s book is a memoir that’s not quite a memoir, using Woolf, and her obsession with Woolf, as a springboard to tell the story of her father’s vivid life and sad demise due to alcoholism and cancer. . . . An experiment in twenty-first century introspection that feels rooted in a modernist tradition and bracingly fresh.”—Vogue “Deeply moving – part memoir, part literary criticism, part outpouring of longing and grief... This is a beautiful book about the wildness of mortal life, and the tenuous consolations of art.”—The Times Literary Supplement “Blending analysis of a deeply literary novel with a personal story... gently entwining observations from Woolf's classic with her own layered experience. Smyth tells us of her love for her father, his profound alcoholism and the unpredictable course of the cancer that ultimately claimed his life.”—Time

Some Enchanted Evenings David Kaufman,2016-07-12 A fascinating new biography of Mary Martin, the girl whose heart belonged to daddy, Rodgers and Hammerstein, Janet Gaynor and Peter Pan.

The Traders' War Charles Stross,2014-01-07 The Traders' War -- an omnibus edition of the third and fourth novels in Charles Stross's Merchant Princes series. Miriam was an ambitious business journalist in Boston. Until she was fired—then discovered, to her shock, that her lost family comes from an alternate reality. And although some of them are trying to kill her, she won't stop digging up secrets. Now that she knows she's inherited the family ability to walk between worlds, there's a new culture to explore. Her alternate home seems located around the Middle Ages, making her world-hopping relatives top dogs when it comes to importing guns and other gadgets from modern-day America. Payment flows from their services to U.S. drug rings—after all, world-skipping drug runners make great traffickers. In a land where women are property, she struggles to remain independent. Yet her outsider ways won't be tolerated, and a highly political arranged marriage is being brokered behind her back. If she can stay alive for long enough to protest. These books are immense fun.--Locus At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Pilgrim Church E.H. Broadbent, The History of the Church or company of those who by faith have received Christ and become His followers, is still in the making, not yet complete. On this account and because of its immense extent, although it is of supreme importance, parts only of it can be written and from time to time. First one, then another, must relate what he has seen or has learned from trustworthy records, and this must be taken up and added to as stage after stage of the long pilgrimage is traversed. The following pages are a contribution to the unfolding story.

Harrow Lake Kat Ellis,2020 Lola Nox is sent to live with her estranged maternal grandmother in the mining town where her horror movie director father's most iconic film was set, when paranormal incidents and whispers of a century-old monster make her question if she'll make it out alive--]cProvided by publisher.

The Twelfth Victim John Stevens Berry,Linda Battisti,2022-03-15 The Caril Fugate story is to be released as a four-part SHOWTIME docuseries on February 17. The documentary is based on the Addicus Books title, The Twelfth Victim—The Innocence of Caril Fugate in the Charles Starkweather Murder Rampage. The series will premiere on Friday, February 17 at 8 p.m. ET/PT, with new episodes airing weekly on Fridays at 7 p.m. CST, 8 p.m. EST on SHOWTIME. All four episodes will also be released on demand and on streaming platforms for SHOWTIME subscribers on February 17. In 1958, nineteen-year-old Charles Starkweather gained notoriety as one of the nation's first spree killers. He murdered eleven people in Nebraska and one in Wyoming. After a week on the run, he was arrested, later convicted, and sentenced to die in the electric chair. Starkweather's girlfriend, Caril Fugate, fourteen, was with him throughout the murder spree. Was she his hostage or a participant? This question still stirs debate more than sixty years later. Fugate claims she was too terrified to attempt escape—Starkweather had told her he would have her family killed if she disobeyed him. Unbeknownst to her, he had already murdered them. A jury found Fugate guilty of first-degree murder.

Rock, Paper, Scissors Kate Hodges,2021-06-10 Rock, Paper, Scissors is a collection of creative, fun, sense-stimulating things you can do with very simple materials: stones, paper and scissors. From land art to science experiments, with a pinch of geology, and a sprinkling of magic, these easy-but-inspiring and thrifty activities will keep your family occupied all year round. Rock, Paper, Scissors is packed with activities to do indoors and outdoors, in the city, at the beach, in the countryside – wherever you might be. Perfect for parents who are keen to turn walks and day trips into exciting experiences, this activity book will have universal appeal for families

who want to reduce their screen time and encourage kids to conjure up adventures from almost nothing both indoors and out.

The Outsider Melinda Metz,2002-02-02 The acclaimed Roswell High series—and the inspiration for the upcoming Roswell, New Mexico TV series airing on the CW—returns with this new introduction, perfect for fans of Stranger Things and Riverdale. He’s not like other guys. Liz has seen him around school. It’s hard to miss Max—the tall, blond, blue-eyed senior stands out among all the other students at Roswell High. So why is he such a loner? Max is in love with Liz. He loves the way her eyes light up when she laughs and the way her long, black hair moves when she turns her head. Most of all, he loves to imagine what it would be like to kiss her. But he knows he can’t get too close. He can’t risk her discovering the truth about who he is—or what he is.... Because the truth could kill her.

Chahta Leksikon Allen Wright,1880

They Cage the Animals at Night Jennings Michael Burch,1985-10 For use in schools and libraries only. The true story of an abandoned child's struggle for emotional survival.

Godard On Godard Jean-luc Godard,1986-03-22 Jean-Luc Godard, like many of his European contemporaries, came to filmmaking through film criticism. This collection of essays and interviews, ranging from his early efforts for La Gazette du Cinéma to his later writings for Cahiers du Cinéma, reflects his dazzling intelligence, biting wit, maddening judgments, and complete unpredictability. In writing about Hitchcock, Welles, Bergman, Truffaut, Bresson, and Renoir, Godard is also writing about himself-his own experiments, obsessions, discoveries. This book offers evidence that he may be even more original as a thinker about film than as a director. Covering the period of 1950-1967, the years of Breathless, A Woman Is a Woman, My Life to Live, Alphaville, La Chinoise, and Weekend, this book of writings is an important document and a fascinating study of a vital stage in Godard's career. With commentary by Tom Milne and Richard Roud, and an extensive new foreword by Annette Michelson that reassesses Godard in light of his later films, here is an outrageous self-portrait by a director who, even now, continues to amaze and bedevil, and to chart new directions for cinema and for critical thought about its history.

American Predator Maureen Callahan,2019-07-02 INSTANT NEW YORK TIMES BESTSELLER An Amazon “Best Book of 2019” A Washington Post “10 Books To Read in July” A Los Angeles Times “Seven Highly Anticipated Books for Summer Reading” A USA Today “20 of the Season’s Hottest New Books” A New York Post “25 Best Beach Reads of 2019 You Need to Pre-Order Now” A Bustle “The Best New True Crime Books You Can Read Right Now” “Maureen Callahan’s deft reporting and stylish writing have created one of the all-time-great serial-killer books: sensitive, chilling, and completely impossible to put down.” —Ada Calhoun, author of St. Marks Is Dead Ted Bundy. John Wayne Gacy. Jeffrey Dahmer. The names of notorious serial killers are usually well-known; they echo in the news and in public consciousness. But most people have never heard of Israel Keyes, one of the most ambitious and terrifying serial killers in modern history. The FBI considered his behavior unprecedented. Described by a prosecutor as a force of pure evil, Keyes was a predator who struck all over the United States. He buried kill kits--cash, weapons, and body-disposal tools--in remote locations across the country. Over the course of fourteen years, Keyes would fly to a city, rent a car, and drive thousands of miles in order to use his kits. He would break into a stranger's house, abduct his victims in broad daylight, and kill and dispose of them in mere hours. And then he would return home to Alaska, resuming life as a quiet, reliable construction worker devoted to his only daughter. When journalist Maureen Callahan first heard about Israel Keyes in 2012, she was captivated by how a killer of this magnitude could go undetected by law enforcement for over a decade. And so began a project that consumed her for the next several years--uncovering the true story behind how the FBI ultimately caught Israel Keyes, and trying to understand what it means for a killer like Keyes to exist. A killer who left a path of monstrous, randomly committed crimes in his wake--many of which remain unsolved to this day. American Predator is the ambitious culmination of years of interviews with key figures in law enforcement and in Keyes's life, and research uncovered from classified FBI files. Callahan takes us on a journey into the chilling, nightmarish mind of a relentless killer, and to the limitations of traditional law enforcement.

My Memories of a Future Life Roz Morris,2011 'Spellbinding... a hypnotic experience' 'I was hooked - grabbed immediately' 'Beautiful, simple, evocative' 'Absolutely gripping' 'Don't plan to read just a few pages' 'A strange and stubborn book, visual and visceral, original and odd... will stay with you long after finishing its final pages' - For Books' Sake If you were somebody's past life... What echoes would you leave in their soul? Could they be the answers you need now? It's a question Carol never expected to face. She's a gifted musician who needs nothing more than her piano and certainly doesn't believe she's lived before. But forced by injury to stop playing, she fears her life may be over. Enter her soulmate Andreq: healer, liar, fraud and loyal friend. Is he her future incarnation or a psychological figment? And can his story help her discover how to live now? A novel in the tradition of The Time Traveller's Wife, Vertigo and The Gargoyle, My Memories of a Future Life is much more than a 'who was I' tale. It is a multi-layered story of souls on conjoined journeys - in real time and across the centuries. It's a provocative study of the shadows we don't know are driving our lives, from our own pasts and from the people with us right now. An examination of what we believe, what we create and how we scare and heal each other. Above all, it's the story of how one lost soul must search for where she now belongs. 'I was always fascinated by tales of regression to past lives,' says the author Roz Morris. 'I thought, what if instead of going to the past, someone went to a future life? Who would do that? Why? What would they find?' Another longtime interest was the world of the classical musician. Musical scores are exacting and dictatorial - you play a note for perhaps a sixth of a second and not only that, there are instructions for how to feel - *expressivo*, *amoroso*. It's as if you don't play a piece of classical music; you channel the spirit of the composer. 'I became fascinated by a character who routinely opened her entire soul to the most emotional communications of classical composers. And I thought, what if she couldn't do it any more? And then, what if I threw her together with someone who could trap the part of her that responded so completely to music?'

Sun Yat-Sen in Hawaii Yansheng Ma Lum,Raymond Mun Kong Lum,1999-01-01 During numerous visits to Hawaii, Sun Yat-sen formed the revolutionary society responsible for the first armed resistance against the Manchu regime and raised funds to support future uprisings in China. Here is the most comprehensive account in English of Sun's life and his revolutionary activities and supporters in Hawaii.

Runaway Devil Robert Remington,Sherri Zickefoose,2010-09-07 Marc and Debra seemed to have it all—a lovely home in the Prairie town of Medicine Hat, fulfilling careers, a supportive marriage, and two beautiful children: eight-year-old Jacob and twelve-year-old JR. After years of struggle to reach this point, they finally felt their future held promise. But on April 23, 2006, their bodies were discovered in their basement, covered in savage stab wounds. Upstairs, Jacob lay dead on his bed, his toys scattered with blood. Investigators worried for JR’s safety, but unknown to them, the pretty honour roll student had been developing a disturbing alter ego online. Runaway Devil professed a fondness for a darker world of death metal music, the goth subculture, and a love for Jeremy Steinke, a twenty-three-year-old high-school dropout who lived in a rundown trailer park. Soon, shocking evidence in JR’s school locker—printed here for the first time—led police to believe the girl was a suspect in her family’s murders. The case horrified parents everywhere. Journalists Robert Remington and Sherri Zickefoose have been covering it from the beginning, and in Runaway Devil, they reveal what really happened: the unlikely young love, the teenage rebellion, a troubling world of adolescent drifters, and a small community torn apart by an unthinkable crime. A modern cautionary tale, Runaway Devil is also a chilling portrait of an approval-seeking man smitten with a manipulative young girl—who would stop at nothing to get what she wanted.

Mind Fixers: Psychiatry's Troubled Search for the Biology of Mental Illness Anne Harrington,2019-04-16 Mind Fixers tells the history of psychiatry’s quest to understand the biological basis of mental illness and asks where we need to go from here. In Mind

Fixers, Anne Harrington, author of *The Cure Within*, explores psychiatry’s repeatedly frustrated struggle to understand mental disorder in biomedical terms. She shows how the stalling of early twentieth century efforts in this direction allowed Freudians and social scientists to insist, with some justification, that they had better ways of analyzing and fixing minds. But when the Freudians overreached, they drove psychiatry into a state of crisis that a new “biological revolution” was meant to alleviate. Harrington shows how little that biological revolution had to do with breakthroughs in science, and why the field has fallen into a state of crisis in our own time. *Mind Fixers* makes clear that psychiatry’s waxing and waning biological enthusiasms have been shaped not just by developments in the clinic and lab, but also by a surprising range of social factors, including immigration, warfare, grassroots activism, and assumptions about race and gender. Government programs designed to empty the state mental hospitals, acrid rivalries between different factions in the field, industry profit mongering, consumerism, and an uncritical media have all contributed to the story as well. In focusing particularly on the search for the biological roots of schizophrenia, depression, and bipolar disorder, Harrington underscores the high human stakes for the millions of people who have sought medical answers for their mental suffering. This is not just a story about doctors and scientists, but about countless ordinary people and their loved ones. A clear-eyed, evenhanded, and yet passionate tour de force, *Mind Fixers* recounts the past and present struggle to make mental illness a biological problem in order to lay the groundwork for creating a better future, both for those who suffer and for those whose job it is to care for them.

The Hidden Library Heather Lyons,2015-02-17 Sometimes, the rabbit hole is deeper than expected . . . Alice Reeve and Finn Van Brunt have tumbled into a life of secrets. Some secrets they share, such as their employment by the clandestine organization known as The Collectors' Society. Other secrets they carry within them, fighting to keep buried the things that could change everything they think they know. On the hunt for an elusive villain who is hell-bent on destroying legacies, Alice, Finn, and the rest of the Society are desperate to unravel the mysteries surrounding them. But the farther they spiral down this rabbit hole, the deeper they fall into secrets that will test their loyalties and pit them against enemies both new and old. Secrets, they come to find, can reveal the deadliest of truths.
