House of Bastiion K.L. Kolarich,2021-01-19 Some of the best, most complex world-building I've yet seen...This is your next five star read. - Laurie Forest, New York Times bestselling author of The Black Witch Chronicles BEHIND THE MASK OF DUTY AND POWER, NO ONE IS WHO THEY SEEM... Centuries after the Forgotten Wars ravaged the world and turned it to ash, the Houses of Pilar, Darakai, Boreal, and Bastiion forged an accord with the royal line of Thoarne, founding a Quadren of advisory to the throne of Orynthia. Every generation, a single haidren from each of the four Houses is appointed to this coveted chair. Upon her Ascension to adulthood, Luscia Tiergan takes her seat at court as al'haidren to the House of Boreal and is quickly drawn into a maze of political traps and dark secrets. As she adjusts to her new life, Luscia uncovers a pattern of forgotten children, slain in the streets of Bastiion. Raised on superstitious rumors about Boreal's penchant for sorcery, Zaethan Kasim, al'haidren to the House of Darakai, inevitably clashes with Luscia when she arrives in Bastiion. But when his position is threatened by an old rival, Zaethan is forced to set aside his hatred and form an uneasy alliance with the Boreali al'haidren to secure his claim. Following a disturbing stream of innocent bloodshed across Orynthia, Luscia and Zaethan discover their ideals are far more aligned than they might have imagined. But in a land of war and deceit, the path to peace should never be trusted. The Series House of Bastiion is the first installment in the award-winning epic fantasy series, The Haidren Legacy. Brimming with courtly machinations and a diverse cast, House of Bastiion centers not around those wearing the crown, but those influencing it. Those who whisper into its ear; who protect or betray the agenda of the throne. For the most powerful in any society are rarely who they seem, and in the shadows are they ever truly unmasked. Themes such as loyalty, betrayal, duty, self-discovery, blood-ties, and prejudice unravel in a deadly explosion across a sprawling world built upon intricate cultural systems and diabolical plotlines. Following a string of hellish murders, this political masquerade packs a legendary punch for fans of Brandon Sanderson, Victoria Aveyard, John Gwynne, and Robin Hobb. By evoking the classic style of A Game of Thrones and The Lord of the Rings, The Haidren Legacy series is not for the faint of heart. **The Family Next Door** John Glatt, 2019-07-23 From New York Times bestselling true crime author John Glatt comes the devastating story of the Turpins: a seemingly normal family whose dark secrets would shock and captivate the world. On January 14, 2018, a seventeen-year-old girl climbed out of the window of her Perris, California home and dialed 911 on a borrowed cell phone. Struggling to stay calm, she told the operator that she and her 12 siblings—ranging in age from 2 to 29—were being abused by their parents. When the dispatcher asked for her address, the girl hesitated. “I’ve never been out,” she stammered. To their family, neighbors, and online friends, Louise and David Turpin presented a picture of domestic bliss: dressing their thirteen children in matching outfits and buying them expensive gifts. But what police discovered when they entered the Turpin family home would eclipse the most shocking child abuse cases in history. For years, David and Louise had kept their children in increasing isolation, trapping them in a sinister world of torture, fear, and near starvation. In the first major account of the case, investigative journalist John Glatt delves into the disturbing details and recounts the bravery of the thirteen siblings in the face of unimaginable horror.

*The Perfect Father* John Glatt, 2020-07-21 In The Perfect Father, New York Times bestselling author John Glatt reveals the tragedy of the Watts family, whose seemingly perfect lives played out on social media—but the truth would lead to a vicious and heartbreaking murder. In the early morning hours of August 13th, 2018, Shanann Watts was dropped off at home by a colleague after returning from a business trip. It was the last time anyone would see her alive. By the next day, Shanann and her two young daughters, Bella and Celeste, had been reported missing, and her husband, Chris Watts, was appearing on the local news, pleading for his family’s safe return. But Chris Watts already knew that he would never see his family again. Less than 24 hours after his desperate plea, Watts made a shocking confession to police: he had strangled his pregnant wife to death and smothered their daughters, dumping their bodies at a nearby oil site. Heartbroken friends and neighbors watched in shock as the movie-star handsome, devoted family man they knew was arrested and charged with first degree murder. The mask Chris had presented to the world in his TV interviews and the family’s Facebook accounts was slipping—and what lay beneath was a horrifying image of instability, infidelity, and boiling rage. In this first major account of the case, bestselling author and journalist John Glatt reveals the truth behind the tragedy and constructs a chilling portrait of one of the most shocking family annihilator cases of the 21st century.
