Introduction to the Optical Transfer Function Charles Sumner Williams, Orville A. Becklund, 2002 This work covers spatial frequency, spread function, wave aberration, and transfer function - and how these concepts are related in an optical system, how they are measured and calculated, and how they may be useful.

Modulation Transfer Function in Optical and Electro-optical Systems Glenn D. Boreman, 2001 This tutorial introduces the theory and applications of MTF, used to specify the image quality achieved by an imaging system. It covers basic linear systems theory and the relationship between impulse response, resolution, MTF, OTF, PTF, and CTF. Practical measurement and testing issues are discussed.

Good Night and Good Riddance David Cavanagh, 2015-09-29 Goodnight and Good Riddance: How Thirty-Five Years of John Peel Helped to Shape Modern Britain is a social history, a diary of a nation's changing culture, and an in-depth appraisal of one of our greatest broadcasters, a man who can legitimately be called the most influential figure in post-war British popular music. Without the support of John Peel, it's unlikely that innumerable artists - from David Bowie to Dizzee Rascal, Jethro Tull to Joy Division - would have received national radio exposure. But Peel's influence goes much deeper than this. Whether he was championing punk, reggae, jungle or grime, he had a unique relationship with his audience that was part taste-maker, part trusted friend. The book focuses on some 300 shows between 1967 and 2004, giving a thorough overview of Peel's broadcasting career and placing it in its cultural and social contexts. Peel comes alive for the reader, as do the key developments that kept him at the cutting edge - the changes in his tastes; the changes in his thinking. Just like a Peel show, Goodnight and Good Riddance is warm, informative and insightful, and wears its enthusiasm proudly.

Margrave Of The Marshes Alexandra Ravenscroft, Florence Ravenscroft, John Peel, John Ravenscroft, Sheila Ravenscroft, Thomas Ravenscroft, William Ravenscroft, 2012-05-31 Through nigh-on forty years of laconic brilliance on Radio 1, a musical taste which defined a culture and his wildly popular Radio 4 show, Home Truths, John Peel reached out to an audience that was as diverse as his record collection. He was a genuinely great Briton, beloved by millions. John's unique voice and sensibility were evident in everything he did, and nowhere is that more true than in these pages. Margrave of the Marshes is the astonishing book John Peel began to write before his untimely death in October 2004, completed by the woman who knew him best, his wife Sheila. It is a unique and intimate portrait of a life, a marriage and a family which is every bit as extraordinary as the man himself - a fitting tribute to a bona fide legend.

Generation M Shelina Janmohamed, 2016-08-30 What does it mean to be young and Muslim today? There is a segment of the world's 1.6 billion Muslims that is more influential than any other, and will shape not just the future of Muslims, but also the world around them: meet 'Generation M'. From fashion magazines to social networking, the 'Mipsterz' to the 'Haloodies', halal internet dating to Muslim boy bands, Generation M are making their mark. Shelina Janmohamed, award-winning author and leading voice on Muslim youth, investigates this growing cultural phenomenon at a time when understanding the mindset of young Muslims is critical. With their belief in an identity encompassing both faith and modernity, Generation M are not only adapting to Western consumerism, but reclaiming it as their own.

Visual Diary Guide - Student Workbook Hilary Senhali, 2015-06-30 In 2014, the Australian Government was investing into creativity and innovation as part of a growth strategy. Critical & creative thinking ranked 4th in the Australian Curriculum after Literacy, Numeracy and ICT, across all subjects. In the Arts, it made explicit references to how to achieve this with the use of visual journals. In a way, this represented a sea change in the way creativity was being taught. But by what means? Where would teachers get practical help to make this happen? The Visual Diary Guides provide just this kind of help. Produced by an artist-teacher, in two integrated parts they address both students and teachers while aligning with the Australian Curriculum. They begin by identifying 'inspiration' as the fuel for the creative activity. But it is hard to store inspiration for later use. And even harder to make it fun! The books argue that the 'storage' is that ordinary art journal, the Visual Diary, which in the present classroom setting is often wasted as a portfolio. Its explosive creative potential is there to be unlocked. The books set out to do that in the classroom. Contrary to common belief, a structured approach with limits and boundaries is required for creativity to truly flourish. The Visual Diary becomes a students' personal treasure-trove much like an ordinary diary. The main premise of these books is that everyone has an artist in them and a trustworthy guide is needed to locate it. The Visual Diary Guide - Student Work book is written for students in accessible language. Through more than 40 specially designed activities, students find and capture inspiration and ideas that personally resonate for them. It opens the door for students to explore the visual culture they are immersed in, making it accessible in the art room for refinement, analysis and development as a supplement to the art room program.

On the Divinity of Second Chances Kaya McLaren, 2009-04-28 A broken family finds its way back together in this captivating story from the author of Church of the Dog A charismatic author with a voice and message all her own, Kaya McLaren has become beloved in the book world as much for her upbeat energy as for her rich storytelling. In *On the Divinity of Second Chances*, she portrays a family on the brink of dissolution—a mother besieged by middle age, a distant father lost in daily life, and their three teenage children struggling in various ways with the family's disintegration even as they conceal a secret that could send their parents further over the edge. With the help of a group of tap-dancing old ladies, a sensual tango teacher, and a lot of luck, this family is about to learn that everyone gets a second chance which, as McLaren beautifully reminds us in this inspiring novel, is sometimes even better than the first.

Women, Children and the Family in Palmyra Signe Krag, Rubina Raja, 2019 The present volume includes articles stemming from a two-part workshop on the representations of women and children and their roles in the families in Roman period Palmyra. The workshops were held at Aarhus University, Denmark, under the auspices of the Palmyra Portrait Project in October 2016 and February 2017. During the workshops concerning women, children and family constellations, various aspects of representations of women and children as well as the wider family groups within which they were shown in Palmyra were explored, as well as the implications these might have carried in relation to the Palmyrene family structure and wider Palmyrene society. Since the evidence from the public sphere does not give much insight into how women and children were perceived in Palmyra, the material from the funerary sphere remains central to these issues--Publisher's description.

Voluntary Industry Codes of Conduct for the Environment, 1998 This publication provides a broad perspective of voluntary codes, discussing what they can & cannot do, stressing the need for government regulations. It discusses

the range & different types of industry codes & the ultimate role of companies in implementing them. It also outlines the five critical aspects for making voluntary codes effective in improving industry's environmental performance & illustrates how each can be phased in over time as experience is gained & resources permit.

Lanterns On The Levee William Alexander Percy,2012-09-05 Born and raised in Greenville, Mississippi, within the shelter of old traditions, aristocratic in the best sense, William Alexander Percy in his lifetime (1885-1942) was brought face to face with the convulsions of a changing world. Lanterns on the Levee is his memorial to the South of his youth and young manhood. In describing life in the Mississippi Delta, Percy bridges the interval between the semifeudal South of the 1800s and the anxious South of the early 1940s. The rare qualities of this classic memoir lie not in what Will Percy did in his life—although his life was exciting and varied—but rather in the intimate, honest, and soul-probing record of how he brought himself to contemplate unflinchingly a new and unstable era. The 1973 introduction by Walker Percy—Will's nephew and adopted son—recalls the strong character and easy grace of the most extraordinary man I have ever known.
