Pretty Evil New England Sue Coletta,2020-11-01 For four centuries, New England has been a cradle of crime and murder—from the Salem witch trials to the modern-day mafia. Nineteenth century New England was the hunting ground of five female serial killers: Jane Toppan, Lydia Sherman, Nellie Webb, Harriet E. Nason, and Sarah Jane Robinson. Female killers are often portrayed as caricatures: Black Widows, Angels of Death, or Femme Fatales. But the real stories of these women are much more complex. In *Pretty Evil New England*, true crime author Sue Coletta tells the story of these five women, from broken childhoods, to first brushes with death, and she examines the overwhelming urges that propelled these women to take the lives of a combined total of more than one-hundred innocent victims. The murders, investigations, trials, and ultimate verdicts will stun and surprise readers as they live vicariously through the killers and the would-be victims that lived to tell their stories.

Three Lines in a Circle Michael G. Long,2021-08-31 One line straight down. One line to the right. One line to the left, then a circle. That was all—just three lines in a circle. This bold picture book tells the story of the peace symbol—designed in 1958 by a London activist protesting nuclear weapons—and how it inspired people all over the world. Depicting the symbol's travels from peace marches and liberation movements to the end of apartheid and the fall of the Berlin Wall, *Three Lines in a Circle* offers a message of inspiration to today's children and adults who are working to create social change. An author's note provides historical background and a time line of late twentieth-century peace movements.

Music is Your Business Christopher Knab,Bartley F. Day,2007 This book takes the mystery out of the music business! *Music Is Your Business* tells you who does what in the music industry. Music industry veteran Christopher Knab's honest, no-nonsense information will empower you to market and promote your music--whether you're an experienced performer or just starting out. Learn how to attract distributors, get radio airplay, negotiate offers, and create a demand for your music with topics like Con Jobs: Watch Out for the Flim Flam Man, 10 Reasons Why Musicians Fail (and How Not To), What A&R Reps Do, and Online Music Retailing. Straight to the point legal chapters by entertainment attorney Bartley F. Day include Filing Copyright Applications, Trademarking Band Names, and Making Sense of Recording Industry Contracts. A sample distributor one-sheet, band tour and work schedule, band bio, and more! Newly revised, updated, and 100 pages longer, the 3rd edition of *Music Is Your Business* is essential for independent musicians and record labels.

The Opposite Life Alex Seeley,2019-08-13 What if the path to a life of abundance and blessing isn't what we expected? What if the way forward begins with going backward? In our constant search for a life filled with blessing and abundance, we often follow our human instinct and then wonder why we come up short. But it doesn't have to be that way. Join pastor and author Alex Seeley as she teaches us that God always has a better idea -- we just have to move in a new direction. In *The Opposite Life*, Seeley explains that the secret to living a powerful and abundant life lies in the upside-down kingdom of God. Each chapter of *The Opposite Life* explores the opposite-life principles that can start to shift our mindset for the better, diving deeper into the natural contradictions between: death and life fear and faith hate and love worry and worship impossible and possible Along the way, she offers encouraging and simple challenges to help us align our lives with God's subversive plan. As we learn to exchange our default instincts for the surprising teachings of Jesus -- our pioneer of the unlikely -- we discover a life of transformational power, abundance, and more blessing than we ever thought possible. Praise for *The Opposite Life*: Our broken earth longs for just this type of unveiling. It is time for us to remember who we are and respond as sons and daughters of the Most High God. There is a desperate longing for His goodness in the face of overwhelming anger, pain, and confusion. *The Opposite Life* is a drink of living water in a dry and arid land. --Lisa Bevere, New York Times bestselling author of *Without Rival* and *Girls with Swords*

E-Business@Print Anne König,2005-03-11 Theshipshears onthrough billowing seas Carried on tempest's wings with ease A cry of joy goes up from fore and aft: "Our destination is within our grasp!" But the helmsman's words are lost in the throng: "We've been sailing in circles all along." Marie von Ebner-Eschenbach This book has been written as an aid to anyone in the print media industry, be they managers or customers, who is looking to steer their business into calmer waters in what are stormy times. New technologies offer tremendous opportunities for innovation and process improvement – but only if we understand the fundamental principles behind them. This is the goal of this book. To this end, we will be looking at how best to network the print media industry with its customers, production partners and suppliers. This networking process covers the production data that can be transferred entirely digitally as far as the press stage, i. e. the digital page to be printed (referred to below as the "technical work?ow"), but also the information, communication and interaction processes which take place before, during and after production, e. g. details of the print run or the planned delivery date (referred to below as the "business management work?ow"). Inter-company networking of the various market players using Internet technology is known as "e-business" in commercial and management circles. Get Started with Gouache Emma Block,2020-07-07 A modern, easy-to-use, and authoritative guide to painting with gouache, including the basics on this exciting and centuries-old medium, techniques for all skill levels, and practice projects from an experienced author and illustrator. This charming and contemporary step-by-step guide to gouache (pronounced gwash) is perfect for creative people who have dreamed of painting inspiring subjects from everyday life. Gouache is a water-based paint similar to watercolor that has the opacity and layerability of acrylic paints. It creates wonderful washes, allows for layering and texture, and dries quickly with a unique matte finish. Illustrator Emma Block presents everything you need to know about this whimsical and fun medium, including expert guidance on tools and materials and techniques that will make it easy to use. Thirty lessons cover subjects from simple, such as your morning coffee cup and bright lemons, to advanced, such as fluffy animals and portraits of your friends and family. All of this is accompanied by her workshop-honed instructions and step-by-step illustrations, which will help you build the skills and confidence to finish beautiful pieces of your own.

The Rotarian ,2010-03 Established in 1911, *The Rotarian* is the official magazine of Rotary International and is circulated worldwide. Ten Thousand Lines Kate Bitters,2015-04-06 Set in the harsh backdrop of a dystopian future, an unlikely friendship flowers among the weeds of oppression. Ten Thousand Lines takes place during a time when human beings are sharply divided by class and discontentment brews under the placid surface of the city called Superbia. When a Hive 14 Worker snaps out of his drug-induced haze, the brew becomes a boil and a series of events sets into motion a witch hunt, a forbidden romance, and a revolution. But the Hive 14 Worker doesn't care about politics and social justice. He only wants to sit quietly and watch the dusty sunset.

Self-Publishing Checklist April D Brown,2019-06-30 Self-publishing feels overwhelming. So many places to start. Multiple options to upload various file types. They don't all match. Several distributors and combinations of distributors and social media blast options. It's difficult to know where to begin. Each section of this workbook goes into detail about everything you need before you reach the destination's internet page. Step one covers an indepth look at nine distributors. The cover page for each highlights the major points later broken into individual worksheets. Step two goes into more detail about the pre-launch and post-publishing marketing aspects among several platforms. The Book Listing Newsletter sites picks a few sites to cover. More come and go every day. It gives a general idea of what you need prepared to use them. The last major section covers information about direct sales. This is something some authors look forward to, and others dread. It'll give you a list of points to remember for each one. This group of checklists aims to help you organize your plan. Of course, it can't cover every option out there. They are constantly changing. Use these lists as a guide on your publishing and marketing journey. Worksheets can be printed and updated for each project, or kept in a binder to refer to on all stages of the process: before, during, and after publication.

The Business of Writing Kim Iverson Headlee,2016-11-14 2022 Edition Have you written a book but don't know how to go about getting it published?
