The Dream Thief Tracy Renee Ross,2020

The Cat Who Tailed a Thief Lilian Jackson Braun,1998-03-01 Jim Qwilleran—along with his lovable Siamese cats Koko and Yum Yum—follows a trail of clues as elusive as a cat burglar in the night in this mystery in the New York Times bestselling series. There's been a rash of petty thievery in Pickax—ever since banker Willard Carmichael and his flashy young wife, Danielle, moved in. But now Willard's been killed in a mugging Down Below...or so it seems. Qwill's suspicious, especially when Willard's house-restoration project in Pickax falls into the hands of Danielle's cousin—whose rich new wife then dies on her honeymoon! The clues are confounding. But with Koko's help, Qwill intends to catch a thief—and a killer...

The Blacktongue Thief Christopher Buehlman,2021-05-25 Set in a world of goblin wars, stag-sized battle ravens, and assassins who kill with deadly tattoos, Christopher Buehlman's *The Blacktongue Thief* begins a 'dazzling' (Robin Hobb) fantasy adventure unlike any other. Kinch Na Shannack owes the Takers Guild a small fortune for his education as a thief, which includes (but is not limited to) lock-picking, knife-fighting, wall-scaling, fall-breaking, lie-weaving, trap-making, plus a few small magics. His debt has driven him to lie in wait by the old forest road, planning to rob the next traveler that crosses his path. But today, Kinch Na Shannack has picked the wrong mark. Galva is a knight, a survivor of the brutal goblin wars, and handmaiden of the goddess of death. She is searching for her queen, missing since a distant northern city fell to giants. Unsuccessful in his robbery and lucky to escape with his life, Kinch now finds his fate entangled with Galva's. Common enemies and uncommon dangers force thief and knight on an epic journey where goblins hunger for human flesh, krakens hunt in dark waters, and honor is a luxury few can afford. "The Blacktongue Thief is fast and fun and filled with crazy magic. I can't wait to see what Christopher Buehlman does next. - Brent Weeks, New York Times bestselling author of the *Lightbringer* series At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Redemption of Althalus David Eddings,Leigh Eddings,2001-10-30 David and Leigh Eddings were mythmakers and world builders of the first order. With *The Redemption of Althalus*, the authors of the Belgariad and Malloreon sagas created a thrilling stand-alone epic—boldly written and brilliantly imagined. It would be sheer folly to try to conceal the true nature of Althalus, for his flaws are the stuff of legend. He is, as all men know, a thief, a liar, an occasional murderer, an outrageous braggart, and a man devoid of even the slightest hint of honor. Yet of all the men in the world, it is Althalus, unrepentant rogue and scoundrel, who will become the champion of humanity in its desperate struggle against the forces of an ancient god determined to return the universe to nothingness. On his way to steal *The Book* from the House at the End of the World, Althalus is confronted by a cat--a cat with eyes like emeralds, the voice of a woman, and the powers of a goddess. She is Dweia, sister to The Gods and a greater thief even than Althalus. She must be: for in no time at all, she has stolen his heart. And more. She has stolen time itself. For when Althalus leaves the House at the End of the World, much wiser but not a day older than when he'd first entered it, thousands of years have gone by. But Dweia is not the only one able to manipulate time. Her evil brother shares the power, and while Dweia has been teaching Althalus the secrets of *The Book*, the ancient God has been using the dark magic of his own *Book* to rewrite history. Yet all is not lost. But only if Althalus, still a thief at heart, can bring together a ragtag group of men, women, and children with no reason to trust him or each other. Praise for *The Redemption of Althalus* “Highly recommended . . . Featuring a cast of engaging characters, some fanciful plot twists, and a light-hearted atmosphere that should appeal strongly to fans and first-time readers alike.”—Library Journal “The story takes off. The interactions between characters, straightforward plotting, and doses of wry humor keep the tale humming.”—Booklist “An engaging young reprobate hero . . . [A] magical realm of good-natured fun.”—Publishers Weekly “A compelling, involving story.”—Science Fiction Chronicle

Rememory John Gregory Betancourt,2014-07-22 For catmen Hangman and Slash, prowling the burned-out urban Sprawl is the ideal life. These genetically modified people live to rip off hot cargoes from rival animen. It's a fine life of thief vs. thief...cat vs. dog... Fine, that is, until Slash scores a take that's a little too hot: the PED spy-eye, a top-secret sense-recorder implant that turns the human brain into a perfect playback machine. Any brain, living or dead... And there are those who will stop at nothing to get this particular set of memories back! By best-selling science fiction and mystery author John Gregory

Betancourt, this novel was originally published by Warner Books in 1990.

The Raven's Tale Cat Winters,2019-04-16 A teenage Edgar Allan Poe attempts to escape the allure of his Muse in this YA novel—"a darkly delicious tale that's sure to haunt readers forevermore" (Kerri Maniscalco, #1 New York Times bestselling author) Seventeen-year-old Edgar Poe counts down the days until he can escape his foster family—the wealthy Allans of Richmond, Virginia. He hungers for his upcoming life as a student at the prestigious new university, almost as much as he longs to marry his beloved Elmira Royster. However, on the brink of his departure, all of Edgar's plans go awry when a macabre Muse named Lenore appears to him. Muses are frightful creatures that lead Artists down a path of ruin and disgrace, and no respectable person could possibly understand or accept them. But Lenore steps out of the shadows with one request: "Let them see me!"
