*Lessons in Becoming Myself* Ellen Burstyn,2007-10-02 A deeply personal and electrifying memoir by Ellen Burstyn, renowned actress and six-time Academy Award nominee. By the time Ellen Burstyn arrived in New York to study acting, she'd already worked as a Texas fashion model, a Montreal chorus girl, suffered numerous toxic relationships, and just as many name changes and spiritual paths. Theater legend Moss Hart called her a natural but Ellen Burstyn was still trying to discover who she was. This is the graceful story of a personal and professional quest, a life-long journey-by turns triumphant and terrifying, tragic and funny, thoughtful and illuminating.

*The Miracle Case* Laura Wittern-Keller,Raymond J. Haberski,2008 Examines the Supreme Court's unanimous 1952 decision in favor of a film exhibitor who had been denied a license to show the controversial Italian film, *Il Miracolo*. The ruling was a watershed event in the history of film censorship, ushering in a new era of mature--and sophisticated--American filmmaking.

*Auntie Claus* Elise Primavera,1999 When her eccentric Auntie Claus leaves for her annual business trip, Sophie Kringle stows away in her luggage, travels with her to the North Pole, and discovers that her aunt is really Santa's sister and helper. Beautiful illustrations add warmth to a delightful storyline.

*Living on a Song a Day* Rayne O'Brian,2020-11-21 Like one of her beloved muses, the Surrealist painter René Magritte, Rayne O'Brian understands that behind every object there exists another entity. She is kin to the ancient Hasidic rebbes, consorting with the spirit that all matter embodies and calling it forth for our edification and delight. Magritte believed that in a beleaguered world it is much easier to terrorize than to charm. And so, in these gentle, inventive and surprising poems, the poet chooses, as the great painter once said, 'to celebrate joy for the eyes and the mind.' It is no accident then that in Rayne O'Brian's realm a simple kitchen table can speak as movingly as any human. 'Whatever you bring me I love, ' it says, inviting us to sit down and stay awhile. Rayne O'Brian lives north of the Golden Gate Bridge in a yellow Victorian with her two long-haired dictionaries. *Living on a Song a Day* is her debut collection of poems.

**Victorian Education and the Ideal of Womanhood** Joan N. Burstyn,2016-11-18 This study, first published in 1980, argues that higher education for women was accepted by the end of the nineteenth-century, and higher education was becoming a desirable preparation for teachers in girls' schools. By accepting the opponents' claim that higher education for women had the potential to revolutionise relations between the sexes, this fascinating book demonstrates how the relevance of the nineteenth-century serves to enhance our understanding of the contemporary women's movement. This title will be of interest to students of history and education.

*Water, Inc.* Varda Burstyn,2005-04-17 Years of drought have given the United States a terrible thirst and turned water into blue gold. A powerful agrichemical magnate and corporate visionary, William Greele, puts a consortium together to pipe water down from northern Quebec. Politicians and federal security agencies ride shotgun for him at home, while in Quebec his path is cleared - and covered - by a brilliant, existentially torn deputy minister. Stealth and deception are crucial to the project's success. But Malcolm Macpherson, a Seattle aerospace executive and conservationist, finds out about the pipeline. Appalled, he appeals to rebel-girl Claire Davidowicz, director of eco-Justice USA, to stop it. Soon they've enlisted a Quebec law professor, a feisty British journalist, three rogue policemen, a reluctant eco-terrorist, and a maverick Vermont governor. It's a heart-pounding, deadly race as they desperately try to figure out how to save the continent - and their own lives - before it's too late. Ranging across the US, into the cities and beautiful wilderness of Quebec, and reaching as far as Mexico, Lisbon, and Brussels, *Water Inc.* is a tale of greed, heroism, clashing loyalties, love, and mortal risk.--BOOK JACKET.

**Preventing Violence in Schools** Joan N. Burstyn,Geoff Bender,Ronnie Casella,Howard W. Gordon,Domingo P. Guerra,2001-04 This study examines the complex problem of school violence using qualitative and ethnographic data from observations, individual interview and focus groups, as well as published data. The book also analyzes violence programmes and assesses their effectiveness.

*The Art of Whisky* Ernie Button,2022-05-10 This amazing celebration of single malt Scotch takes a unique photographic perspective that highlights the nature of the spirits in startlingly beautiful ways. The Art of Whisky is a breathtaking and unusual gift book for whisky connoisseurs, celebrating the spirit from an unexpectedly beautiful angle. By chance, award-winning photographer Ernie Button noticed the intricate patterns formed in the residue at the bottoms of (almost) empty whisky glasses—each as different as a snowflake—and began photographing them with inventive lighting techniques. The resulting images are exquisitely gorgeous, evoking earthly landscapes and extraterrestrial visions. This book collects nearly 100 of those photos—each one more amazing than the last—and features delightful touches such as tasting notes, information on the science of what we're seeing, and writing about single malt Scotch by Scotland's leading whisky expert Charles MacLean, commissioned exclusively for this book. UNUSUAL GIFT FOR THE WHISKY CONNOISSEUR: Surprise the spirit-lover in your life with this gorgeous photography book that highlights the uniqueness of whisky from an unexpected and beautiful angle. ART, SCIENCE, AND WHISKY—A DELICIOUS COMBINATION: The captivating photographs begin with the qualities that make single malt scotch so exquisite, get an assist from the natural wonder of fluid dynamics, and a finish of artful production that makes each unique and surprising. CONTRIBUTING WRITERS: Princeton University Professor Howard A. Stone, who has studied and published on the science behind Button's Vanishing Spirits photographs, contributes a text on the science of what we see. Renowned whisky expert and author Charles MacLean writes here on the unique qualities of single malt scotch and contributes notes about the special aspects of Scotland's whisky-producing regions. Perfect for:The perfect gift for whisky enthusiasts and connoisseurs, as well as fans of unusual, captivating photography

**Tree of Strangers** Barbara Sumner,2020-09-10 'I live at the end of a gravel road at the top of a valley consumed by bush. My husband is here, and my three girls. But the bush swallows them up like the road.' I wrote those words at the kitchen table in 1983. A letter to the mother I'd never met. But how do you convey your life in a few sentences when almost every memory is missing? Barbara Sumner grew up in a family filled with secrets and lies. At twenty-three she decided she had to find her mother. Remarkable, moving, beautifully written, *Tree of Strangers* is a ripping account of a search for identity in a country governed by adoption laws that deny the rights of the adopted person.

*Wish You Well* David Baldacci,2000-10-01 Following a family tragedy, siblings Lou and Oz must leave New York and adjust to life in the Virginia mountains--but just as the farm begins to feel like home, they'll have to defend it from a dark threat in this New York Times bestselling coming-of-age story. Precocious twelve-year-old Louisa Mae Cardinal lives in the hectic New York City of 1940 with her family. Then tragedy strikes--and Lou and her younger brother, Oz, must go with their invalid mother to live on their great-grandmother's farm in the Virginia mountains. Suddenly Lou finds herself growing up in a new landscape, making her first true friend, and experiencing adventures tragic, comic, and audacious. When a dark, destructive force encroaches on her new home, her struggle will play out in a crowded Virginia courtroom...and determine the future of two children, an entire town, and the mountains they love.

*How to Make an American Quilt* Whitney Otto,2015-05-20 "Remarkable . . . It is a tribute to an art form that allowed women self-expression even when society did not. Above all, though, it is an affirmation of the strength and power of individual lives, and the way they cannot help fitting together."—The New York Times Book Review An extraordinary and moving novel, *How to Make an American Quilt* is an exploration of women of yesterday and today, who join together in a uniquely female experience. As they gather year after year, their stories, their wisdom, their lives, form the pattern from which all of us draw warmth and comfort for ourselves. The inspiration for the major motion picture featuring Winona Ryder, Anne Bancroft, Ellen Burstyn, and Maya Angelou Praise for *How to Make an American Quilt* "Fascinating . . . highly original . . . These are beautiful individual stories, stitched into a profoundly moving

whole. . . . A spectrum of women's experience in the twentieth century."—Los Angeles Times "Intensely thoughtful . . . In Grasse, a small town outside Bakersfield, the women meet weekly for a quilting circle, piercing together scraps of their husbands' old workshirts, children's ragged blankets, and kitchen curtains. . . . Like the richly colored, well-placed shreds that make up the substance of an American quilt, details serve to expand and illuminate these characters. . . . The book spans half a century and addresses not only [these women's] histories but also their children's, their lovers', their country's, and in the process, their gender's."—San Francisco Chronicle "A radiant work of art . . . It is about mothers and daughters; it is about the estrangement and intimacy between generations. . . . A compelling tale."—The Seattle Times

**Hollywood Hex** Mikita Brottman, 1999 A unique addition to the scant literature which examines those films that have in one way or another been associated with death. Starting with, the earliest Hollywood suicides and jinxed movies to the death cult of James Dean, to links with, Charles Manson, Satanic churches, snuff culture, and mass murders, plus the mysterious death of, Bruce Lee, and the equally strange demise of his son Brandon, HOLLYWOOD HEX discloses the dark, enigmatic connections between cinematic narratives, and human catastrophe, forming a psychogeographic study of this fascinating Dream factory.

**Inside Inside** James Lipton, 2007-10-18 Over the years, Inside the Actors Studio has brought more than 200 of the world's most celebrated actors, directors, writers and performing artists into 84,000,000 homes in America and 125 countries around the world. You will witness, in unprecedented close-up, the wit, wisdom and candor of a galaxy of stars, from Al Pacino, Barbra Streisand, Robin Williams and Steven Spielberg to Meryl Streep, Tom Hanks, Angelina Jolie, Johnny Depp and many more. With the same candor he demands of his guests, James Lipton also reveals a life that began under the tutelage of a poet, his father, and a teacher, his mother; continued in the orbit of theatrical giants like Stella Adler; and, as writer and producer, took him to the White House with two presidents, the Great Wall of China with Bob Hope, and legendary days and nights in New York, London, and Paris with "the heroes of his life" and ours. This book is a sincere and passionate celebration of the arts and artists we admire—and thought we knew until this moment.

**Easy Riders Raging Bulls** Peter Biskind, 2011-12-13 In 1969, a low-budget biker movie, Easy Rider, shocked Hollywood with its stunning success. An unabashed celebration of sex, drugs, and rock 'n' roll (onscreen and off), Easy Rider heralded a heady decade in which a rebellious wave of talented young filmmakers invigorated the movie industry. In Easy Riders, Raging Bulls, Peter Biskind takes us on the wild ride that was Hollywood in the '70s, an era that produced such modern classics as The Godfather, Chinatown, Shampoo, Nashville, Taxi Driver, and Jaws. Easy Riders, Raging Bulls vividly chronicles the exuberance and excess of the times: the startling success of Easy Rider and the equally alarming circumstances under which it was made, with drugs, booze, and violent rivalry between costars Dennis Hopper and Peter Fonda dominating the set; how a small production company named BBS became the guiding spirit of the youth rebellion in Hollywood and how, along the way, some of its executives helped smuggle Huey Newton out of the country; how director Hal Ashby was busted for drugs and thrown in jail in Toronto; why Martin Scorsese attended the Academy Awards with an FBI escort when Taxi Driver was nominated; how George Lucas, gripped by anxiety, compulsively cut off his own hair while writing Star Wars, how a modest house on Nicholas Beach occupied by actresses Margot Kidder and Jennifer Salt became the unofficial headquarters for the New Hollywood; how Billy Friedkin tried to humiliate Paramount boss Barry Diller; and how screenwriter/director Paul Schrader played Russian roulette in his hot tub. It was a time when anything goes experimentation prevailed both on the screen and off. After the success of Easy Rider, young film-school graduates suddenly found themselves in demand, and directors such as Francis Coppola, Peter Bogdanovich, George Lucas, and Martin Scorsese became powerful figures. Even the new generation of film stars -- Nicholson, De Niro, Hoffman, Pacino, and Dunaway -- seemed a breed apart from the traditional Hollywood actors. Ironically, the renaissance would come to an end with Jaws and Star Wars, hugely successful films that would create a blockbuster mentality and crush innovation. Based on hundreds of interviews with the directors themselves, producers, stars, agents, writers, studio executives, spouses, and ex-spouses, this is the full, candid story of Hollywood's last golden age. Never before have so many celebrities talked so frankly about one another and about the drugs, sex, and money that made so many of them crash and burn. By turns hilarious and shocking, Easy Riders, Raging Bulls is the ultimate behind-the-scenes account of Hollywood at work and play.

**The Little Flower of East Orange** Stephen Adly Guirgis, 2009-02-03 When Therese Marie arrives in the emergency room of a small hospital in the Bronx, suffering from hypothermia and in shock, no one there knows her story. To the doctors and nurses, she is just another abandoned elderly woman who can't even tell them her name. But Therese Marie's dementia is not all that it seems. And when her prodigal son, Danny, returns to New York, Therese Marie must fight to maintain her dignity in light of her son's insistence on confronting the ugly secrets of their past. In this unconventional family drama, Stephen Adly Guirgis gives us a mother and son who must face a long family legacy of abuse in order to find the true meaning of grace.

**Where are My Shoes?** Rochel Burstyn, 2014

**The Exorcist** William Peter Blatty, 2011-10-04 A horror story for all midnights. — The Boston Globe Inspired by the shockingly true story of a child's demonic possession in the 1940s, William Peter Blatty's iconic novel focuses on Regan, the eleven-year-old daughter of a movie actress residing in Washington, D.C. When sweet Regan's behavior turns sinister, a small group of overwhelmed yet determined individuals take it upon themselves to rescue the poor girl from her unspeakable fate. Timeless and terrifying, The Exorcist is a story that has gripped the public zeitgeist for more than half a century. Originally published in 1971, it remains one of the most controversial novels ever written. A literary phenomenon soon after its release, it spent fifty-seven weeks on the New York Times bestseller list, seventeen consecutively at number one. It also became a wildly popular motion picture, garnering ten Academy Award nominations. On the opening day of the film, lines of fans stretched around city blocks. In Chicago, frustrated moviegoers used a battering ram to gain entry through the double side doors of a theater. In Kansas City, police used tear gas to disperse an impatient crowd who tried to force their way into a cinema. The three major television networks carried footage of these events, and CBS's Walter Cronkite devoted almost ten minutes to the story. The Exorcist was, and is, more than just a novel and a film: it is a true landmark of American culture. . . . and a reflection of our innermost fears. Purposefully raw and profane, The Exorcist continues to engross and disturb readers. It remains an unforgettable reading experience that will continue to shock and frighten new generations of readers.
