**China High** ,2009-03-31 Born in Shanghai but raised in America, ZZ, an adventurous young lawyer, moves to Beijing to make his fortune. After a stint at a Chinese law firm, ZZ goes into business for himself, first as an independent lawyer and then as an entrepreneur when he starts a company called Foodiez, which provides delivery service for multiple restaurants around Beijing. ZZ spends his days lounging in run-down Café 44 and his nights at clubs in the company of some of the city s most beautiful women. ZZ enjoys the privilege of being an exalted foreigner with knowledge of the language and culture. But ZZ s charmed life comes crashing down around him when he s arrested for smoking a joint laced with morphine and finds himself facing 14 days in jail and a possible eight-month mandatory rehab stint. The jail time proves a harsh awakening for ZZ, who does some serious soul-searching while behind bars. ZZ s crisp, jaunty memoir offers a unique look at Chinese culture as well as his own compelling journey to adulthood and enlightenment.

**Lam chi phat (English version)** Tri Lam,2001-01-15 Memoir of an overseas Chinese family in South Vietnam. Life during the French colonial times and the Japanese occupation, during the Vietnam war and after the war. War, kidnapping, imprisonment, intrigue and escape provide much of the action. The story of Lam's family, one amongst the very few who had suffered two Communist regimes, mirrors the vicissitudes of Chinese and Indochinese history in the 20th century. It reveals to us another time, another land, another way of life, and members of a gentle family rich in courage. A compelling memoir, a gentle family whose solidarity, hard work are a testament to the endurance of the human spirit. -- Midwest Book Review October 2001 (Amazon.com)

The Culture of the Chinese Minority in Indonesia Leo Suryadinata,2004 The ethnic Chinese minority in Indonesia is a heterogeneous group. Many have been acculturated and have generated an Indonesian Chinese culture that is unique and yet deeply rooted in Indonesian society. In education, literature and the press, the ethnic Chinese have been largely assimilated into local society. In religion, assimilation has taken on a different form: Chinese minority religions are highly Indonesianized while retaining some Chinese characteristics. Ironically, the success of the ethnic Chinese in the economic field can be attributed not to their acculturation, but to their migrant culture and ethos, as well as the Chinese networks in Southeast Asia and beyond. The ten papers in this book some previously published, all substantially revised and updated to include recent developments adopt a thematic and historical approach in examining the developing of ethnic Chinese culture and society in Indonesia.

*From a Chinese City* Gontran de Poncins,1991 A French traveler describes the spirit of ancient China as it is manifested in Cholon, a city in South Vietnam. Forty-two on-the-spot halftone drawings.
