Claws for Celebration Linda Reilly, 2018-12-04 Fur flies between contestants during a holiday bake-off leading to a not-so-festive fatality in this charming mystery from the author of *Claws of Death*. Feline deadly this Christmas . . . Whisker Jog, New Hampshire, celebrates all things Christmas, and few things are more beloved than the town's annual holiday cookie competition. Lara Caphart, who runs the High Cliff Shelter for Cats with her Aunt Fran, is waiting for the green light for a brand-new category: pet-friendly cookies. But when the woman filling in as a last-minute judge dies after sampling someone's Santa-themed treat, Lara's recipe for healthy cat snacks will have to be put on the back burner. The victim, Gladys Plouffe, was the town's roundly despised former home economics teacher. The chief suspect is the mother of Lara's best friend, who was hellbent on walking away with the bake-off's cash prize. Cryptic clues from beyond the grave only deepen the mystery, pointing to a cat with striking blue eyes—a cat who bears an uncanny resemblance to Lara's mysterious Ragdoll. As Lara begins a dangerous game of cat and mouse, not even her significant other may be able to stop a perfectly clawful killer from getting away with the purr-fect crime . . . Praise for Linda Reilly's *Deep Fried Mysteries* "I thoroughly enjoyed this puzzler of a mystery. Reilly cooks up a perfect recipe of murder and mayhem in this charming cozy."—Jenn McKinlay, New York Times bestselling author "Smart, sassy, and a little bit scary. Everything a good cozy should be!"—Laura Childs, New York Times bestselling author

Comics and Pop Culture Barry Keith Grant, Scott Henderson, 2019-12-13 It is hard to discuss the current film industry without acknowledging the impact of comic book adaptations, especially considering the blockbuster success of recent superhero movies. Yet transmedial adaptations are part of an evolution that can be traced to the turn of the last century, when comic strips such as “Little Nemo in Slumberland” and “Felix the Cat” were animated for the silver screen. Representing diverse academic fields, including technoculture, film studies, theater, feminist studies, popular culture, and queer studies, Comics and Pop Culture presents more than a dozen perspectives on this rich history and the effects of such adaptations. Examining current debates and the questions raised by comics adaptations, including those around authorship, style, and textual fidelity, the contributors consider the topic from an array of approaches that take into account representations of sexuality, gender, and race as well as concepts of world-building and cultural appropriation in comics from Modesty Blaise to Black Panther. The result is a fascinating re-imagination of the texts that continue to push the boundaries of panel, frame, and popular culture.

Strays Britt Collins, 2017-07-18 For fans of *A Street Cat Named Bob* and *Dewey: The Small-Town Library Cat Who Touched the World*, "this lovely, luminous story will warm your heart and make you laugh and want to share your life with a rescue cat" (Jeffrey Moussaieff Masson, author of *The Nine Emotional Lives of Cats*). Alcoholic and depressed, Michael King lives on the streets of Portland, Oregon, and sleeps in a UPS loading bay. One raining night, he stumbles upon a hurt, starving, scruffy cat cowering beneath a café table and takes her in. He names her Tabor, nurses her back to health, and she becomes something of a celebrity in Southeast Portland. When winter comes, they travel from Oregon to the beaches of California to the high plains of Montana, surviving blizzards,

bears, angry steers, and rainstorms. Along the way, people are drawn to the spirited, beautiful cat and are moved to help Michael, who cuts a striking figure with Tabor riding high on his backpack or walking on a leash. Tabor comforts Michael when he's down, giving him someone to love and care for, and inspiring him to get sober and to come to terms with his past family traumas and grief over the death of his life partner. As they make their way along the West Coast, the pair become inseparable, healing the scars of each other's troubled pasts. When Michael takes Tabor to a veterinarian in Montana, he discovers that Tabor has an identification chip and an owner in Portland who has never given up hope of finding his beloved cat. Michael is faced with the difficult choice of keeping Tabor or returning her to her rightful owner—and, once again, facing the streets alone.
