Hot Rod Pin-ups David Perry, David Perry, Foreword by Robt. Williams. For as long as young men have been channeling, chopping, and hopping up rods and customs, women - whether loyal girlfriends or trouble-seeking bad girls - have been an integral to their scene. In this unique portfolio evoking great 1950s pin-up artists like Vargas and Elvgren, talented photographer David Perry depicts models in and out of cherry-picked rods and customs wearing painstakingly chosen period dress and hairstyles. More than 100 photos present these modern-day pin-ups under three themes: Garage, Cruising, and Race. In addition, essays explore each topic and are also accompanied by pulp novel covers, period mags, and ads that place the photography in a historical context. Captions identify the car owners, photo location, and, where appropriate, interesting car specs and histories.

Rat Fink Ed Roth,2003 Born in Los Angeles and raised in the epicentre of the California hot rod explosion, Ed Roth created automotive forms purely from his own imagination. Evil Harvest Rod Colvin,2012-02-01 On a peaceful August morning in 1985, grim-face FBI agents led a dawn raid on an eighty-acre farm outside Rulo, Nebraska, said to be occupied by a group of religious survivalists led by the charismatic Mike Ryan. What they found on the farm shocked even experience investigators. For months Ryan's Nebraska neighbors spoke in whispers of gunfire in the night, the disappearance of women and children, neo-Nazis and white supremacists. But little did the locals know what was happening to those Mike Ryan decided to punish for their "sins." In Evil Harvest, Rod Colvin re-creates a chilling story of torture, hate, and perversion, and how good, ordinary people could be pulled into a destructive, religious cult—a cult that committed unthinkable acts in the name of God.

He has no idea that his dream home is about to become his worst nightmare... The Cranmers seemed fated to own the house at 3406 Brownsville Road. As a young boy, Bob had been drawn to the property, and, just when the family decided to move back to Brentwood, it went up for sale. The Devil In The White City Erik Larson,2010-09-30 'An irresistible page-turner that reads like the most compelling, sleep defying fiction' TIME OUT One was an architect. The other a serial killer. This is the incredible story of these two men and their realization of the Chicago World's Fair of 1893, and its amazing 'White City'; one of the wonders of the world. The architect was Daniel H. Burnham, the driving force behind the White City, the massive, visionary landscape of white buildings set in a wonderland of canals and gardens. The killer was H. H. Holmes, a handsome doctor with striking blue eyes. He used the attraction of the great fair - and his own devilish charms - to lure scores of young women to their deaths. While Burnham overcame politics,

infighting, personality clashes and Chicago's infamous weather to transform the swamps of Jackson Park into the greatest show on Earth, Holmes built his own edifice just west of the fairground. He called it the World's Fair Hotel. In reality it was a torture palace, a gas chamber, a crematorium. These two disparate but driven men are brought to life in this mesmerizing, murderous tale of the legendary Fair that transformed America and set it on course for the twentieth century . . .

The Demon in the Freezer Richard Preston, 2003-08-26 "The bard of biological weapons captures the drama of the front lines."—Richard Danzig, former secretary of the navy The first major bioterror event in the United States—the anthrax attacks in October 2001—was a clarion call for scientists who work with "hot" agents to find ways of protecting civilian populations against biological weapons. In *The Demon in the Freezer*, his first nonfiction book since *The Hot Zone*, a #1 New York Times bestseller, Richard Preston takes us into the heart of Usamriid, the United States Army Medical Research Institute of Infectious Diseases at Fort Detrick, Maryland, once the headquarters of the U.S. biological weapons program and now the epicenter of national biodefense. Peter Jahrling, the top scientist at Usamriid, a wry virologist who cut his teeth on Ebola, one of the world's most lethal emerging viruses, has ORCON security clearance that gives him access to top secret information on bioweapons. His most urgent priority is to develop a drug that will take on smallpox—and win. Eradicated from the planet in 1979 in one of the great triumphs of modern science, the smallpox virus now resides, officially, in only two high-security freezers—at the Centers for Disease Control in Atlanta and in Siberia, at a Russian virology institute called Vector. But the demon in the freezer has been set loose. It is almost certain that illegal stocks are in the possession of hostile states, including Iraq and North Korea. Jahrling is haunted by the thought that biologists in secret labs are using genetic engineering to create a new superpox virus, a smallpox resistant to all vaccines. Usamriid went into a state of Delta Alert on September 11 and activated its emergency response teams when the first anthrax letters were opened in New York and Washington, D.C. Preston reports, in unprecedented detail, on the government's response to the attacks and takes us into the ongoing FBI investigation. His story is based on interviews with top-level FBI agents and with Dr. Steven Hatfill. Jahrling is leading a team of scientists doing controversial experiments with live smallpox virus at CDC. Preston takes us into the lab where Jahrling is reawakening smallpox and explains, with cool and devastating precision, what may be at stake if his last bold experiment fails.

I Love Jesus, But I Want to Die Sarah J. Robinson, 2021-05-11 A compassionate, shame-free guide for your darkest days "A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized."—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to "choose joy" and "pray more." So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you're left wondering if God has abandoned you. You just want a way out. But there's hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.

In with the Devil James Keene, Hillel Levin, 2010-09-28 The basis for the Apple TV+ show *Black Bird*. In with the Devil presents the true story of a young man destined for greatness on the football field—until a few wrong turns led him to a ten-year prison sentence. He was offered an impossible mission: Coax a confession out of a fellow inmate, a serial killer, and walk free. Jimmy Keene grew up outside of Chicago. Although he was the son of a policeman and rubbed shoulders with the city's elite, he ended up on the wrong side of the law and was sentenced to ten years with no chance of parole. Just a few months into his sentence, Keene was approached by the prosecutor who put him behind bars. He had convicted a man named Larry Hall for abducting and killing a fifteen-year-old. Although Hall was suspected of killing nineteen other young women, there was a chance he could still be released on appeal. If Keene could get him to confess to two murders, there would be no doubt about Hall's guilt. In return, Keene would get an unconditional release from prison. But he could also get killed. A story that gained national notoriety, this is Keene's powerful tale of peril, violence, and redemption.
