Alexandra Alessandri

*Hell and Gone* Sam Wiebe,2021-10-23 A captivating new thriller in the Wakeland detective series that explores the depths of Vancouver’s criminal underworld. Caught between the grimy and glittering sides of Vancouver’s streets, private investigator Dave Wakeland tries to keep his head down at the elite security firm he owns with partner Jeff Chen. But when masked men and women storm an ordinary-looking office building in Chinatown, leaving a trail of carnage, Wakeland finds himself caught up in a mystery that won’t let him go, as hard as he tries to elude it. The police have a vested interest in finding the shooters, and so does the leader of the Exiles motorcycle gang. Both want Wakeland’s help. The deeper he investigates, the more connections he uncovers: to a reclusive millionaire with ties to organized crime, an international security company with a sinister reputation, and a high-ranking police officer who seems to have a personal connection to the case. When the shooters themselves start turning up dead, Wakeland realizes the only way to guarantee his own safety, and that of the people he loves, is by finding out who hired the shooters and why. What Wakeland uncovers are secrets no one wants known—a botched undercover operation, an ambitious gangster and a double-crossing killer who used the shooting to cover up another crime. With a setup like this, anything can go wrong, and does. Skill and luck are needed for Wakeland and Chen to emerge with the killers, the money and their own lives.

*Pen & Ink* Isaac Fitzgerald,Wendy MacNaughton,2014-10-07 Why did you get that tattoo? Every tattoo tells a story, whether the ink is meaningful or the result of a misguided decision made at the age of fourteen, representative of the wearer's true self or the accidental consequence of a bender. These most permanent of body adornments are hidden by pants legs and shirt tails, emblazoned on knuckles, or tucked inside mouths. They are battle scars and beauty marks, totems and mementos. *Pen & Ink* grants us access to the tattoos of writers Cheryl Strayed, Tao Lin, and Roxane Gay; rockers in the bands Korn, Otep, and Five Finger Death Punch; and even a porn star. But it also illuminates the tattoos of the ordinary people living in our midst—from professors to thrift store salespeople, cafe owners to librarians, union organizers to administrators—and their extraordinary lives. Curated and edited by Isaac Fitzgerald, who sports ten tattoos himself, each story features Wendy MacNaughton's stylish full color illustrations of the tattoos on black-and-white drawings of the bearer's body. At its heart, beneath its colorful skin, *Pen & Ink* is an exploration of the decision to scar one's self with a symbol and a story--

**Summer of Night** Dan Simmons,2011-07-05 This masterfully crafted horror classic, featuring a brand-new introduction by Dan Simmons, will bring you to the edge of your seat, hair standing on end and blood freezing in your veins It's the summer of 1960 and in the small town of Elm Haven, Illinois, five twelve-year-old boys are forging the powerful bonds that a lifetime of change will not break. From sunset bike rides to shaded hiding places in the woods, the boys' days are marked by all of the secrets and silences of an idyllic middle-childhood. But amid the sundrenched cornfields their loyalty will be pitilessly tested. When a long-silent bell peals in the middle of the night, the townsfolk know it marks the end of their carefree days. From the depths of the Old Central School, a hulking fortress tinged with the mahogany scent of coffins, an invisible evil is rising. Strange and horrifying events begin to overtake everyday life, spreading terror through the once idyllic town. Determined to exorcize this ancient plague, Mike, Duane, Dale, Harlen, and Kevin must wage a war of blood—against an arcane abomination who owns the night...

**Goodnight Brew** Karla Oceanak,2014-09-23 It's closing time at the brewery. While the moon rises, the happy crew sings and dances as they wind down for the day. Join them in saying goodnight to the beer-making equipment, brew ingredients, and styles of suds. This humorous parody of a children's literature classic is a pitcher book for grown-ups. It's the perfect anytime story for beer lovers everywhere!

*Ramadan* Suhaib Hamid Ghazi,1996 Describes the celebration of the month of Ramadan by an Islamic family and discusses the meaning and importance of this holiday in the Islamic religion.

*Feliz New Year, Ava Gabriela!* Alexandra Alessandri,2020-10-01 2020 Florida Book Awards, Young Children's Literature category, Silver Award 2021 International Latino Book Awards Bronze medal in The Mariposa Book Awards Best First Book, Children & Youth category STARRED REVIEW! This gentle family story lets readers know that shyness is nothing to worry about.—Kirkus Reviews starred review Ava's excited to say goodbye to el Año Viejo—but will her shyness keep her from joining in the celebration? Ava Gabriela is visiting her extended family in Colombia for the holidays. She's excited to take part in family traditions such as making bunuelos, but being around all her loud relatives in an unfamiliar place makes Ava shy and quiet. How will Ava find her voice before she misses out on all the New Year's fun?

**Goodnight, Goodnight Construction Site** Sherri Duskey Rinker,2013-11-12 The #1 New York Times bestselling children's book A standout picture book, especially for those who like wheels with their dreams. —Booklist, starred review As the sun sets behind the big construction site, all the hardworking trucks get ready to say goodnight. One by one, Crane Truck, Cement Mixer, Dump Truck, Bulldozer, and Excavator finish their work and lie down to rest—so they'll be ready for another day of rough and tough construction play! • Author Sherri Duskey Rinker's sweet rhyming text soothes little ones into a peaceful rest • Full of irresistible artwork by illustrator Tom Lichtenheld • Goodnight, Goodnight, Construction Site is the perfect read-aloud This popular, timeless nighttime story continues to delight families everywhere! • Ideal for children ages 3 to 5 years old • Great for young construction fans • This adorable hardcover bedtime book is a go-to gift for any occasion

**Confessions of an Economic Hit Man** John Perkins,2004-11-09 Perkins, a former chief economist at a Boston strategic-consulting firm, confesses he was an economic hit man for 10 years, helping U.S. intelligence agencies and multinationals cajole and blackmail foreign leaders into serving U.S. foreign policy and awarding lucrative contracts to American business.

**Star Wars Origami** ,2012-08-07 Kids love origami—and what could be cooler than transforming a piece of paper into Boba Fett, Princess Leia, Yoda, or R2-D2? And not just any paper, but custom-designed paper illustrated with art from the movies. *Star Wars® Origami* marries the fun of paper folding with the obsession of *Star Wars*. Like *The Joy of Origami* and *Origami on the Go*, this book puts an original spin on an ancient art. And like *Star Wars® Scanimation®* and *Star Wars® Fandex®*, it's a fresh take on *Star Wars* mania. Chris Alexander is a master folder and founder of the popular website *StarWarsOrigami.com*, and here are 36 models, clearly explained, that range in difficulty from Youngling (easy) to Padawan (medium), Jedi Knight (difficult), and Jedi Master (tricky!). A front section introduces origami definitions and basic folds. Bound in the back is the book's unique folding paper, two sheets for each figure. Illustrated with original art, it makes each creation—the essential lightsabers, the Death Star, and much more—true to the movies. *Star Wars Origami* includes a foreword by Tom Angleberger, author of the New York Times bestsellers *The Strange Case of Origami Yoda* and *Darth Paper Strikes Back*, and is scheduled to be published at the same time as Angleberger's upcoming book, *The Secret of the Fortune Wookiee*.

**Radical Virtuosity** Genevieve Hyacinthe,2019-10-29 Reclaiming the artist Ana Mendieta as a formally innovative maker of performative art who forged connections to the marginalized around the world. The artist Ana Mendieta (1948–1985) is remembered as the creator of powerful works expressing a vibrant and unflinching second-wave feminist sensibility. In *Radical Virtuosity*, art historian Genevieve Hyacinthe offers a new view of Mendieta, connecting her innovative artwork to the art, cultural aesthetics and concerns, feminisms, and sociopolitical messages of the black Atlantic. Mendieta left Cuba as a preteen, fleeing the Castro regime, and spent years in U.S. foster care. Her sense of exile, Hyacinthe argues, colors her work. Hyacinthe examines the development of Mendieta's performative artworks—particularly the *Siluetas* series (1973–1985), which documented the silhouette of her body in the earth over time (a series “without end,” Mendieta said)—and argues that these works were shaped by Mendieta's appropriation and reimagining of Afro-Cuban ritual. Mendieta's effort to create works that invited audience participation, Hyacinthe says, signals her interest in forging connections with the marginalized, particularly those of the black Atlantic and Global South. Hyacinthe describes the “counter entropy” of Mendieta's small-scale earthworks (contrasting them with more massive works created by Robert Smithson and other male artists); considers the resonance of Mendieta's work with the contemporary practices of black Atlantic female artists including Wangechi Mutu, Renee Green, and Damali Abrams; and connects Mendieta's artistic and political expressions to black Atlantic feminisms of such popular artists as Princess Nokia. Mendieta's life and work are often overshadowed in popular perception by her early and tragic death—at thirty-six, she plunged from the window of the thirty-fourth floor Greenwich Village apartment she shared with her husband, the artist Carl Andre. (Andre was charged with her murder and acquitted.) Hyacinthe's account—profusely illustrated, with many images in color—reclaims Mendieta's work and legacy for its artistic significance.

**The Moon Within (Scholastic Gold)** Aida Salazar,2019-02-26 The dazzling story of a girl navigating friendship, family, and growing up, an Are

You There God, It's Me Margaret? for the modern day, from debut author Aida Salazar. \*\*\*\*Four starred reviews!\*\*\*\*\* A worthy successor to Are You There God? It's Me, Margaret set in present-day Oakland. -- Kirkus Reviews, starred review Celi Rivera's life swirls with questions. About her changing body. Her first attraction to a boy. And her best friend's exploration of what it means to be genderfluid. But most of all, her mother's insistence she have a moon ceremony when her first period arrives. It's an ancestral Mexica ritual that Mima and her community have reclaimed, but Celi promises she will NOT be participating. Can she find the power within herself to take a stand for who she wants to be? A dazzling story told with the sensitivity, humor, and brilliant verse of debut talent Aida Salazar.

**Trenton Doyle Hancock** Denise Markonish, 2019-07-12 Trenton Doyle Hancock has created a world of characters through drawings, paintings, and installations and this field guide immerses readers in his creative process and inspirations. Trenton Doyle Hancock has transformed his childhood love of comic books, toys, and superhero culture into his own creation myth. That mythology and the fascinating, multimedia iterations that it has sparked are told in this captivating and revealing book. Accompanied by images of his paintings, drawings, and installations alongside pictures of his own vast toy and pop culture collections as well as pages from his forthcoming graphic novel, the artist traces the birth of the Mounds and Vegans--the plants and mutants that are forever at war--through which he explores good, evil, authority, race, moral relativism, and religion. Hancock takes readers inside his largest exhibition yet at MASS MoCA--a multi-media work that blends sculpture, painting, and installations to bring the Mounds' world to life. Included in this book are contributions by the exhibition curator Denise Markonish, an art historical essay about Hancock's paintings, and illuminating conversations between Hancock and some of his influences, including Frank Oz. With this book, Hancock merges his personal history with his imagination to create a rich panoply of color, image, and language. Copublished by MASS MoCA and DelMonico Books

**Brian Blomerth's Bicycle Day** Brian Blomerth, 2019 An illustrated, deep dive into Albert Hofmann's infamous Bicycle Day from Brian Blomerth.

**Making Comics** Lynda Barry, 2019-09-10 The idiosyncratic curriculum from the Professor of Interdisciplinary Creativity will teach you how to draw and write your story Hello students, meet Professor Skeletor. Be on time, don't miss class, and turn off your phones. No time for introductions, we start drawing right away. The goal is more rock, less talk, and we communicate only through images. For more than five years the cartoonist Lynda Barry has been an associate professor in the University of Wisconsin-Madison art department and at the Wisconsin Institute for Discovery, teaching students from all majors, both graduate and undergraduate, how to make comics, how to be creative, how to not think. There is no academic lecture in this classroom. Doodling is enthusiastically encouraged. Making Comics is the follow-up to Barry's bestselling Syllabus, and this time she shares all her comics-making exercises. In a new hand-drawn syllabus detailing her creative curriculum, Barry has students drawing themselves as monsters and superheroes, convincing students who think they can't draw that they can, and, most important, encouraging them to understand that a daily journal can be anything so long as it is hand drawn. Barry teaches all students and believes everyone and anyone can be creative. At the core of Making Comics is her certainty that creativity is vital to processing the world around us.

**The Third Wave** Samuel P. Huntington, 2012-09-06 Between 1974 and 1990 more than thirty countries in southern Europe, Latin America, East Asia, and Eastern Europe shifted from authoritarian to democratic systems of government. This global democratic revolution is probably the most important political trend in the late twentieth century. In The Third Wave, Samuel P. Huntington analyzes the causes and nature of these democratic transitions, evaluates the prospects for stability of the new democracies, and explores the possibility of more countries becoming democratic. The recent transitions, he argues, are the third major wave of democratization in the modern world. Each of the two previous waves was followed by a reverse wave in which some countries shifted back to authoritarian government. Using concrete examples, empirical evidence, and insightful analysis, Huntington provides neither a theory nor a history of the third wave, but an explanation of why and how it occurred. Factors responsible for the democratic trend include the legitimacy dilemmas of authoritarian regimes; economic and social development; the changed role of the Catholic Church; the impact of the United States, the European Community, and the Soviet Union; and the snowballing phenomenon: change in one country stimulating change in others. Five key elite groups within and outside the nondemocratic regime played roles in shaping the various ways democratization occurred. Compromise was key to all democratizations, and elections and nonviolent tactics also were central. New democracies must deal with the torturer problem and the praetorian problem and attempt to develop democratic values and processes. Disillusionment with democracy, Huntington argues, is necessary to consolidating democracy. He concludes the book with an analysis of the political, economic, and cultural factors that will decide whether or not the third wave continues. Several Guidelines for Democratizers offer specific, practical suggestions for initiating and carrying out reform. Huntington's emphasis on practical application makes this book a valuable tool for anyone engaged in the democratization process. At this volatile time in history, Huntington's assessment of the processes of democratization is indispensable to understanding the future of democracy in the world.

**Illustoria: Issue #9: Food** Elizabeth Haidle, 2019-09-24 This food-themed issue features recipes for grapefruit, appreciations of potato chips, guides to the diets of literary giants, contributions by Tunde Olaniran, Mar Hernandez, Chef Tamearra Dyson, Brian McMullen, Hein Koh, and more. Illustoria is the beloved print magazine for creative kids and their grownups. We celebrate visual storytelling, makers and DIY culture through stories, art, comics, interviews, crafts and activities.

**Don Quixote** Miguel de Cervantes Saavedra, 1901

**An Unfinished Encyclopedia of Scale Figures without Architecture** Michael Meredith, Hilary Sample, MOS, 2019-01-08 More than 1,000 representations of the human figure in architectural drawings by architects ranging from Aalto to Zumthor, removed from their architectural context. Michael Meredith, Hilary Sample, and MOS present their rich findings on the human presence in architectural drawings not in any chronological or other linear order, but based on the convention of the encyclopedia, thus presenting (and perhaps deliberately condoning) surprise encounters made possible by the contingency created by alphabetical order..... From the contemporary perspective of a pluralistic world, the form of the encyclopedia may be particularly apt to represent such a vast body of material as is presented here: defying any linear historical account or master narrative, it invites the reader to construct his or her own readings of the material by establishing relationships between individual drawings. —From the foreword by Martino Stierli Throughout history, across radically different movements in Western culture, the human figure appears and reappears, in multiple guises, to remind us, the observers, of architectural purpose and of our mutual position in the world.... This encyclopedia has enlarged or reduced all figures to the same approximate scale. Meredith, Sample, and MOS have gathered them here in an unprecedented, intoxicating way, like being at a fabulous party. —From the afterword by Raymund Ryan Architects draw buildings, and the buildings they draw are usually populated by representations of the human figure—drawn, copied, collaged, or inserted—most often to suggest scale. It is impossible to represent architecture without representing the human form. This book collects more than 1,000 scale figures by 250 architects but presents them in a completely unexpected way: it removes them from their architectural context, displaying them on the page, buildingless, giving them lives of their own. They are presented not thematically or chronologically but encyclopedically, alphabetically by architect (Aalto to Zumthor). In serendipitous juxtapositions, the autonomous human figures appear and reappear, displaying endless variations of architecturally rendered human forms. Some architects' figures are casually scrawled; others are drawn carefully by hand or manipulated by Photoshop; some are collaged and pasted, others rendered in charcoal or watercolors. Leon Battista Alberti presents a trident-bearing god; the Ant Farm architecture group provides a naked John and Yoko; Archigram supplies its Air Hab Village with a photograph of a happy family. Without their architectural surroundings, the scale figures present themselves as architecture's refugees. They are the necessary but often overlooked reference points that give character to spaces imagined for but not yet occupied by humans. Here, they constitute a unique sourcebook and an architectural citizenry of their own.

**The Pits of Hell** Ebisu Yoshikazu, 2019-11-28 A teacher tortured by his students finally explodes in a violent rage. Exhausted Salarymen are pushed beyond the brink. Blood, sweat and screams of 'FUCK YOU!' pour out of the characters within The Pits of Hell, and yet a sense of humour always shines through. Bold, absurd and all too real, Ebisu Yoshikazu's work feels distinctly underground, almost punk. The Pits of Hell collects eight classic stories by Ebisu Yoshikazu, originally published between 1969 and 1981. The collection features a foreword by Minami Shinbo and an essay by Ryan Holmberg placing Ebisu Yoshikazu and his work into context.

**On Stranger Tides** Tim Powers,2011-04-26 “Powers writes action and adventure that Indiana Jones could only dream of.” —Washington Post “Tim Powers is a brilliant writer.” —William Gibson The remarkable Tim Powers—who ingeniously married the John Le Carrè spy novel to the otherworldly in his critically acclaimed Declare—brings us pirate adventure with a dazzling difference. On Stranger Tides features Blackbeard, ghosts, voodoo, zombies, the fable Fountain of Youth...and more swashbuckling action than you could shake a cutlass at, as reluctant buccaneer John Shandy braves all manner of peril, natural and supernatural, to rescue his ensorcelled love. Nominated for the Locus and World Fantasy Awards, On Stranger Tides is the book that inspired the motion picture Pirates of the Caribbean: On Stranger Tides—non-stop, breathtaking fiction from the genius imagination that conceived Last Call, Expiration Date, and Three Days to Never.
