Overground Railroad Lesa Cline-Ransome,2020-01-28 A window into a child's experience of the Great Migration from the award-winning creators of *Before She Was Harriet* and *Finding Langston*. As she climbs aboard the New York bound Silver Meteor train, Ruth Ellen embarks upon a journey toward a new life up North-- one she can't begin to imagine. Stop by stop, the perceptive young narrator tells her journey in poems, leaving behind the cotton fields and distant Blue Ridge mountains. Each leg of the trip brings new revelations as scenes out the window of folks working in fields give way to the Delaware River, the curtain that separates the colored car is removed, and glimpses of the freedom and opportunity the family hopes to find come into view. As they travel, Ruth Ellen reads from *Narrative of the Life of Frederick Douglass*, reflecting on how her journey mirrors her own-- until finally the train arrives at its last stop, New York's Penn Station, and the family heads out into a night filled with bright lights, glimmering stars, and new possibility. James Ransome's mixed-media illustrations are full of bold color and texture, bringing Ruth Ellen's journey to life, from sprawling cotton fields to cramped train cars, the wary glances of other passengers and the dark forest through which Frederick Douglass traveled towards freedom. *Overground Railroad* is, as Lesa notes, a story of people who were running from and running to at the same time, and it's a story that will stay with readers long after the final pages. A Junior Library Guild Selection Praise for Lesa Cline-Ransome and James Ransome's *Before She Was Harriet*, a Coretta Scott King Honor Book and winner of the Christopher Award * Ransome's lavishly detailed and expansive double-page spreads situate young readers in each time and place as the text takes them further into the past.--Kirkus Reviews, Starred Review * a powerful reminder of how all children carry within them the potential for greatness.--Publishers Weekly, Starred Review

Felix the Railway Cat Kate Moore,2017-02-23 ****THE SUNDAY TIMES BESTSELLER**** It will make you laugh and it will make you cry: *Felix The Railway Cat* is the extraordinary tale of a close-knit community and its amazing bond with a very special cat. 'The global sensation' *Daily Telegraph* When Felix arrived at Yorkshire's Huddersfield Train Station as an eight-week-old kitten, no one knew just how important this little ball of fluff would become. Although she has a vital job to do as 'Senior Pest Controller', Felix is much more than just an employee of TransPennine Express. Felix changes lives in surprising ways. She is always ready to leap into action and save the day: from bringing a boy with autism out of his shell to providing comfort to a runaway child shivering on the platform one night. So when tragedy hits the team at Huddersfield, it is only Felix who can pull them back together. But a chance friendship with a commuter that she waits for her on the platform every morning finally gives Felix the recognition she deserves, catapulting her to international stardom . . . Royalties from the sale of this book will be donated to Prostate Cancer UK (registered charity 1005541, SC039332).

A Train in Winter Caroline Moorehead,2011-11-01 “How can you do this work if you have a child?” asked her mother. “It is because I have a child that I do it,” replied Cecile. “This is not a world I wish her to grow up in.” On January 24, 1943, 230 women were placed in four cattle trucks on a train in Compiègne, in northeastern France, and the doors bolted shut for the journey to Auschwitz. They were members of the French Resistance, ranging in age from teenagers to the elderly, women who before the war had been doctors, farmers’ wives, secretaries, biochemists, schoolgirls. With immense courage they had taken up arms against a brutal occupying force; now their friendship would give them strength as they experienced unimaginable horrors. Only forty-nine of the Convoi des 31000 would return from the camps in the east; within ten years, a third of these survivors would be dead too, broken by what they had lived through. In this vitally important book, Caroline Moorehead tells the whole story of the 230 women on the train, for the first time. Based on interviews with the few remaining survivors, together with extensive research in French and Polish archives, *A Train in Winter* is an essential historical document told with the clarity and impact of a great novel. Caroline Moorehead follows the women from the beginning, starting with the disorganized, youthful and high-spirited activists who came together with the Occupation, and chronicling their links with the underground intellectual newspapers and Communist cells that formed soon afterwards. Postering and graffiti grew into sabotage and armed attacks, and the Nazis responded with vicious acts of mass reprisal – which in turn led to the Resistance coalescing and developing. Moorehead chronicles the women’s roles in victories and defeats, their narrow escapes and their capture at the hands of French police eager to assist their Nazi overseers to deport Jews, resisters, Communists and others. Their story moves inevitably through to its horrifying last chapters in Auschwitz: murder, starvation, disease and the desperate struggle to survive. But, as Moorehead notes, even in the most inhuman of places, the women of the Convoi could find moments of human grace in their companionship: “So close did each of the women feel to the others, that to die oneself would be no worse than to see one of the others die.” Uncovering a story that has hitherto never been told, Caroline Moorehead exhibits the skills that have made her an acclaimed biographer and historian. In this book she places the reader utterly in the world of wartime France, casting light on what it was like to experience horrific terrors and face impossible moral dilemmas. Through the sensitive interviews on which the book is based, she tells personal and individual stories of courage, solace and companionship. In this way, *A Train in Winter* ultimately becomes a valuable memorial to a unique group of heroines, and a testimony to the particular power of women’s friendship even in the worst places on earth.

Molly And Mae Danny Parker,2017-09-05 When Molly and Mae meet at the train station, two journeys begin: a trip through the countryside and an expedition through the highs and lows of friendship. At first the way is scenic and smooth—and then something goes off track. Can Molly and Mae build a bridge of kindness back to each other? Capturing the playfulness, laughter, disagreements, and reconciliations familiar to all relationships, *Molly and Mae* is a loving portrayal of friendship in its sweetest form.

Can I Play Too? Samantha Cotterill,2020-03-31 Friendship--and trains!--take center stage in this gentle, inviting story about paying attention to other people's feelings. Two boys' fun train-track-building project takes a turn when one of the boys obliviously insists on only doing things his way. Their disagreement spells disaster for the train and the friendship, until a kind teacher steps in and explains how to tell when a friend is feeling happy, frustrated, or angry. . . and how to ask for a do-over. Compromising and paying attention to how other people are feeling can be hard for any kid, but especially for kids on the autism spectrum. Samatha Cotterill's third book in the *Little Senses* series provides gentle guidance along with adorable illustrations to help every kid navigate the twists and turns of friendship and working together.

Think Like a Monk Jay Shetty, 2020-09-08 Jay Shetty, social media superstar and host of the #1 podcast On Purpose, distills the timeless wisdom he learned as a monk into practical steps anyone can take every day to live a less anxious, more meaningful life. When you think like a monk, you'll understand: -How to overcome negativity -How to stop overthinking -Why comparison kills love -How to use your fear -Why you can't find happiness by looking for it -How to learn from everyone you meet -Why you are not your thoughts -How to find your purpose -Why kindness is crucial to success -And much more... Shetty grew up in a family where you could become one of three things—a doctor, a lawyer, or a failure. His family was convinced he had chosen option three: instead of attending his college graduation ceremony, he headed to India to become a monk, to meditate every day for four to eight hours, and devote his life to helping others. After three years, one of his teachers told him that he would have more impact on the world if he left the monk's path to share his experience and wisdom with others. Heavily in debt, and with no recognizable skills on his résumé, he moved back home in north London with his parents. Shetty reconnected with old school friends—many working for some of the world's largest corporations—who were experiencing tremendous stress, pressure, and unhappiness, and they invited Shetty to coach them on well-being, purpose, and mindfulness. Since then, Shetty has become one of the world's most popular influencers. In 2017, he was named in the Forbes magazine 30-under-30 for being a game-changer in the world of media. In 2018, he had the #1 video on Facebook with over 360 million views. His social media following totals over 38 million, he has produced over 400 viral videos which have amassed more than 8 billion views, and his podcast, On Purpose, is consistently ranked the world's #1 Health and Wellness podcast. In this inspiring, empowering book, Shetty draws on his time as a monk to show us how we can clear the roadblocks to our potential and power. Combining ancient wisdom and his own rich experiences in the ashram, Think Like a Monk reveals how to overcome negative thoughts and habits, and access the calm and purpose that lie within all of us. He transforms abstract lessons into advice and exercises we can all apply to reduce stress, improve relationships, and give the gifts we find in ourselves to the world. Shetty proves that everyone can—and should—think like a monk.

M Train Patti Smith, 2015-10-06 NATIONAL BESTSELLER • From the National Book Award-winning author of Just Kids: a “sublime collection of true stories ... and wild imaginings that take us to the very heart of who Patti Smith is” (Vanity Fair), told through the cafés and haunts she has worked in around the world. Patti Smith calls this bestselling work “a roadmap to my life.” M Train begins in the tiny Greenwich Village café where Smith goes every morning for black coffee, ruminates on the world as it is and the world as it was, and writes in her notebook. Through prose that shifts fluidly between dreams and reality, past and present, we travel to Frida Kahlo's Casa Azul in Mexico; to the fertile moon terrain of Iceland; to a ramshackle seaside bungalow in New York's Far Rockaway that Smith acquires just before Hurricane Sandy hits; to the West 4th Street subway station, filled with the sounds of the Velvet Underground after the death of Lou Reed; and to the graves of Genet, Plath, Rimbaud, and Mishima. Woven throughout are reflections on the writer's craft and on artistic creation. Here, too, are singular memories of Smith's life in Michigan and the irremediable loss of her husband, Fred Smith. Braiding despair with hope and consolation, illustrated with her signature Polaroids, M Train is a meditation on travel, detective shows, literature, and coffee. It is a powerful, deeply moving book by one of the most remarkable multiplatform artists at work today. Featuring a postscript with five new photos from Patti Smith
