John Cage's Theatre Pieces William Fetterman, 2012-10-12 The experimental composer John Cage (1912-1992) is best known for his works in percussion, prepared piano, and electronic music, but he is also acknowledged to be one of the most significant figures in 20th century theatre. In Cage's work in theatre composition there is a blurring of the distinctions between music, dance, literature, art and everyday life. Here, William Fetterman examines the majority of those compositions by Cage which are audial as well as visual in content, beginning with his first work in this genre in 1952, and continuing through 1992. Much of the information in this study comes from previously undocumented material discovered among the unpublished scores and notes of Cage and his frequent collaborator David Tudor, as well as author's interviews with Cage and with individuals closely associated with his work, including David Tudor, Merce Cunningham, Bonnie Bird, Mary Caroline Richards, and Ellsworth Snyder.

Rescue the Problem Project Todd C. Williams, 2011 Rescue the Problem Project provides project managers, executives, and customers with ways to accurately assess issues and fix problems. Prinny's Taylor MR Charles Bazalgette, 2015-09-05 THE PHANTOM TAILOR The Prince of Wales, later George IV, is probably the most written-about of all British monarchs, and his excesses, his debts and the huge sums that he expended on his wardrobe are legendary. It is therefore strange that the man who was the Prince's tailor for over thirty-two years, and his principal tailor for over half of that time, should have been named, and then only in passing, in just two other books. The reason why Louis Bazalgette has been a shadowy figure until now is that the relationship between the two men was discreet and almost clandestine. This biography presents a detailed picture of an extraordinary man, of humble origins, whose influence on gentlemen's tailoring, and upon the Prince himself, must have been far-reaching. This fascinating story presents a new angle on Georgian and Regency life, as seen through the eyes of a little French tailor who by his own efforts became a very wealthy propertied merchant. There is also a great deal of information on gentlemen's tailoring of the period, a subject sparsely covered in other publications, and we are regaled in detail with the clothes that were made for Prinny, when and where he wore them and how much they cost. Many of the anecdotes about George are included, but given new meaning because of the fresh information that the author has discovered. Some of Louis Bazalgette's descendants also enter the story. His eldest son Joseph William Bazalgette, R.N, served with distinction during the Napoleonic wars, and his grandson of the same name was the noted civil engineer who made such a difference to London. The author is Louis' great-great-great-great-grandson. Lovers of the period will be delighted by many previously unpublished items which have been uncovered during over twenty years of painstaking research.

Propaganda, Power and Persuasion David Welch, 2013-11-27 As Philip Taylor has written, 'The challenge (of the modern information age) is to ensure that no single propaganda source gains monopoly over the information and images that shape our thoughts. If this happens, the war propagandists will be

back in business again.' Propaganda came of age in the Twentieth Century. The development of mass- and multi-media offered a fertile ground for propaganda while global conflict provided the impetus needed for its growth. Propaganda has however become a portmanteau word, which can be interpreted in a number of different ways. What are the characteristic features of propaganda, and how can it be defined? The distinguished contributors to this book trace the development of techniques of 'opinion management' from the First World War to the current conflict in Afghanistan. They reveal how state leaders and spin-doctors operating at the behest of the state, sought to shape popular attitudes - at home and overseas - endeavouring to harness new media with the objective of winning hearts and minds. The book provides compelling evidence of how the study and practice of propaganda today is shaped by its history.

We'll Always Have Parrots Donna Andrews,2006-02-07 In *We'll Always Have Parrots*, Meg Langslow travels with her fiancé Michael to a fan convention for Porfiria, Queen of the Jungle--a cheesy cult TV show on which Michael has a minor role. Michael hopes the weekend will give him a chance to talk Miss Wynncliffe-Jones, the show's temperamental leading lady and executive producer out of enforcing a certain provision in Michael's contract. Of course, Michael's not the only person whose career the dictatorial star has manipulated. So when the star is found murdered, the police have plenty of suspects. Trouble is, Meg doesn't believe they're going to arrest the right one. Soon she finds herself following the murderer's trail through a hotel filled with egotistical actors, costumed fans, and a motley flock of monkeys and parrots who, rebelling against their role as live scenery, have escaped from their cages to take an active (and noisy) role in the festivities.

Gridlinked Neal Asher,2018-02-27 In outer space you can never feel sure that your adversary is altogether human. The runcible buffers on Samarkand have been mysteriously sabotaged, killing many thousands and destroying a terraforming project. Agent Cormac must reach it by ship to begin an investigation. But Cormac has incurred the wrath of a vicious psychopath called Pelter, who is prepared to follow him across the galaxy with a terrifying android in tow. Despite the sub-zero temperature of Samarkand, Cormac discovers signs of life: they are two 'dracomen', alien beasts contrived by an extra-galactic entity calling itself 'Dragon', which is a huge creature consisting of four conjoined spheres of flesh each a kilometre in diameter. Caught between the byzantine wiles of the Dragon and the lethal fury of Pelter, Cormac needs to skip very nimbly indeed to rescue the Samarkand project and protect his own life. *Gridlinked* is the first sci-fi thriller in Neal Asher's compelling Agent Cormac series.

Hunting Ducks Hines Lambert,2013-01-15 Duck hunters love spending time in the great outdoors. They have played a key role in wildlife and habitat preservation for decades. This great book introduces the new generation to duck hunting. Subjects covered include duck calls, duck stamps, decoys, camouflage, shotguns, boats, and blinds. The role of hunting dogs is explained and tips on hunting with a dog are offered, too.

Murder With Peacocks Donna Andrews,2006-02-07 *Three Weddings...And a Murder* So far Meg Langslow's summer is not going swimmingly. Down in her small Virginia hometown, she's maid of honor at the nuptials of three loved ones--each of whom has dumped the planning in her capable hands. One bride is set on including a Native American herbal purification ceremony, while another wants live peacocks on the lawn. Only help from the town's drop-dead gorgeous hunk, disappointingly rumored to be gay, keeps Meg afloat in a sea of dotty relatives and outrageous neighbors. And, in whirl of summer parties and picnics, Southern hospitality is strained to the limit by an offensive newcomer who hints at skeletons in the guests' closets. But it seems this lady has offended one too many when she's found dead in suspicious circumstances, followed by a string of accidents--some fatal. Soon, level-headed Meg's to-do list extends

from flower arrangements and bridal registries to catching a killer--before the next catered event is her own funeral...

The Hands of the Emperor Victoria Goddard,2022-08-23 An impulsive word can start a war. A timely word can stop one. A simple act of friendship can change the course of history. Cliopher Mding is the personal secretary of the Last Emperor of Astandalas, the Lord of Rising Stars, the Lord Magus of Zunidh, the Sun-on-Earth, the god. He has spent more time with the Emperor of Astandalas than any other person. He has never once touched his lord. He has never called him by name. He has never initiated a conversation. One day Cliopher invites the Sun-on-Earth home to the proverbially remote Vangavaye-ve for a holiday. The mere invitation could have seen Cliopher executed for blasphemy. The acceptance upends the world. Lays of the Hearth-Fire #1.

Red Azalea Anchee Min,2012-11-05 Born into a devoutly Maoist family in 1950s Shanghai and forced to work on a communal farm from the age of seventeen, Anchee Min found herself in an alienating and hostile political climate, where her only friendships were perilous and intense. Both candid and touching, this compelling memoir documents her isolation and illicit love against the backdrop of China's Cultural Revolution. From her coming of age in the Red Guard to her recruitment into Madame Mao's burgeoning industry of propaganda movies, Red Azalea explores the secret sensuality of a repressive society with elegance and honesty.

The Twelve Jays of Christmas Donna Andrews,2021-10-19 The cast of Donna Andrews' New York Times bestselling Meg Langslow mystery series is back for an unforgettable holiday story in The Twelve Jays of Christmas. Meg and Michael's annual holiday celebration is well underway, with a throng of out-of-town relatives staying at their house. Hosting these festivities is a little harder than usual—they have to relocate all the events normally held in their library, currently occupied by Roderick Castlemayne, the irascible wildlife artist who's creating twelve paintings of birds to illustrate Meg's grandfather's latest nature book. Still, the celebrations continue—and the entire family rejoices to learn that Meg's brother Rob and his longtime fiancée Delaney have finally decided to tie the knot. Unfortunately, they decide to do this in the middle of Meg and Michael's annual New Year's bash, dashing their mothers' hopes of planning the wedding to end all weddings. Delaney's mother sneaks into town so she and Meg's mother can secretly plot a way to talk the happy couple into having a big bash. Hiding her only adds to Meg's holiday stress—it's almost a full-time job fending all the visitors who want to confront Castlemayne—reporters, bill collectors, process servers, and several ex-wives in search of unpaid alimony. Then someone murders Castlemayne in the middle of a blizzard and sets loose the birds he was painting. Can Meg help the police crack the case before the killer strikes again? Can she keep Christmas merry in spite of the body in the library? Can she negotiate a compromise between Rob and Delaney and their disappointed mothers? And can she recapture the twelve escaped jays before they begin nesting in the Christmas tree? This intrigue-

filled Christmas mystery takes readers home to Caerphilly to join in Meg's family's holiday celebration—including, of course, another baffling mystery.

Sadie's lover calls her as he drives to meet his wife at marriage counseling. Nina is more worried that the Presbyterian minister living above her garage will hear her kids swearing than that he will find out she's sleeping with her running partner. The women grapple with love amidst everything from unwelcome houseguests to disastrous birthday parties as Katherine Heiny spins a debut that is superbly accomplished and endlessly entertaining.

Paladin's Hope T. Kingfisher, 2023-11-21 'Exciting, deeply wise, sad, brutal and compassionate all at once. And beautifully written, with a plot as cunning as fine embroidery' Catriona Ward Piper is a lich-doctor, a physician who works among the dead, determining causes of death for the city guard's investigations. But when the two men and a brave gnomish constable are drawn into the maze of the mysterious killer, it's Galen's job to protect Piper from the traps that await them. He's just not sure if he can protect Piper from the most dangerous threat of all... Praise for T. Kingfisher: 'T.
