Three Hens and a Peacock Lester L. Laminack,2017-04-18 A hilarious read-aloud favorite about some foolish farm animals who decide to trade roles—and discover just how hard it is to do someone else's job, from award-winning author Lester L. Laminack and celebrated illustrator Henry Cole. The Tuckers' farm is a peaceful place where everyone has a job and no one complains. That is, until a hapless peacock falls off the back of a passing truck and stirs things up. Soon, customers are flocking to the farm to see what all the fuss is about. But the hens don't like the newcomer getting attention while they do all the hard work. When a wise old hound sees the problem, he helps orchestrate a job swap. What follows is the riotous tale of three hens who get in way over their feathered heads, and one very distressed peacock who just can't figure out how to lay an egg. Lester L. Laminack has created a comical look at envy, finding your strength, and what happens when we underestimate the value of others' work. Henry Cole's delightful illustrations heighten the story's humor and will have readers of all ages laughing out loud.

Birds of a Feather Sita Singh,2021-03-02 Differences are gorgeously illustrated in a heartwarming picture book about a colorless peacock who learns to love himself in a jungle full of color. Mo has always felt a little different. While all the other peacocks grew bright, bold, beautiful feathers in rich greens and vibrant blues, Mo's feathers grew in a snowy white. And even though Mo's friends try to include him in their playtime, Mo doesn't like to be reminded that he's different from his friends. But when a storm threatens to ruin the group's annual celebration, Mo must learn to stand tall, strut his stuff, and shake his brilliantly glowing tail feathers—in a way only he can—to help his friends and set things right. From debut author Sita Singh, and brought to life by Stephanie Fizer Coleman, comes a story about finding strength in the things that make us different, and beauty in all its forms.

Lessons Ian McEwan,2022-09-13 NEW YORK TIMES BEST SELLER • A NEW YORKER ESSENTIAL READ • From the best-selling author of Atonement and Saturday comes the epic and intimate story of one man's life across generations and historical upheavals. From the Suez Crisis to the Cuban Missile Crisis, the fall of the Berlin Wall to the current pandemic, Roland Baines sometimes rides with the tide of history, but more often struggles against it. A BEST BOOK OF THE YEAR: Vogue • The New Yorker "Masterful.... McEwan is a storyteller at the peak of his powers.... One of the joys of the novel is the

way it weaves history into Roland's biography... The pleasure in reading this novel is letting it wash over you." –Associated Press When the world is still counting the cost of the Second World War and the Iron Curtain has closed, eleven-year-old Roland Baines's life is turned upside down. Two thousand miles from his mother's protective love, stranded at an unusual boarding school, his vulnerability attracts piano teacher Miss Miriam Cornell, leaving scars as well as a memory of love that will never fade. Now, when his wife vanishes, leaving him alone with his tiny son, Roland is forced to confront the reality of his restless existence. As the radiation from Chernobyl spreads across Europe, he begins a search for answers that looks deep into his family history and will last for the rest of his life. Haunted by lost opportunities, Roland seeks solace through every possible means—music, literature, friends, sex, politics, and, finally, love cut tragically short, then love ultimately redeemed. His journey raises important questions for us all. Can we take full charge of the course of our lives without causing damage to others? How do global events beyond our control shape our lives and our memories? And what can we really learn from the traumas of the past? Epic, mesmerizing, and deeply humane, *Lessons* is a chronicle for our times—a powerful meditation on history and humanity through the prism of one man's lifetime.

*Malaika's Winter Carnival* Nadia L. Hohn, Irene Luxbacher, 2017-09-01 Malaika is happy to be reunited with Mummy, but it means moving to Canada, where everything is different. It's cold in Québec City, no one understands when she talks and Carnival is nothing like the celebration Malaika knows from home! When Mummy marries Mr. Frédéric, Malaika gets a new sister called Adèle. Her new family is nice, but Malaika misses Grandma. She has to wear a puffy purple coat, learn a new language and get used to calling this new place home. Things come to a head when Mummy and Mr. Frédéric take Malaika and Adèle to a carnival. Malaika is dismayed that there are no colorful costumes and that it's nothing like Carnival at home in the Caribbean! She is so angry that she kicks over Adèle's snow castle, but that doesn't make her feel any better. It takes a video chat with Grandma to help Malaika see the good things about her new home and family. Nadia L. Hohn's prose, written in a blend of standard English and Caribbean patois, tells a warm story about the importance of family, especially when adjusting to a new home. Readers of the first Malaika book will want to find out what happens when she moves to Canada, and will enjoy seeing Malaika and her family once again depicted through Irene Luxbacher's colorful collage illustrations.

**Know Your Value** Mika Brzezinski, 2018-09-25 The bestselling motivational guide that *TheAtlantic.com* calls a rallying cry for women to get the money they deserve. Why are women so often overlooked and underpaid? What are the real reasons men get raises more often than women? How can women ask for--and actually get--the money, the job, the recognition they deserve? Prompted by her own experience as cohost of *Morning Joe*, Mika Brzezinski asked a wide range of successful women to share the critical lessons they learned while moving up in their fields. Power players such as Facebook's Sheryl Sandberg, Senator Elizabeth Warren, Harvard's Victoria Budson, comedian Susie Essman, and many more shared their surprising personal stories. They spoke candidly about why women are paid less and the pitfalls women face--and play into. Now expanded to address gender dynamics in the #MeToo era, *Know Your Value* blends compelling personal stories with the latest research on why many women don't negotiate their compensation, why negotiating aggressively usually backfires, and what can be done about it. For any woman who has ever wondered if her desire to be liked can be a liability (yes), if there is a way to reclaim her contribution after it's been co-opted in a meeting (yes), and if there are strategies men use to get ahead that women should too (yes!), *Know Your Value* provides vital advice to help women be their own best advocates.

*Tragedy of Titus Andronicus* William Shakespeare, 1897

**Idol** Kristen Callihan, 2016-06-07 Libby I found Killian drunk and sprawled out on my lawn like some lost prince. With the face of a god and the arrogance to match, the pest won't leave. Sexy, charming, and just a little bit dirty, he's slowly wearing me down, making me crave more. He could be mine if I dare to claim him. Problem is, the world thinks he's theirs. How do you keep an idol when everyone is intent on taking him away? Killian As lead singer for the biggest rock band in the world, I lived a life of dreams. It all fell apart with one fateful decision. Now everything is in shambles. Until Liberty. She's grouchy, a recluse --and kind of cute. Scratch that. When I get my hands on her, she is scorching hot and more addictive than all the fans who've screamed my name. The world is clamoring for me to get back on stage, but I'm not willing to leave her. I've got to find a way to coax the hermit from her shell and keep her with me. Because, with Libby, everything has changed. Everything.

Hedy's Folly Richard Rhodes, 2012-08-07 Pulitzer Prize-winning author Richard Rhodes delivers a remarkable story of science history: how a ravishing film star and an avant-garde composer invented spread-spectrum radio, the technology that made wireless phones, GPS systems, and many other devices possible. Beginning at a Hollywood dinner table, *Hedy's Folly* tells a wild story of innovation that culminates in U.S. patent number 2,292,387 for

a secret communication system. Along the way Rhodes weaves together Hollywood's golden era, the history of Vienna, 1920s Paris, weapons design, music, a tutorial on patent law and a brief treatise on transmission technology. Narrated with the rigor and charisma we've come to expect of Rhodes, it is a remarkable narrative adventure about spread-spectrum radio's genesis and unlikely amateur inventors collaborating to change the world.

Invitation to Draw Jean Van't Hul, 2021-06-15 Help children draw and think more creatively by inspiring them with interesting and challenging art prompts and questions. Invitation to Draw offers 99 open-ended drawing prompts, each one proposing a question to investigate that encourages children to free associate and problem solve. The perforated pages make it easy to tear out prompts for on-the-go activities or allowing multiple kids to draw at the same time. A blank cake provides the chance to decorate a dream confection, an empty house inspires stories about who lives there, and a grid of triangles supplies the chance to explore abstract art. What might be hiding in that tree? What sort of robot can you design? The possibilities are endless! Drawing prompts inspire and encourage kids to think and draw differently, and sometimes more creatively, than they might when faced with a blank page. By offering constraints such as a pair of eyes or an empty car and asking a question, children begin thinking about the possibilities and answering the question in their heads even before they put pen (or marker or crayon!) to paper. And through the act of drawing and observing the drawing unfold, the brain continues to think and problem solve, opening up all kinds of creative possibilities around that specific idea.

*Central to Their Lives* Lynne Blackman, 2018-06-20 Scholarly essays on the achievements of female artists working in and inspired by the American South Looking back at her lengthy career just four years before her death, modernist painter Nell Blaine said, Art is central to my life. Not being able to make or see art would be a major deprivation. The Virginia native's creative path began early, and, during the course of her life, she overcame significant barriers in her quest to make and even see art, including serious vision problems, polio, and paralysis. And then there was her gender. In 1957 Blaine was hailed by Life magazine as someone to watch, profiled alongside four other emerging painters whom the journalist praised not as notable women artists but as notable artists who happen to be women. In *Central to Their Lives*, twenty-six noted art historians offer scholarly insight into the achievements of female artists working in and inspired by the American South. Spanning the decades between the late 1890s and early 1960s, this volume examines the complex challenges these artists faced in a traditionally conservative region during a period in which women's social, cultural, and political roles were being redefined and reinterpreted. The presentation—and its companion exhibition—features artists from all of the Southern states, including Dusti Bongé, Anne Goldthwaite, Anna Hyatt Huntington, Ida Kohlmeyer, Lois Mailou Jones, Alma Thomas, and Helen Turner. These essays examine how the variables of historical gender norms, educational barriers, race, regionalism, sisterhood, suffrage, and modernism mitigated and motivated these women who were seeking expression on canvas or in clay. Whether working from studio space, in spare rooms at home, or on the world stage, these artists made remarkable contributions to the art world while fostering future generations of artists through instruction, incorporating new aesthetics into the fine arts, and challenging the status quo. Sylvia Yount, the Lawrence A. Fleischman Curator in Charge of the American Wing at the Metropolitan Museum of Art, provides a foreword to the volume. Contributors: Sara C.
