

Sailing Warship 265x300.jpg

Michael Brown

The History of American Sailing Ships Howard Irving Chapelle,1935 More than 200 drawings and photos highlight this authoritative study of America's nautical heritage.

First Rate Rif Winfield,2010 In the sailing era, the warships called First Rates were the largest, most powerful, and most costly ships to construct, maintain, and operate. Built to the highest standards, they were lavishly decorated and given carefully considered names that reflected the pride and prestige of their country. They were the very embodiment of national power, and as such drew the attention of artists, engravers, and printmakers. In this first history of the major ships in the Royal Navy during the Age of Sail, virtually every British First Rate from the Prince Royal of 1610 to the end of sail is represented by an array of paintings, drawings, models, or plans. This spectacular collection of illustrations, many in full color, is a celebration of these magnificent ships, combining an authoritative history of their development with reproductions of many of the best images of the ships, chosen for their accuracy, detail, and sheer visual power in an extra-large format that does full justice to the images themselves. It also includes comparative data on similar vessels in other navies, so it is a book that all with an interest in wooden warships will find both enlightening and a pleasure to peruse.

The Line of Battle Robert Gardiner,2004 Although purpose built fighting ships had existed earlier, the principal characteristics of the classic sailing warship were defined in the mid-seventeenth century, and the line of battle ship became ever more distinct. Alongside came the greater specialisation of the fleets and the evolution of the frigate and the adaptation of myriad types of craft for naval use. The story of these developments is clearly elucidated in this paperback volume.

Sail's Last Century Robert Gardiner,1993

Sailing Warships of the US Navy Donald L. Canney,2001 Although a relatively small force during the Age of Sail, the US Navy was nevertheless closely watched by larger maritime powers impressed by the radical thinking and innovative design manifest in so many of its warships. This gives the subject an interest that stretches far beyond the shores of America itself. For over fifty years knowledge of these ships has relied heavily on the works of Howard Chapelle, a practical naval architect with a fine understanding of design, but an amateur historian who was less than professional in his use of sources.

The History of the American Sailing Navy Howard Irving Chapelle,1949 From colonial times to just before the Civil War.

The Line of Battle Robert Gardiner,1992

The Twilight of Sailing Ships Robert Carse,1965 About the last days of commercial sailing vessels. Features many illustrations.

The Line of Battle ,2004

History of the American Sailing Navy Howard Irving Chapelle,1988 A technical study of U.S. military vessels that provides information on the evolution of naval construction, design, and policy prior to the twentieth century

The Analectic Magazine and Naval Chronicle ,1816

Samurai Revolution Romulus Hillsborough,2014-03-25 See the dawn of modern Japan through the lens of the power players who helped shape it – as well as those who fought against it – in this exploration of Samurai history. Samurai Revolution tells the fascinating story of Japan's historic transformation at the end of the nineteenth century from a country of shoguns, feudal lords and samurai to a modern industrialized nation. The book covers the turbulent Meiji Period from 1868 to 1912, widely considered the dawn of modern Japan, a time of Samurai history in which those who choose to cling to their traditional bushido way of life engaged in frequent and often deadly clashes with champions of modernization. Knowledge of this period is essential to understand how and why Japan evolved into the nation it is today. The book opens with the fifteen-year fall of the Tokugawa Shogunate, which had ruled Japan for over 250 years, and the restoration of the Meiji emperor to a position of power at the expense of the feudal Daimyo lords. It chronicles the bloody first decade of the newly reestablished monarchy, in which the new government worked desperately to consolidate its power and introduce the innovations that would put Japan on equal footing with the Western powers threatening to dominate it. Finally, Samurai Revolution goes on to tell the story of the Satsuma Rebellion, a failed coup attempt that is widely viewed as the final demise of the samurai class in Japan. This book is the first comprehensive history and analysis in English that includes all the key figures from this dramatic time in Japanese politics and society, and is the result of over twenty-five years of research focused on this critical period in Japanese history. The book contains numerous original translations of crucial documents and correspondence of the time, as well as photographs and maps. Samurai Revolution goes in-depth to reveal how one era of ended and another began.

Britannia's Wolf Antoine Vanner,2013-03-19 Dawlish chronicles: September 1877-February 1878.

New York Marshall B. Davidson,1977

Bloodsworn Tej Turner,2021-01-08 “Everyone from Jalard knew what a bloodoath was. Legendary characters in the tales people told to their children often made such pacts with the gods. By drawing one’s own blood whilst speaking a vow, people became ‘Bloodsworn’. And in every tale where the oath was broken, the ending was always the same. The Bloodsworn died.” It has been twelve years since The War of Ashes, but animosity still lingers between the nations of Sharma and Gavendara, and only a few souls have dared to cross the border between them. The villagers of Jalard live a bucolic existence, nestled within the hills of western Sharma, and far away from the boundary which was once a warzone. To them, tales of bloodshed seem no more than distant fables. They have little contact with the outside world, apart from once a year when they are visited by representatives from the Academy who choose two of them to be taken away to their institute in the capital. To be Chosen is considered a great honour... of which most of Jalard’s children dream. But this year the Academy representatives make an announcement which is so shocking it causes friction between the villagers, and some of them begin to suspect that all is not what it seems. Just where are they taking the Chosen, and why? Some of them intend to find out, but what they discover will change their lives forever and set them on a long and bloody path to seek vengeance... Cover design: Alison Buck

Lost Milwaukee Carl Swanson,2018 From City Hall to the Pabst Theater, reminders of the past are part of the fabric of Milwaukee. Yet many historic treasures have

been lost to time. An overgrown stretch of the Milwaukee River was once a famous beer garden. Blocks of homes and apartments replaced the Wonderland Amusement Park. A quiet bike path now stretches where some of fastest trains in the world previously thundered. Today's Estabrook Park was a vast mining operation, and Marquette University covers the old fairgrounds where Abraham Lincoln spoke. Author Carl Swanson recounts these stories and other tales of bygone days.

History of New York Ship Yards John Harrison Morrison,1909

Calligraphy Patricia Lovett,2003

Dead to Her Sarah Pinborough,2020-02-11 From the author of Behind Her Eyes, now a Netflix Original Series hit “‘Big Little Lies’ meets ‘Rebecca’ in Sarah Pinborough’s ‘Dead to Her,’ a saucy novel about insecure second wives dragged down by secrets [and] jealousies...” –Washington Post “Roils with passion, rancor, and greed wrapped in Southern politesse... Pinbrough’s intricately woven mystery will please fans of B.A. Paris and Paula Hawkins.” – Publishers Weekly For fans of Liane Moriarty, Liv Constantine and Lisa Jewell, a twisty psychological thriller about a savvy second wife who will do almost anything to come out on top from the New York Times bestselling author of Behind Her Eyes. Marriage can be murder... SOMETHING OLD Marcie’s affair with Jason Maddox catapulted her into the world of the Savannah, GA elite. Old money, old ties, old secrets. Marcie may have married into this world– but she’ll never be part of it. SOMETHING NEW Then Jason’s boss brings back a new wife from his trip to London. Young, attractive, reckless–nobody can take their eyes off Keisha. Including Marcie’s husband. SOMETHING YOU CAN NEVER, EVER UNDO... Some people would kill for the life Marcie has–what will she do to keep it?

The Sea Hunt Frances Berres,James Covington Coleman,1959 A reader tells of the Sea Watch's hunt for an octopus and two sharks for an aquarium. Includes exercises and brief review chapters.
