Artcade Tim Nicholls,2016 Gamers who cut their teeth in the arcades will love this trip down memory lane. Artcade is a unique collection of coin-op cabinet marquees, some dating back 40 years to the dawn of video gaming. Originally acquired by Tim Nicholls from a Hollywood props company, this archive of marquees - many of which had suffered damage over time - have now been scanned and digitally restored to their former glory. The full collection of classic arcade cabinet artwork is presented here for the first time in this stunning landscape hardback book, and accompanied by interviews with artists Larry Day and the late Python Anghelo. Relive your mis-spent youth with artwork from dozens of coin-ops including Asteroid, Battlezone, Street Fighter II, Out Run, Moon Patrol, Gyruss, Q\*Bert, Bubble Bobble and many more. Each marquee takes up a full double-page spread in the book, and is faithfully recreated using beautiful lithographic printing on the highest quality paper. Tim has spent over a thousand hours assembling the high-resolution scans, restoring the images in Photoshop and color-correcting them back to their vibrant, as-new appearance. The results of all that hard work are now available as a lasting record of the amazing artwork that adorned the arcades during the golden era of coin-op video gaming.

**The Ungrateful Refugee** Dina Nayeri,2019-09-03 A Finalist for the 2019 Kirkus Prize in Nonfiction Nayeri combines her own experience with those of refugees she meets as an adult, telling their stories with tenderness and reverence.” —The New York Times Book Review Nayeri weaves her empowering personal story with those of the ‘feared swarms’ . . . Her family’s escape from Isfahan to Oklahoma, which involved waiting in Dubai and Italy, is wildly fascinating . . . Using energetic prose, Nayeri is an excellent conduit for these heart–rending stories, eschewing judgment and employing care in threading the stories in with her own . . . This is a memoir laced with stimulus and plenty of heart at a time when the latter has grown elusive.” —Star–Tribune (Minneapolis) Aged eight, Dina Nayeri fled Iran along with her mother and brother and lived in the crumbling shell of an Italian hotel–turned–refugee camp.

Eventually she was granted asylum in America. She settled in Oklahoma, then made her way to Princeton University. In this book, Nayeri weaves together her own vivid story with the stories of other refugees and asylum seekers in recent years, bringing us inside their daily lives and taking us through the different stages of their journeys, from escape to asylum to resettlement. In these pages, a couple fall in love over the phone, and women gather to prepare the noodles that remind them of home. A closeted queer man tries to make his case truthfully as he seeks asylum, and a translator attempts to help new arrivals present their stories to officials. Nayeri confronts notions like “the swarm,” and, on the other hand, “good” immigrants. She calls attention to the harmful way in which Western governments privilege certain dangers over others. With surprising and provocative questions, *The Ungrateful Refugee* challenges us to rethink how we talk about the refugee crisis. “A writer who confronts issues that are key to the refugee experience.” —Viet Thanh Nguyen, Pulitzer Prize–winning author of *The Sympathizer* and *The Refugees*
