The Beatles: Yellow Submarine George Dunning,1999

Up Periscope Yellow Al Brodax,2004 (Limelight). Al Brodax was the producer and co-author of the ground-breaking animated film, Yellow Submarine . In this book he recalls a frenzied, madcap escapade that came to be reflected in an enduring piece of screen history. In addition to Al and The Beatles, the cast included more than a dozen animators, platoons of inkers, background artists, soundmen, cameramen, and various essential expeditors. They produced, aside from the film, more than a dozen pregnancies and one or two marriages. This generously illustrated book is a special gift to fans of the Beatles, of Yellow Submarine and of spirited, flavorful writing about movies. (267 pages, 8 x 9.33)

Under the Mat Diana Hart,Kirstie McLellan,2001 Wrestling is real. It is an actual world, with real people and real lives. It is a world of superstars and egos, a world of money and greed, of family and fame and yet a place where tragedy and misery are all too common. It is a world far from the media and television cameras. It is a world far from the spectators and the commercialism, and it is the only world Diana Hart has ever known. It is the other side of the sport, the side beyond the lights, the side under the mat, where the real stories rest, hidden from the cameras, hidden from the fans and known to only those who live it each day. Diana Hart, a Calgary native, was born into a family where the world of wrestling was unavoidable. Her father Stu was a wrestling legend, her brother Brett The Hitman became one of the sports most notorious names, her brother Owen, another wrestling star was killed in the ring while performing an unsafe stunt. Her ex-husband, Davey Boy Smith was one half of the famous wrestling tag team, the British Bulldogs and her friends include the likes of Stone ColdSteve Austin, Hulk Hogan and The Rock. Her childhood baby sitter

was Andre the Giant and her father's friends who visited her childhood home included names like Mohammad Ali. Under the Mat recounts Dianas life, growing up in the Hart home, being sister to Owen and Brett, witnessing their rise to fame and the terrible tragedy, which claimed her younger brother's life. She remembers her father training some of the WWFs and WCWs biggest names in her family's basement gym and recounts their tales to stardom. Her story is the closest true-life account of the real world of professional wrestling and will prove to be the biggest, most sought after book this fall.

WrestleCrap Randy Baer, R. D. Reynolds, 2010-12-16 *WrestleCrap: The Very Worst of Professional Wrestling* examines some of the ridiculously horrible characters and storylines that pro wrestling promoters have subjected their fans to over the past twenty years. Why would any sane person think that having two grown men fight over a turkey was actually a reasonable idea? Was George 'The Wrestling Beatle' Ringo, really the best gimmick that a major promotional organization could come up with? And who would charge fans to watch a wrestler named the Gobbeldy Gooker emerge from an egg? In an attempt to answer such questions and figure out just what the promoters were thinking, authors Randy Baer and R.D. Reynolds go beyond what wrestling fans saw on the screen and delve into the mindset of those in the production booth. In some instances, the motivations driving the spectacle prove even more laughable than what was actually seen in the ring. Covering such entertainment catastrophes as an evil one-eyed midgit and a wrestler from the mystical land of Oz, not to mention the utterly comprehensible Turkey-on-a-Pole match (a gimmick which AWA fans might recall), *WrestleCrap* is hysterically merciless in its evaluation of such organizations as the WCW and the WWF. This retrospective look at the wrestling world's misguided attempts to attract viewers will leave wrestling fans and critics alike in stitches.

In My Life John Lennon,Paul McCartney,2021-02-02 With three generations of one family, we share moments that are meant to be savored in this special book that beautifully illustrates the words of John Lennon and Paul McCartney's world-renowned song "In My Life." There are places I'll remember, in my life, though some have changed... One gift with a bright bow starts a young girl on a path...one her mother follows with her as she explores, grows, and rides off on her own, only to return again with her own daughter in tow. This hauntingly beautiful book shares the small moments of that journey that are meant to be remembered and savored in the lyrics of this classic song.

Saxophone Dreams Nicholas Royle,1996

Pain and Passion Heath McCoy,2010-12-14 The wild blood-on-the-mat saga of the rise and fall of the infamous Stampede Wrestling company.

The Squared Circle David Shoemaker,2014-11-04 A breakthrough examination of the professional wrestling, its history, its fans, and its wider cultural impact The Squared Circle grows out of David Shoemaker's writing for Deadspin, where he started the column "Dead Wrestler of the Week" (which boasts more than 1 million page views)—a feature on the many wrestling superstars who died too young because of the abuse they subject their bodies to—and his writing for Grantland, where he covers the pro wrestling world, and its place in the pop culture mainstream. Shoemaker's sportswriting has since struck a nerve with generations of wrestling fans who—like him—grew up worshipping a sport often derided as "fake" in the wider culture. To them, these professional wrestling superstars are not just heroes but an emotional outlet and the lens through which they learned to see the world. Starting in the early 1900s and exploring the path of pro wrestling in America through the present day, The Squared Circle is the first book to acknowledge both the sport's broader significance and wrestling fans' keen intellect and sense of irony. Divided into eras,

each section offers a snapshot of the wrestling world, profiles some of the period's preeminent wrestlers, and the sport's influence on our broader culture. Through the brawling, bombast, and bloodletting, Shoemaker argues that pro wrestling can teach us about the nature of performance, audience, and, yes, art. Full of unknown history, humor, and self-deprecating reminiscence—but also offering a compelling look at the sport's rightful place in pop culture—*The Squared Circle* is the book that legions of wrestling fans have been waiting for. In it, Shoemaker teaches us to look past the spandex and body slams to see an art form that can explain the world.

The Wrestlecrap Book of Lists! R. D. Reynolds, 2010-11-16 Wrestling's biggest mistakes, most comical mishaps, and most egotistical performers are all featured in this cornucopia of nonsense presented in top-10 list format. Lists include The Greatest Mullets in the History of the Game, Wrestlers Who Moonlighted in Porn, The Wrestling Divas Who Suffered the Greatest Falls from Grace, and The 25 Worst Gimmicks of All Time. Irreverent, off-kilter, and certain to be offensive to all, this compendium is a hilarious look at the lunacy of professional wrestling.

Sex Robot Cuddle Party David Raffin, 2018-12-25 Sex Robot Cuddle Party is presented as a lost novel by the son of the author, a pornographer and a communist. He infuses his creative work with political discourses. It tells the story of RainyDay Tranquility, captain of the corporate surveying vessel Queen of Space, as she travels with her crew visiting dead worlds. In the future human touch has been rendered deadly. Later, she is transported inside her favorite book, Cuddle Party, which she loves because, in it, two people fall asleep touching. Sex Robot Cuddle Party is a comedy of loneliness, desire, and longing; and a tragedy of love requited. A loving homage to new wave sci-fi, absurdist theater, and erotica of the early seventies; featuring existentialist philosophy, Atheism, Greek Gods, artificial intelligence, and the miracle of fungi, in which all things are possible dreamt

or un-dreamt.

The Search for the Perfect Pub Paul Moody, Robin Turner, 2011-11-24 Inspired by George Orwell, Paul Moody and Robin Turner take a nostalgic road trip around Britain in search of the perfect pub. 'A deeply satisfying travelogue' Stuart Maconie In 1946, George Orwell, a man fond of a pint, wrote about his favourite pub, The Moon Under Water, in his EVENING STANDARD column. But it didn't actually exist. It was Orwell's vision of a perfect pub. Today, Wetherspoons have fourteen Moon Under Waters, and the nation is awash with identikit, high-street lounge bars competing for a dwindling clientele. Paul Moody and Robin Turner's road trip around Britain, therefore, is not just a search for the perfect pub. It is a deeper investigation into what has happened to British pub culture, once the toast of the world. In fact, it is a search for a kind of life-force kindled by the British public, something the powers-that-be are forever trying to extinguish. Along the way, such luminaries as Pete Brown ('the King of Beer'), Tim Martin (Wetherspoon's boss), Iain Sinclair, James Dean Bradfield and Paul Kingsnorth are consulted - along with a host of micro-brewers, landlords, politicians, bloggers and barroom philosophers. What emerges is a picture of the country as seen through a pint glass, a vision that goes to the heart of what it means to be British.

Mother, Brother, Lover Jarvis Cocker, 2011-10-20 Jarvis Cocker is widely regarded as one of the most original and memorable lyricists and performers of the last three decades. Here, for the first time, is a selection of sixty-six lyrics, presented with commentary and an introduction by the man himself. In this volume, readers (and Pulp fans) will find such classic Jarvis lyrics as 'Common People', 'Disco 2000', 'Babies', 'This is Hardcore' and 'Do You Remember the First Time?' The selection, assembled by the author, reveals a sensibility that is unmistakably Jarvis: a sometimes visceral, sometimes everyday take on love, relationships and the things we do to each other when the lights get low. Mother, Brother, Lover takes the reader on a thirty-year tour into the life, art and preoccupations of one of the great British artists of the late twentieth century. Shocking, sharp, clever and funny, it is a beautiful collection of lyrics and commentary.

At the Existential Sandwich Shop David Raffin, 2019-01-09 At the Existential Sandwich Shop is filled with aphorisms, jokes, anti-jokes, philosophy, and bears. You see, an imaginary tree. It wishes to know what the imaginary books are made of, in your imaginary library. When you hear the sound of one hand applauding you will know that the effort was worth it. Every paragraph is a word party. A short paragraph is an intimate gathering. Naughty! Dirty words. An erotic poem. How Bacchanalian. Word. David Raffin is a Metaphysicist, Writer, & Performer. His work has been featured in the national newspaper Funny Times, Rosebud magazine, and praised by Maximum Rock'n'Roll, among others. Find him at <http://DavidRaffin.com>

Kimberly's Capital Punishment Richard Milward, 2012-08-14 Kimberly Clark was born to the sound of cackling witches in 1984. Having moved to London to follow her heart's dream, the sweet-but-slow Stevie, she soon tires of him and decides to destroy the relationship from within by being as

vile as is humanly possible. When this tactic leads to Stevie's violent death by his own hand, Kimberly's soul hangs in the balance - will she ultimately spend eternity in the great Topshop in the sky? Or will she be hurtled into an abyss of endless physical torture, sexual humiliation and bad stand-up comedy? This is the story of Kimberly's redemption, or possibly the story of her damnation: it's up to you. There are six different endings to choose between. This is a shocking, laugh-out-loud, nightmare-and-nausea-inducing book; a wild narrative experiment that recalls taboo-busting writers from William Burroughs to Irvine Welsh to Chuck Palahniuk.

Shatnerquake Jeff Burk, 2009 After a reality bomb goes off at the first ever ShatnerCon, all of the characters ever played by William Shatner are suddenly sucked into our world. Their mission: hunt down and destroy the real William Shatner. Featuring: Captain Kirk, TJ Hooker, Denny Crane, Priceline Shatner, Cartoon Kirk, Rescue 9-1-1 Shatner, singer Shatner, and many more. No costumed con-goer will be spared in their wave of destruction, no red shirt will make it out alive, and not even the Klingons will be able to stand up to a deranged Captain Kirk with a light saber. But these Shatner- clones are about to learn a hard lesson . . . that the real William Shatner doesn't take crap from anybody. Not even himself.

Ten Storey Love Song Luke Barnes, Richard Milward, 2016-03-01 Ten Storey Love Song follows Bobby the Artist's rise to stardom and horrific drug psychosis, Johnnie's attempts to stop thieving and start pleasing Ellen in bed, and Alan Blunt, a forty-year-old truck driver who spends a worrying amount of time patrolling the grounds of the local primary school. A love song to a loveless Teesside, Ten Storey Love Song is a ferocious slab of concrete prose, peppered with beauty and delivered with glorious abandon. Middle Child returned from the 2015 Edinburgh Fringe Festival as award winners for their production of Weekend Rockstars and Ten Storey Love Song will look much the same: part

play, part house party and a truly good night out.

Telling Stories Tim Burgess, 2012-04-26 The Charlatans have had three UK Number One albums and seventeen Top Thirty singles. But they've also had to face the imprisonment and death of keyboard player Rob Collins and an accountant who ran off with all their money. Not to mention the rock 'n' roll excesses of singer Tim Burgess. In his startlingly revealing memoir, not ghosted but written by Burgess himself, he describes how they dealt with their crises, and what's gone right with the band as much as what's gone wrong. Brought up in a Cheshire village, he went on to front a band that has travelled the world and was at the forefront of the Madchester and Britpop movements. *Telling Stories* is a tale of achievement and survival, via a fair bit of heartache, but told with humour. At the centre of it is Tim Burgess's own story- how someone with a passion for music got to fulfill his dreams. He doesn't flinch from the dark stuff - the lure of the rock 'n' roll lifestyle, its sweet enticements - and he confesses in vivid detail how he had to pull himself back from the brink. But along the way he had a lot of good times and met some great people while making great music. It's all here in *Telling Stories*. 'I've known Tim since the early 90s when he and his band made some of the best singles of that decade. He's a solid, music-loving, gentle, dry-witted fella who understands the importance of hair.' Paul Weller 'For a man whose behaviour borders on the suicidal, Timothy Burgess, the people's friend, is what you call a life enthusiast. He is also mad. It's a much-abused word, mad . . . but he really is proper coo-ee clouds para-dimensional mad.' Sylvia Patterson, Sky

Dockwood Jon McNaught, 2012 McNaught's comics are slow, quiet and very sensitive to place and time. The work is certainly poetic but not precious or twee. And the drawings are beautiful. Masterful stuff for someone so young.—Seth, author of Wimbledon Green and George Sprott:

1894-1975 in Time Dockwood is a small town in the Southeast of England, seven miles east of Brampton Moor. It has a population of 26,000 and is home to a bowling alley, a boating lake, and Willowbrook Outlet Village. It's a cloudy Tuesday in October and the residents of the town are going about their business as usual. In Elmsview Nursing Home, a kitchen porter dutifully prepares lunch for residents. Elsewhere, a council worker sweeps the fallen leaves from the pavements. Along Nettlefield Road, a paperboy is delivering his daily round. And in the trees, swallows gather noisily in preparation for their annual migration. In this new work, Jon McNaught weaves together the everyday lives of three locals against an evocative backdrop of autumnal transitions. Bittersweet and contemplative, Dockwood is for anyone who believes the stories that take place within life's small moments can often be the most meaningful of all. Jon McNaught is a printmaker and cartoonist living in Bristol, England. He also works as a printmaking instructor at the University of the West of England. He has produced comic strips for Nobrow, Art Review, and Stripburger, among others. His first book Birchfield Close was published in 2010 by Nobrow Press, as was his second, Pebble Island.
