*Williams* Maurice Hamilton,2012-04-24 A story of true drive – now the topic of a major documentary Founded in 1977 by Sir Frank Williams and Patrick Head, Williams F1 represents the last of the true independent teams; a company devoid of corporate dogma and run by enthusiasts driven by a love of racing and the satisfaction that comes with beating the rest of the world. Since its first Grand Prix victory at Silverstone on 14 July 1979, the team has won a further 116 GPs, delivered seven World Champions - among them Nigel Mansell and Damon Hill - and won nine Constructors Championships. This is the definitive history of the Williams team as told by those who have worked for Williams past and present. At the heart of the book are Sir Frank's personal recollections, along with memories and anecdotes from those at every level: from the shop floor to the upper strata of management; from the mechanics and machinists to the drivers - Mansell, Hill, Alain Prost and Alan Jones among them. It relates both the incredible highs of winning against the odds while never shying the terrible lows - the tragic deaths of Piers Courage in 1970 and Ayrton Senna in 1994 among them. Conveying the history and soul of a unique band of people, Williams F1 explains exactly why the Williams team is held in more affection than any other team in Britain, if not the world.

**Williams** Pamela Cockerill, Virginia Williams,2018-01-31 Frank Williams' team was on the verge of winning the Formula One World Championship for the third time when his life was turned upside down. The racing car constructor was on his way to Nice Airport on a spring afternoon in 1986 when he lost control of his car, suffering horrific injuries in a crash that left him a quadriplegic. For his wife, Ginny, the accident meant taking on new and unwanted roles as head of the household and family decision-maker, while also struggling to overcome the anger and grief she felt after the accident. In *A Different Kind of Life*, Ginny tells her story with honesty and humor, set against the glamorous backdrop of Formula One racing. She documents life before and after the devastating accident – from falling in love with Frank at first sight to learning how to cope with his needs after he became severely disabled but remained fiercely independent. A testament to the power of compassion and perseverance, *A Different Kind of Life* is a moving and inspirational story.

**Williams F1** Alan Henry,2003 This is the authorised photographic story of one of the great F1 teams. Established in 1977 by Frank Williams (a not particularly successful driver) and a young, talented engineer Patrick Head. Williams has won seven drivers championships, 108 grand prix victories and nine constructors' championships. Since the start Williams have created an exclusiv, hand-selected archive of the best photographs of the team and their successes. This is first time these photographs have been used in a book and the first time many have been seen. This is the ultimate F1 fans souvenir and a must have for followers of Williams.
