Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Bunny Boy and Me Nancy Laracy,2018-09-04 Diagnosed with fibromyalgia in her mid-thirties, Nancy Laracy adopts a rabbit, Bunny Boy, who ends up saving her life—literally. When the rug is pulled under from Nancy Laracy, a busy wife and mother of two who is diagnosed with a mixed connective tissue disease and fibromyalgia in her mid-thirties, she rebelliously adopts a baby red satin rabbit, Bunny Boy. So begins a deep, magical, and lifelong bond, where Bunny Boy and Nancy become inseparable companions in pain management. As Nancy battles her debilitating chronic pain, Bunny Boy is diagnosed with a similar incurable autoimmune disease, developing a severe jaw abscess. Despite the fact that bunnies are known for succumbing to their fear and pain during medical treatment, Bunny Boy fights through countless surgeries with the heart of a lion, even helping to pioneer a cutting-edge medical treatment that, once made available to humans, would save Nancy's life. Despite Bunny Boy's illness, he lives boldly with joie de vivre without a care for his pain, gamboling about the house where he runs free. As they grow closer in sickness and in health, Bunny Boy shows Nancy how to reclaim her own zest for life and overcome her disease, as well as dozens of other patients in a rehabilitation center when he becomes a therapy rabbit. A poignant story of resiliency, deep love, and faith in miracles, Bunny Boy and Me is a heartwarming tale of the unluckiest, luckiest rabbit who defied the odds and made a difference.

The Boy and the Rabbit Nyasunday Both War,2022-02-01 A little bit of kindness can make a lot of change in human life or animals. When you show kindness, care, and love to animals or pets, they always have so many different ways to express their happiness. For example, when you have been kind to a dog, the dog will wag its tail. When you show kindness to a cat, it will start rubbing its body around you, and the cat will make a purring noise to show you that it is happy. Most importantly, when you show kindness to friends, family, or even a person you don't know if they need your help, he or she will forever be grateful to you. Even if it may look so little to you, it can mean a lot to them. Some might not even tell you how thankful they are, but deep down in their hearts, they're grateful. So always choose to be kind, and good will always follow you. Thank you for taking the time to read this storybook to your family and friends. Always remember to be kind. Enjoy and thank you.
