And though the potential for alliance is there, how can he convince them to set off to fight a suicidal war with such a disastrous balance of forces? Beyond that, things aren't as easy as they initially seemed with the humans from the far-off Empire, and they have a compelling reason not to enter this war which does not concern them. A Strange and Stubborn Endurance Foz Meadows, 2022-07-26 "Many a reader longing for a sense of homecoming in the realm of romantic fantasy will find it in A Strange and Stubborn Endurance."—Jacqueline Carey "Stolen me? As soon to say a caged bird can be stolen by the sky." Velasin vin Aaro never planned to marry at all, let alone a girl from neighboring Tithena. When an ugly confrontation reveals his preference for men, Vel fears he's ruined the diplomatic union before it can even begin. But while his family is ready to disown him, the Tithenai envoy has a different solution: for Vel to marry his former intended's brother instead. Caethari Aeduria always knew he might end up in a political marriage, but his sudden betrothal to a man from Ralia, where such relationships are forbidden, comes as a shock. With an unknown faction willing to kill to end their new alliance, Vel and Cae have no choice but to trust each other. Survival is one thing, but love—as both will learn—is quite another. Byzantine politics, lush sexual energy, and a queer love story that is by turns sweet and sultry, Foz Meadows' A Strange and Stubborn Endurance is an exploration of gender, identity, and self-worth. It is a book that will live in your heart long after you turn the last page. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Devourer S. D. Shields, 2019-03-29 Unknown parasite attacks unsuspecting group of townspeople.

The Devourers Annie Chartres (formerly Vivanti.), Annie Vivanti, 1910

The Cheffe Marie NDiaye, 2019 From the Booker Prize-nominated author of Three Strong Women: an elegant, hypnotic new novel about a legendary French female chef--the facts her life, the nearly ineffable qualities of her cooking, and the obsessive, sometimes destructive desire for purity of taste and experience that shaped her life. Continuing her tradition of writing provocative fiction about fascinating women, here Marie NDiaye gives us the story of a Great Female Chef--a chef who was celebrated as one of the best in a world where men dominate, and the way that her pursuit of love, pleasure, and gustatory delights helped shape her life and career. Told from the

perspective of her former assistant (and unrequited lover), now an aged chef himself, here is the story of a woman's quest to the front of the kitchen-- and the extraordinary journey she takes along the way.

The Devourer Jacob E. Kelly,2015-03-08 What happens when an evil entity from beyond the grave challenges you to a race? What do you get when you win? What happens if you lose? Derrick Laseter Jr. is about to find out soon enough.

Devourer S. Shields,2019-03-29 A parasitic creature attacks unsuspecting group of people, forcing them to work with each other in order to survive.

Arise Jez Cajiao,2024-02-02 There's a new player in the great game, and the Elders edicts hold no sway over them... Steve and the team hold the ship but only for now. Yet the world is swiftly waking to the new reality, the vultures are circling, and keeping the ship looks to be at least as hard as taking it ever was. Time is never on Steve's side, but the knowledge that he agreed to present himself before the only faction he's not at war with, and the Elders have no patience for delays, only add to his stress. He's out of time, out of tricks, and patience? That's a luxury long gone. But while Steve might be running low on many things, his reservoir of brutality is far from dry. Good thing too, because one of the god-like creators has cast her ominous gaze on him now, and as far as she's concerned, he and all his kind are vermin. What will the vermin do, when the exterminators are called?

Messalina Zetta Brown,2008 Sexually frustrated and convinced that her size and race intimidate men, Eva Cavell goes to a movie theater weekly and allows desperate strangers to fondle her in the dark. During one of the escapades, Jared Delaney sees through her icy defense and straight through to the hot passion burning underneath.

The Devourer Julie McCord,Catrina Horsfield,2012-08-01 Eric has always thought that the war he grew up in was a human war, fought for human motivations. But when the new King of Varkala shapeshifts into a dragon and annihilates the border territory of Kathaur, Eric realizes that the very existence of his people is at stake.His only hope lies in the folk legend that his enemy is half-human, and that another of his kind dwells hidden somewhere deep in the ancient forest of Anashe. One of his own race - the aeshie - might be powerful enough to overcome the sorcerer-king humans have begun to call the Devourer.On the other hand, even if Eric can find this mythological ally, his success might re-awaken ancient hatreds dating back further than the beginnings of war and death themselves, and make everything much worse...Readers have called the book sweeping and beautiful, horrible and tragic, with deep currents of truth. The Devourer is a high fantasy with strong female characters and a dark heart.
