Captured in these 200 vintage images are the local volunteer fire companies, many support agencies, and other emergency services organizations that have been assisting Frederick County for centuries. Firefighters Dennis Smith,2010-07-07 An unforgettable journey through the daily lives of the brave men and women who have made saving lives their profession. Dennis Smith, author of Report from Engine Co. 82, traveled across the country talking to dozens of America's firefighters to put together this powerful collection of their own descriptions of their most dramatic and intense experiences on the job. Their stories, compiled here, are timeless testimonies to the human capacity for heroism and nobility. Focusing on the most courageous firefighters, from those who have been decorated for heroism to those who have been seriously injured, Firefighters presents the extraordinarily rich and rugged voices of men and women who fight urban building fires, who battle sweeping forest fires, who perform emergency rescues, and who face extreme danger and risk as part of their everyday lives. Sometimes brave, sometimes funny, sometimes bittersweet or filled with anger, these voices combine to make Firefighters both a riveting adventure drama and a moving chronicle of American heroism at its finest.

Notes from the Fireground Thomas Dunne,2020-02-20 In a 33-year career with the New York City Fire Department, Tom Dunne fought hundreds of fires, survived near death incidents, crawled down burning hallways, met unforgettable characters, and witnessed the 9/11 terrorist attack. From working in glittering mid-Manhattan high-rises to squalid ghetto tenements, he saw how people in crisis lived and survived and how the firefighters who served them worked and bonded. Exploring both the positive and controversial aspects of being a firefighter, this no-holds barred memoir provides an honest account of an unusual occupation that outsiders seldom get to see.

The Combat Position Christopher Brennan,2011 Firefighting is combat and should be viewed as a warrior's calling. Firefighters put themselves in harm's way to protect others, a selflessness rooted in the same noble drive as the military warriors who defend our nation. This book about combat is meant to be a guide for those who seek to follow a warrior's path, the path of the fire service warrior. Today's firefighter must be a warrior who will unflinchingly put his very life in harm's way to accomplish a mission, but who is also fully informed about the path being chosen. Embracing the philosophy of the fire service warrior, and striving for the ready position--the synthesis of physical and mental readiness that allows for optimum fireground performance--can reduce firefighter injuries and fatalities. The Combat Position: Achieving Firefighter Readiness will be an invaluable tool for firefighters, company officers, chief officers, and instructors.

Firefighting in Roanoke Rhett Fleitz,Roanoke Fire Fighters Association,2006-12-06 The Roanoke Fire Department's history began in 1882 when the first firefighters were organized by the newly chartered City of Roanoke. The volunteer fire companies such as the Vigilants, Juniors, Friendship, and Alerts provided protection against fire for the city. Roanoke began paying firefighters in about 1903; they were usually drivers to get the horses and steam engines ready for when the volunteers showed up. In 1907, the last of the volunteers disbanded in a show of solidarity to the city, and the Roanoke Fire Department became fully paid. The department doubled in size in 1936 when a second platoon was added and grew again in 1972 when the third platoon was added. The Roanoke Fire Department continued to protect the citizens and visitors of Roanoke City up until 1995 when it merged with Roanoke City EMS to form the Roanoke Fire-EMS Department. In Firefighting in Roanoke, the history of this 125-year-old local service tradition is told.

Pass it On Billy Goldfeder,2014-03-17 For his first book, Chief Billy Goldfeder, a 40-year fire service veteran, solicited insights and pearls of wisdom from our country's greatest firefighters, fire officers and emergency responders. The stories that make up this unprecedented collection share many perspectives of the emergency service experience and offer invaluable, often hard-won, lessons learned. Every firefighter, from probie to veteran, can find something to take away from these factual, real-life, first-hand stories, which offer a range of emotions—from wit to heartache and basic common sense. Features: • Introductions by Billy Goldfeder to each chapter • Chapters written by a very diverse group of more than 80 well-known fire service veterans • Experiences of some of the best names in the fire service that most of us would not have the opportunity to learn from directly Chief Goldfeder is donating 100% of his royalties equally to the Chief Ray Downey Scholarship and the National Fallen Firefighters Foundation. Every contributor fully supported the benevolent mission of this book.

Hagerstown Firefighting Through the Years Justin T. Mayhue,2005 Since the 19th century, the Hagerstown Fire Department has consisted of the following companies: First Hagerstown Hose, Antietam Fire, Independent Junior Fire, Western Enterprise Fire, Pioneer Hook & Ladder, and, since 1950, South Hagerstown Fire. In about 1895, the Hagerstown Fire Department began the transition from an all-volunteer force to a combination volunteer/career force. This second collection of historic firefighting images is a chronology of the Hagerstown Fire Department from 1791 to 2005. During that period, there were significant advances in firefighting equipment, technology, and firefighting training. In this volume, more than 200 images capture the firefighters and fire apparatus in action at fires and also the daily activities defining each era. Whether they were using buckets, hand- or horse-pulled apparatus, or half-million dollar motorized equipment, the firefighters of Hagerstown have always faced challenges with courage. The images in this volume bring to life

the men and women who sacrificed so much.
