The Art and Flair of Mary Blair (Updated Edition) John Canemaker,2014-05-20 For more than a dozen years, a soft spoken, unassuming woman dominated design at The Walt Disney Studios with a joyful creativity and exuberant color palette that stamped the look of many classic Disney animated features, including Cinderella and Peter Pan. Favorite theme park attractions, most notably the It's A Small World boat ride, originally created for the 1964 New York World's Fair, were also among her designs. Now the story behind one of Walt's favorite artists is celebrated in this delightful volume of whimsical art and insightful commentary. In her prime, Mary Blair was an amazingly prolific American artist who enlivened and influenced the not-so-small worlds of film, print, theme parks, architectural decor, and advertising. Her art represented and communicated pure pleasure to the viewer. Mary Blair's personal flair was at one with the imagery that flowed effortlessly and continually from her brush for more than half a century. Walt Disney loved her art and championed it at the Studio. The two shared many sensibilities, including a childlike fondness for playfulness in imagery.

Believing Is Seeing Errol Morris,2014-05-27 Academy Award-winning director Errol Morris turns his eye to the nature of truth in photography In his inimitable style, Errol Morris untangles the mysteries behind an eclectic range of documentary photographs. Each essay in this book is part detective story, part philosophical meditation, presenting readers with a conundrum, and investigates the relationship between photographs and the real world they supposedly record. Believing Is Seeing is a highly original exploration of photography and perception, from one of America's most provocative observers.

What My Bones Know Stephanie Foo, 2023-02-21 A searing memoir of reckoning and healing by acclaimed journalist Stephanie Foo, investigating the little-understood science behind complex PTSD and how it has shaped her life “Achingly exquisite . . . providing real hope for those who long to heal.”—Lori Gottlieb, New York Times bestselling author of

Maybe You Should Talk to Someone ONE OF THE BEST BOOKS OF THE YEAR: The Washington Post, Cosmopolitan, NPR, Mashable, She Reads, Publishers Weekly By age thirty, Stephanie Foo was successful on paper: She had her dream job as an award-winning radio producer at This American Life and a loving boyfriend. But behind her office door, she was having panic attacks and sobbing at her desk every morning. After years of questioning what was wrong with herself, she was diagnosed with complex PTSD—a condition that occurs when trauma happens continuously, over the course of years. Both of Foo's parents abandoned her when she was a teenager, after years of physical and verbal abuse and neglect. She thought she'd moved on, but her new diagnosis illuminated the way her past continued to threaten her health, relationships, and career. She found limited resources to help her, so Foo set out to heal herself, and to map her experiences onto the scarce literature about C-PTSD. In this deeply personal and thoroughly researched account, Foo interviews scientists and psychologists and tries a variety of innovative therapies. She returns to her hometown of San Jose, California, to investigate the effects of immigrant trauma on the community, and she uncovers family secrets in the country of her birth, Malaysia, to learn how trauma can be inherited through generations. Ultimately, she discovers that you don't move on from trauma—but you can learn to move with it. Powerful, enlightening, and hopeful, What My Bones Know is a brave narrative that reckons with the hold of the past over the present, the mind over the body—and examines one woman's ability to reclaim agency from her trauma.

Hustle Harder, Hustle Smarter Curtis "50 Cent" Jackson,2020-04-28 NEW YORK TIMES BESTSELLER For the first time, Curtis "50 Cent" Jackson opens up about his amazing comeback—from tragic personal loss to thriving businessman and cable's highest-paid executive—in this unique self-help guide, his first since his blockbuster New York Times bestseller The 50th Law. In his early twenties Curtis Jackson, known as 50 Cent rose to the heights of fame and power in the cutthroat music business. A decade ago the multi-platinum selling rap artist decided to pivot. His ability to adapt to change was demonstrated when he became the executive producer and star of Power, a high-octane, gripping crime drama centered around a drug kingpin's family. The series quickly became "appointment" television, leading to Jackson inking a four-year, \$150 million contract with the Starz network—the most lucrative deal in premium cable history. Now, in his most personal book, Jackson shakes up the self-help category with his unique, cutting-edge lessons and hard-earned advice on embracing change. Where The 50th Law tells readers "fear nothing and you shall succeed," Hustle Harder, Hustle Smarter builds on this message, combining it with Jackson's street smarts and hard-learned corporate savvy to help readers successfully

achieve their own comeback—and to learn to flow with the changes that disrupt their own lives.
