Debbie Bliss

The Baby Knits Book Debbie Bliss,2012-09-30 Debbie Bliss is now the star name in knitwear design and is set to become an even bigger name - she now has her own yarn range, available throughout the UK, North America, Europe, Japan and beyond. Debbie's many previous bestselling books have established her as the most stylish but accessible designer of children's knits working today. In this book, she returns to her core territory, with a fabulous new collection of new ideas for 0-3 year olds, the key time when knitters pick up their needles and get to work. There are designs for baby blankets, first sweaters and cardigans, booties and more unusual items, as well as lots of ideas for ultra-wearable, ultra-stylish kit for toddlers. To help even inexperienced knitters create these designs, each pattern includes extra info on the key stitches and techniques required, watchpoints and an estimated degree of difficulty and time required to knit it. All in all, an absolutely must-have collection from the star designer in knitwear today.

Paddling Southern Wisconsin Mike Svob,2012 Paddling Southern Wisconsin will guide you down some of the state's most alluring rivers, immersing you in its shifting landscape and infinite beauty.

Balkan Reconstruction Daniel Daianu,Thanos Veremis,2014-06-03 Focusing scholarly attention on a little known area of Europe, the book brings together analysts with an insider's view to examine the short and long-term challenges facing the region, the intricate relationship between politics and economics and the irrelevance of quick fixes in the postwar reform of Southeast Europe.

Special Knits Debbie Bliss,2006-10-26 The birth of a baby is a celebration, and Special Knits is based on our need to create lovingly-made items for new little people, in soft yarns that are gentle against delicate skin. Each stitch is invested with affection and care by the knitter. Some of the designs in this book are simple to make - their special quality lies in the softness of the fabric, usually a cashmere mix. There are other projects where the uniqueness of the design comes from a scattering of beads, a velvet bow, or an organza ribbon that frames the gentle curve of a baby's cheek. Most of the designs require little knowledge of complicated techniques; a simple garter-stitch blanket is perfect for a beginner and is given a touch of luxury with an edging of satin. Easy knits are embellished with a ribbon or a scattering of beads, while for those knitters who prefer more of a challenge, there is a sampler blanket or a cross-stitch embroidered gingham cardigan. What better gift for a new-born than to create a special hand-knitted and unique garment. In an age of the throwaway, these are garments that will become the modern classic, knits to cherish and hand down through generations.
