**Simon Garfield**

**Just My Type** Simon Garfield, 2011-09-01 A hugely entertaining and revealing guide to the history of type that asks, What does your favorite font say about you? Fonts surround us every day, on street signs and buildings, on movie posters and books, and on just about every product we buy. But where do fonts come from, and why do we need so many? Who is responsible for the staid practicality of Times New Roman, the cool anonymity of Arial, or the irritating levity of Comic Sans (and the movement to ban it)? Typefaces are now 560 years old, but we barely knew their names until about twenty years ago when the pull-down font menus on our first computers made us all the gods of type. Beginning in the early days of Gutenberg and ending with the most adventurous digital fonts, Simon Garfield explores the rich history and subtle powers of type. He goes on to investigate a range of modern mysteries, including how Helvetica took over the world, what inspires the seeming ubiquitous use of Trajan on bad movie posters, and exactly why the all-type cover of Men are from Mars, Women are from Venus was so effective. It also examines why the T in the Beatles logo is longer than the other letters and how Gotham helped Barack Obama into the White House. A must-have book for the design conscious, Just My Type's cheeky irreverence will also charm everyone who loved Eats, Shoots & Leaves and Schott's Original Miscellany.

**The Black Jacobins** C.L.R. James, 2023-08-22 A powerful and impassioned historical account of the largest successful revolt by enslaved people in history: the Haitian Revolution of 1791-1803 "One of the seminal texts about the history of slavery and abolition.... Provocative and empowering." —The New York Times Book Review The Black Jacobins, by Trinidadian historian C. L. R. James, was the first major analysis of the uprising that began in the wake of the storming of the Bastille in France and became the model for liberation movements from Africa to Cuba. It is the story of the French colony of San Domingo, a place where the brutality

of plantation owners toward enslaved people was horrifyingly severe. And it is the story of a charismatic and barely literate enslaved person named Toussaint L'Ouverture, who successfully led the Black people of San Domingo against successive invasions by overwhelming French, Spanish, and English forces—and in the process helped form the first independent post-colonial nation in the Caribbean. With a new introduction (2023) by Professor David Scott.

*The Circle* Dave Eggers,2013-10-08 INTERNATIONAL BESTSELLER • A bestselling dystopian novel that tackles surveillance, privacy and the frightening intrusions of technology in our lives—a “compulsively readable parable for the 21st century” (Vanity Fair). When Mae Holland is hired to work for the Circle, the world’s most powerful internet company, she feels she’s been given the opportunity of a lifetime. The Circle, run out of a sprawling California campus, links users’ personal emails, social media, banking, and purchasing with their universal operating system, resulting in one online identity and a new age of civility and transparency. As Mae tours the open-plan office spaces, the towering glass dining facilities, the cozy dorms for those who

spend nights at work, she is thrilled with the company's modernity and activity. There are parties that last through the night, there are famous musicians playing on the lawn, there are athletic activities and clubs and brunches, and even an aquarium of rare fish retrieved from the Marianas Trench by the CEO. Mae can't believe her luck, her great fortune to work for the most influential company in the world—even as life beyond the campus grows distant, even as a strange encounter with a colleague leaves her shaken, even as her role at the Circle becomes increasingly public. What begins as the captivating story of one woman's ambition and idealism soon becomes a heart-racing novel of suspense, raising questions about memory, history, privacy, democracy, and the limits of human knowledge.

Diari íntim inèdit Ferran Canyameres i Casamada, 2016-11-28  
Les galerades que es presenten aquí, són les primeres proves

inèdites fetes expressament per passar per la Censura del règim franquista, així com, per fer-hi correccions i esmenes ortotipogràfiques, d'estil i ortogràfiques. El dietari comença el gener del 1942: l'escriptor i el seu fill estan instal·lats a pagès i allí passaran (a partir de l'abril del 1942 amb la família al complet) els difícils anys de guerra fins l'alliberament de França, quan tornen a París. Es tracta doncs d'un recull d'impressions vives, acolorides, i els primers anys sense gaires esperances. Una manera de deixar constància de la intensitat del moment històric viscut, com l'anada a la recerca de queviures, el patiment de viure sota els bombardeigs, les relacions amb els companys d'exili, amb els camperols, amb els soldats alemanys. El perill de la retirada i la joia de l'alliberament. A l'edició d'aquesta última obra memorialística s'afegeix el dietari escrit al 1958 arran de la segona anada a la presó Model pel compliment de la sentència. Rememora els quinze dies passats a la quarta galeria als efectes de la quarantena o dels deu dies de període d'observació, viscuts en una cel·la amb dos altres presos. Va ser editat per l'Editorial Pòrtic, al 1972, en temps del franquisme i quan la Censura tenia un paper molt important en les publicacions de llibres. Anys més tard l'editorial Columna, l'any 1994, el reproduí en el Volum IV, de l'Obra Completa. Aquestes edicions són doncs incompletes. Per una banda, a causa de la Censura i per l'altra, perquè l'editor de Pòrtic el va considerar massa extens. Tal dia, les galerades dipositades amb tota la resta del llegat literari a l'Arxiu Històric de Terrassa, anaren a parar a mans de Montserrat Canyameres, que després de fer-ne una lectura exhaustiva, s'adonà que aquestes contenien la versió íntegra de l'Obra i no pas la censurada i retallada. Amb l'edició del llibre incompleta per una banda i les galerades per l'altra, n'anà fent la lectura d'ambdues, comparant i marcant en les galerades tot allò, que és molt!, inèdit en l'Obra editada primer per Pòrtic i després per Columna. Des d'aleshores, malgrat que s'hagi intentat editar de nou el Diari íntim, no s'ha trobat cap editorial que s'interessés a publicar-lo íntegrament.

**Factfulness** Hans Rosling, Anna Rosling Rönnlund, Ola Rosling, 2018-04-03 INSTANT NEW YORK TIMES BESTSELLER “One of the most important books I’ve ever read—an indispensable guide to thinking clearly about the world.” - Bill Gates “Hans Rosling tells the story of ‘the secret silent miracle of human progress’ as only he can. But Factfulness does much more than that. It also explains why progress is so often secret and silent and teaches readers how to see it clearly.” —Melinda Gates Factfulness by Hans Rosling, an outstanding international public health expert, is a hopeful book about the potential for human progress when we work off facts rather than our inherent biases. - Former U.S. President Barack Obama Factfulness: The stress-reducing habit of only carrying opinions for which you have strong supporting facts. When asked simple questions about global trends—what percentage of the world’s population live in poverty; why the world’s population is increasing; how many girls finish

school—we systematically get the answers wrong. So wrong that a chimpanzee choosing answers at random will consistently outguess teachers, journalists, Nobel laureates, and investment bankers. In *Factfulness*, Professor of International Health and global TED phenomenon Hans Rosling, together with his two long-time collaborators, Anna and Ola, offers a radical new explanation of why this happens. They reveal the ten instincts that distort our perspective—from our tendency to divide the world into two camps (usually some version of us and them) to the way we consume media (where fear rules) to how we perceive progress (believing that most things are getting worse). Our problem is that we don't know what we don't know, and even our guesses are informed by unconscious and predictable biases. It turns out that the world, for all its imperfections, is in a much better state than we might think. That doesn't mean there aren't real concerns. But when we worry about everything all the time instead of embracing a worldview based on facts, we can lose our ability to focus on the things that threaten us most. Inspiring and revelatory, filled with lively anecdotes and moving stories, *Factfulness* is an urgent and essential book that will change the way you see the world and empower you to respond to the crises and opportunities of the future. --- "This book is my last battle in my life-long mission to fight devastating ignorance...Previously I armed myself with huge data sets, eye-opening software, an energetic learning style and a Swedish bayonet for sword-swallowing. It wasn't enough. But I hope this book will be." Hans Rosling, February 2017.

**We Went Back** Cynthia Young, David Seymour, 2013 This book traces the career of Chim, famed photojournalist and cofounder of Magnum Photos, who dedicated much of his life to documenting war and its aftermath. Born Dawid Szymon in Warsaw, Chim began his career in the early 1930s photographing for leftist magazines in Paris. In 1936, one of these magazines, *Regards*, sent him to the front lines of the civil war in Spain, along with comrades Robert Capa and Gerda Taro. Although war formed the backdrop of much of his reportage, Chim was an astute observer of 20th-century European politics, social life, and culture, from the beginnings of the antifascist struggle to the rebuilding of countries ravaged by World War II. Like millions of other Europeans, Chim had suffered the pain of dislocation and the loss of family in a concentration camp. His profound empathy for his subjects is evident in his postwar work on child refugees. In this volume, Chim emerges as both a talented reporter and a creator of elegant compositions of startling grace and beauty. The book places Chim's work within the broader context of 1930s-1950s photography and European politics.

Lincoln in the Bardo George Saunders, 2017-02-14 #1 NEW YORK TIMES BESTSELLER • WINNER OF THE MAN BOOKER PRIZE The “devastatingly moving” (People) first novel from the author of *Tenth of December*: a moving and original father-son story

featuring none other than Abraham Lincoln, as well as an unforgettable cast of supporting characters, living and dead, historical and invented. Named One of Paste's Best Novels of the Decade • Named One of the Ten Best Books of the Year by The Washington Post, USA Today, and Maureen Corrigan, NPR • One of Time's Ten Best Novels of the Year • A New York Times Notable Book • One of O: The Oprah Magazine's Best Books of the Year

February 1862. The Civil War is less than one year old. The fighting has begun in earnest, and the nation has begun to realize it is in for a long, bloody struggle. Meanwhile, President Lincoln's beloved eleven-year-old son, Willie, lies upstairs in the White House, gravely ill. In a matter of days, despite predictions of a recovery, Willie dies and is laid to rest in a Georgetown cemetery. "My poor boy, he was too good for this earth," the president says at the time. "God has called him home." Newspapers report that a grief-stricken Lincoln returns, alone, to the crypt several times to hold his boy's body. From that seed of historical truth, George Saunders spins an unforgettable story of familial love and loss that breaks free of its realistic, historical framework into a supernatural realm both hilarious and terrifying. Willie Lincoln finds himself in a strange purgatory where ghosts mingle, gripe, commiserate, quarrel, and enact bizarre acts of penance. Within this transitional state—called, in the Tibetan tradition, the bardo—a monumental struggle erupts over young Willie's soul. Lincoln in the Bardo is an astonishing feat of imagination and a bold step forward from one of the most important and influential writers of his generation. Formally daring, generous in spirit, deeply concerned with matters of the heart, it is a testament to fiction's ability to speak honestly and powerfully to the things that really matter to us. Saunders has invented a thrilling new form that deploys a kaleidoscopic, theatrical panorama of voices to ask a timeless, profound question: How do we live and love when we know that everything we love must end? "A luminous feat of generosity and humanism."—Colson Whitehead, The New York Times Book Review
