When El and Octavia wake up in a movie theater with no memory of the last few hours of their lives, the two teenage dirtbags begin a surreal and terrifying journey to discover the truth about the strange town that they call home. Like so many women in Shudder-to-Think before them, all they have is a void where the truth once was. Zimbabwe Township Music Joyce Jenje-Makwenda, 2005 Zimbabwe Township Music is a celebration of age-old popular music, which was evolved by the early urban settlers as far back as the 1930's. Urban culture in those days was a product of mixed traditional, contemporary and Western influences, which all moulded into the unique township music. It is therefore the musical off-spring and melodic fusion of several tribal and cultural urban settlers in the early Black townships; typified by such variants as kwe la, tsabatsaba, marabi and afro-jazz. Township Music often became a symbol of identity and dissent in the Black townships, which did not go so well with the authorities of the day. As the political situation became tense, the music went under around 1963, when the Federation of Rhodesia and Nyasaland came to an end. At Zimbabwe's independence in 1980, Township Music resurfaced and trickled slowly back into the country, to a much awaited reception and revival. Today the Township Music craze is gripping the country, drawing even youthful enthusiasts in its wake. It would be painstaking to list the numerous pace-setters along the milestones of this musical odyssey. It suffices to mention only a representative few: Josaya Hadebe, Kenneth and Lina Mattaka, Evelyn and Simon Juba, Augustine Musarurwa, Moses Mphahlo-Mafuruse, Sonny Sondo, Simanga Tutani, John White, Andrew Chakanyuka, Dorothy Masuka, Faith Dauti, Paul Lunga, Tanga wekwa Sando, Prudence Katomeni Mbofana and Duduzile Manhenga.

DestinyQuest Michael J. Ward, 2011-02-01 DestinyQuest: The Legion of Shadow takes its influence from two genres, the 'choose your own adventure' book and the computer role-playing game. It uses an innovative map system to allow readers to experience exciting quests, battle fearsome monsters and discover valuable rewards. Through their adventures, the reader can customise their

hero from a selection of 400 items and 80 special abilities, allowing them to take on ever-greater challenges as they seek to save the kingdom from the sinister Legion of Shadow. Author Michael J. Ward draws on 10 years publishing experience and over 30 years of gaming to create a unique product; a book that draws on the latest innovations in computer-game design and fuses them with the old-style game books that initially attracted him to fantasy when he was younger. Aimed at readers of 12 and above, *DestinyQuest* will appeal to gamers and fantasy-enthusiasts as well as fans of online games such as *World of Warcraft*.
