*The Magic of Eyri* Daniel J. Hogan,2006-12-11 Imagination. Creativity. Art. All of these were alien concepts to science-minded thirteen-year-old Steve. So his parents sent Steve away from his boring suburban home of Beacon Pines to spend a fun-filled summer in the mid-Michigan town of River City with his Uncle Shameless. It would be a summer neither of them would ever forget. On what should have been a normal canoe trip down the Grand River, Steve and Uncle Shameless are instead whisked away to the magical -and wacky- fantasy world of Eyri. There, Steve discovers he is part of a prophecy to defeat the wicked Hawk-King and is destined to bring peace back to the zany world filled with humans, animal-people, and other fantastic creatures. Can a skinny kid from the suburbs make it in the rough and tumble fantasy world? Will Steve learn the importance of imagination? Why IS his uncle called Shameless? Find out in this madcap fantasy satire that blends thrilling action, comedy, and more oddball characters than your last family reunion.

**Artcade** Tim Nicholls,2016 Gamers who cut their teeth in the arcades will love this trip down memory lane. Artcade is a unique collection of coin-op cabinet marquees, some dating back 40 years to the dawn of video gaming. Originally acquired by Tim Nicholls from a Hollywood props company, this archive of marquees - many of which had suffered damage over time - have now been scanned and digitally restored to their former glory. The full collection of classic arcade cabinet artwork is presented here for the first time in this stunning landscape hardback book, and accompanied by interviews with artists Larry Day and the late Python Anghelo. Relive your mis-spent youth with artwork from dozens of coin-ops including Asteroid, Battlezone, Street Fighter II, Out Run, Moon Patrol, Gyruss, Q\*Bert, Bubble Bobble and many more. Each marquee takes up a full double-page spread in the book, and is faithfully recreated using beautiful lithographic printing on the highest quality paper. Tim has spent over a thousand hours assembling the high-resolution scans, restoring the images in Photoshop and color-correcting them back to their vibrant, as-new appearance. The results of all that hard work are now available as a lasting record of the amazing artwork that adorned the arcades during the golden era of coin-op video gaming.

**Jeff Bridges** ,2019-10-15 Academy Award-winning actor Jeff Bridges is widely adored as a jewel of American cinema, with dozens of leading credits to his name. For more than 30 years, on numerous film sets, Bridges, with his specialized panoramic camera, a Widelux F8, has captured behind-the-scenes views of the creative world of moviemaking. Now, 16 years since his first collection of photography, comes Volume Two. Taking pictures of coworkers on the job results in compelling photographs, especially when those people include the likes of Meryl Streep, Robert Duvall, Julianne Moore, Olivia Wilde, and Matt Damon, among others. Unique photos from his earlier work were first shared in *Pictures: Jeff Bridges* (powerHouse Books, 2003). Now, drawing on his most recent film work, *Jeff Bridges: Pictures Volume 2* expands on Bridges' intimate vision of Hollywood behind-the-scenes. Included within are rare looks at the famed actors, top directors, talented costumers and makeup artists, skilled and creative set and art decoration, and the rest of the passionate crews involved in such memorable movies as *True Grit*, *Crazy Heart*, *The Giver*, *TRON: Legacy*, and *Hell or High Water*. Together, these pictures provide glimpses of the art, craft, and sleight of hand behind the magic of motion pictures. *Jeff Bridges: Pictures Volume 2* also celebrates Bridges' mastery of the special effects made possible with the distinctive Widelux panoramic camera. Bridges' proceeds from *Jeff Bridges: Pictures Volume Two* will be donated to the Motion Picture & Television Fund, a nonprofit organization that offers charitable care and support to film-industry workers.

*White Banners* Paul M. Cobb,2001-03-22 Using Arabic, non-Arabic and newly available local Syrian sources, this richly detailed study examines the central events of medieval Islamic history: the fall of the Syrian Umayyad caliphate and the rise of the 'Abbasid state. As the 'Abbasids forged their new state from Iraq, Syrians raised their white banners of opposition and violently contested the changes that occurred under the 'Abbasid rule. As a result, the Syrian population quickly gained a reputation as uniquely contentious. *White Banners* traces the divergent fates of Syria's populace in their shift from center to periphery, rooting the many sources of Syrian contention in the nature of early Islamic provincial government. The book also provides answers to key questions concerning the history of medieval Syria: what strategies did the 'Abbasid government use to rule their

new province? What was the fate of the Umayyads in Syria who survived the revolution? How did Syria's tribal-military elite cope under new masters? What pushed the common folk to violence?

**Performing Illusions** Dan R. North, 2008 The camera supposedly never lies, yet film's ability to frame, cut and reconstruct all that passed before its lens made cinema the pre-eminent medium of visual illusion and revelation from the early twentieth century onwards. This volume examines film's creative history of special effects and trickery, encompassing everything from George Méliès' first trick films to the modern CGI era. Evaluating movements towards the use of computer-generated 'synthespians' in films such as *Final Fantasy: the Spirits Within* (2001), this title suggests that cinematic effects should be understood not as attempts to perfectly mimic real life, but as constructions of substitute realities, situating them in the cultural lineage of the stage performers and illusionists and of the nineteenth century. With analyses of films such as *Destination Moon* (1950), *Spider-Man* (2002) and the *King Kong* films (1933 and 2006), this new volume provides an insight into cinema's capacity to perform illusions.

**Prayer** Eric J. Alexander, 2012 We shall do well to watch our habits of prayer with a holy watchfulness. Here is the pulse of our Christianity. Here is the true test of our state before God. These words of J. C. Ryle are as true today as they were when they were first written over 150 years ago. Prayer matters, and Eric Alexander's chief concern in this book is to remind Christians that prayer is fundamental, and not supplemental, both in the individual and in the corporate lives of God's people. He shows that nowhere is this dependence on prayer more fully exemplified than in the life and teaching of Jesus himself, and in the ministry of the New Testament church.

Except, Dragons invade my dreams with such vivid detail, it feels like I'm one of them. When a gorgeous yet strange girl appears in my coffee shop, I'm strongly drawn to her, but a girlfriend is the last thing I need. As I struggle to keep my illness at bay, I am thrown into full-blown visions of a world that's not my own... and a daunting man in a demon mask. What the hell is happening to me? Being a Skyborne doesn't come without a cost, and my family has paid greatly. I, Princess Evanna, am the only one left to protect my people from the evil threatening to destroy us. Fulfilling my aunt's last wish, I travel to the human realm in search of the Harbinger of Justice-our only hope. Instead, I stumble upon a guy, sexy as sin, whose smile shakes me to my core. I'm drawn to Braxton as fiercely as he is to me, but helping him means exposing my Dragons and my true identity to the humans... Not helping him, will mean his death. Soon, we discover our destinies are entwined by a bigger force-one that cannot be stopped-and Braxton and I might be the key to keeping each other's worlds from crumbling to pieces. \*\**Rise of the Dragon Master* is a Young Adult/New Adult Crossover filled with mystery, emotion, witty humor, sexy romance, mischievous dragons and their fearless riders who will capture you and drag you into a new adventure!
