The Outlaw Nancy Vo, 2018-05-01 A small town lives in terror of the Outlaw, but one day, he disappears—and a mysterious stranger rides into town ... In this spare and powerful story set in the Old West, people in a small town live in constant worry of another visit from the Outlaw. Then the Outlaw suddenly and mysteriously disappears. Time passes, and one day a stranger rides into town. He takes it upon himself to fix everything that is in disrepair – the clapboard schoolhouse, the train station platform. He even builds a horse trough. But when someone recognizes him as the Outlaw, the crowd turns on the stranger. It takes the courage of a small boy to change the course of events ... The subtle, beautiful mixed-media art with its nineteenth-century textural references perfectly complements this original story from debut author and illustrator Nancy Vo. Correlates to the Common

Louise Bourgeois: To Unravel a Torment Louise Bourgeois, 2018-10-23
Celebrated for her singular contributions to 20th-century sculpture, drawing, painting, printmaking, installation and writing, French-born American artist Louise Bourgeois' (1911-2010) explorations of the human condition originated from her own lived experience. My goal is to relive a past emotion, Bourgeois explained. My art is an exorcism. Psychologically, emotionally and often sexually charged, Bourgeois' works intermingle the abstract and corporeal, the voluptuous and the distressing, to striking effect. *Louise Bourgeois: To Unravel a Torment* accompanies the first exhibition of the artist's work at Glenstone Museum, and features more than 30 major works drawn from the museum's collection. From her early wooden Personages to her large hanging sculptures, from suites of drawings and prints to textile works and her immersive Cells, *To Unravel a Torment* surveys Bourgeois' career through selected examples from her enormous body of work. Bourgeois was also a prolific writer, matching her sculptural language with reams of psychoanalytic musings on repression, symbolism and material. *To Unravel a Torment* also brings together never-before-published diary entries by the artist, annotated by Bourgeois scholar Philip Larratt-Smith, a contribution by art historian Briony Fer and an introduction by Emily Wei Rales, founder

and director of Glenstone Museum.

Readers are invited to share that sense of wonder and love for the animal world in this captivating book. Also included are free MP3 downloads of the song based on the text of My Woodland Wish performed by Caspar Babypants.

Cheese Sex Death Erika Kubick, 2021-10-26 From lauded cheesemonger and creator of the popular blog Cheese Sex Death, a bible for everything you need to know about cheese For many people, the world of artisan cheese is an intriguing but intimidating place. There are so many strange smells, unusual textures, exotic names, and rules for serving. Where should a neophyte begin? From evangelist cheesemonger Erika Kubick, this comprehensive book guides readers to become confident connoisseurs and worshippers of Cheesus. A preacher of the curd word, Kubick provides the Ten Commandments of Cheese, which breaks down this complex world into simplified bites. A welcoming sanctuary devoted to making cheese a daily part of life and gatherings, this book explores the many different styles of cheese by type, profiling commonly found and affordable wedges as well as the more rare and refined of rinds. Kubick offers divine recipes that cover everything from everyday crowd pleasers (think mac and cheese and baked brie) to festive feasts fit for holidays and gatherings. This cheese devotee outlines the perfect cheese

plate formula and offers inventive yet easy-to-execute beverage pairings, including wine, beer, spirits, and non-alcoholic drinks. These heavenly spreads and recipes wring maximum indulgence out of minimal effort and expense. Filled with seductive photography and audacious prose, *Cheese Sex Death* is a delightfully approachable guide to artisan cheese that will make just about anyone worship at the altar of Cheesus.

The Medieval Art of Swordsmanship Jeffrey L. Forgeng, 2018 Jointly Published with the British Royal Armouries Medieval fighting has long been thought to be rough and untutored. Visions of men madly slashing to and fro and hoping for the best still dominate not only popular culture but modern histories of fencing as well. In recent years, the survival of more than 175 fighting treatises from the Middle Ages and Renaissance has provided a whole generation of enthusiasts, scholars, reenactors and stage choreographers with a wealth of new information. This text represents the earliest known text on swordsmanship anywhere in the world. Royal Armouries MS I.33 presents a system of combat that is sophisticated and demonstrates the diffusion of fighting arts beyond the military classes. Within the manuscripts richly illustrated full-color illustrations lie still-potent demonstrates of sword techniques, surprisingly shown by a Priest and Scholar. Most surprisingly, however, is the presence of a woman practicing in the text, the only one illustrated in any European fighting treatise. This full color facsimile & translation has been long-awaited and promises to become an important resource for years to come
