For Those Who Can't Brendan Walsh, 2021-05-07 A NEW WORLD RECORD FOR MENTAL HEALTH. On September 30th, 2019, I left on a journey down the Atlantic Coast of the United States. From Madawaska, Maine, on the border of Canada to the southernmost point Key West, Florida, I rode for 11 days, 9 hours, and 33 minutes, covering 2,288 miles and set a new Guinness World Record for the Fastest Crossing of America by Bicycle (North to South). A month before the original start date I was hit by a car, totaling my bike and leaving me with a long list of injuries including a torn meniscus and concussion. While cycling 17+ hours a day my epic adventure had me facing extreme weather, multiple attempted robberies and dark suppressed memories. This story tells of massive triumphs in both body and mind, all for a very important cause: The National Alliance on Mental Illness. I've lost multiple friends to the terrible disease called depression, all while being anxiety ridden and suffering with it myself. Through endurance sports like cycling, I have found a better version of myself. This is my attempt to give back to the ultra-endurance community I have gained so much from. My hope is to inspire others to ride, run, swim, ski, and hike their ways to a clearer, happier life. You are not alone in life's journey!

*The Century's Scribe* Brendan Walsh, 2020-08-27 One night Dreden and his friends are attacked by mysterious men, with weapons they cannot understand. When they strike a second time, they chase the men into the Sea, and are transported to an alternate world.

Boy Republic Dr Brendan Walsh, 2013-06-19 Patrick Pearse, teacher, poet, and one of the executed leaders of the 1916 Rising has long been a central figure in Irish history. The book provides a radically new interpretation of Patrick Pearse's work in education, and examines how his work as a teacher became a potent political device in pre-independent Ireland. The book provides a complete account of Pearse's educational work at St. Enda's school, Dublin where a number of insurgents such as William Pearse, Thomas McDonagh and Con Colbert taught. The author draws upon the recollections of past-pupils, employees, descendants of those who worked with Pearse, founders of schools inspired by his work - including the descendants of Thomas McSweeney and Louis Gavan Duffy – and a vast array of primary source material to provide a comprehensive account of life at St. Enda's and the place of education within the 'Irish-Ireland' movement and the struggle for independence.

Nothing to See Here Brendan Walsh, 2022-05-27 Maxi Dillion finds himself back home, living with his eighty-year-old mother after living in New York City for twenty-five years. He thinks nobody knows the real purpose of his homecoming. He's wrong. Rumors with dorsal fins, circulate about the small town. Some say he's home to rob banks, others say, he's home to sell drugs. Cillian Mulcahy knows the real reason... he owes money to the mob. While Maxi's out running errands for his mother, he bumps into Ella, a childhood acquaintance... who is all grown up and strikingly beautiful. Ella always had a crush on Maxi and the sparks between them begin to fly but neither wants to let on. While over to Ella's house on a visit, Maxi discovers, what he believes to be a treasure map. He, Ella, and two of her two girlfriends embark on a hilarious adventure to find the hidden treasure. Their search takes them from a scrapyard run by two feuding brothers to a gay bar on an exclusive island, with many upsets in between. They hire actors from a drama class as decoys. They employ sex as a distraction. Everybody tells lies...

because nobody wants to know the truth. Will all their problems be solved if they locate the treasure?

**The Violin Conspiracy** Brendan Slocumb, 2022-02-01 GOOD MORNING AMERICA BOOK CLUB PICK! • Ray McMillian is a Black classical musician on the rise—undeterred by the pressure and prejudice of the classical music world—when a shocking theft sends him on a desperate quest to recover his great-great-grandfather’s heirloom violin on the eve of the most prestigious musical competition in the world. “I loved *The Violin Conspiracy* for exactly the same reasons I loved *The Queen’s Gambit*: a surprising, beautifully rendered underdog hero I cared about deeply and a fascinating, cutthroat world I knew nothing about—in this case, classical music.” —Chris Bohjalian, #1 New York Times bestselling author of *The Flight Attendant* and *Hour of the Witch* Growing up Black in rural North Carolina, Ray McMillian’s life is already mapped out. But Ray has a gift and a dream—he’s determined to become a world-class professional violinist, and nothing will stand in his way. Not his mother, who wants him to stop making such a racket; not the fact that he can’t afford a violin suitable to his talents; not even the racism inherent in the world of classical music. When he discovers that his beat-up, family fiddle is actually a priceless Stradivarius, all his dreams suddenly seem within reach, and together, Ray and his violin take the world by storm. But on the eve of the renowned and cutthroat Tchaikovsky Competition—the Olympics of classical music—the violin is stolen, a ransom note for five million dollars left in its place. Without it, Ray feels like he’s lost a piece of himself. As the competition approaches, Ray must not only reclaim his precious violin, but prove to himself—and the world—that no matter the outcome, there has always been a truly great musician within him.

**Buddha Vs. Bonobo** Brendan Walsh,2017-09-26 In *Buddha vs. Bonobo*, Brendan Walsh juxtaposes ancient human philosophy with the inherent spirituality of our Great Ape cousins, bonobos. Guided by humor, animal practicality, and the omnipresent questions of existence, this collection seeks answers through imagining what humans lost by leaving the Congo River Basin millions of years ago to establish civilization, property, agriculture—bonobos might argue we're lacking playfulness, free love, chaotic harmony with nature, and an ultimate connectivity.

The hit Fox show *Beverly Hills, 90210* became a cultural touchstone of the 1990s and propelled its young cast to megastardom, including Jason Priestley, who played honorable Midwestern transplant Brandon Walsh. Yet despite more than twenty years in and out of the limelight, Priestley has carefully maintained his privacy. In this compelling memoir, the actor, director, and race-car aficionado invites us into his private world for the first time. With humor, sincerity, and charm, Priestley offers little-known details about his life and stories of his nine years in America's most famous zip code. He talks candidly about celebrity, marriage, fatherhood, and his passion for car racing. He does not shy away from the devastating lows—his brief jail sentence for drunk driving and the crash at the Kentucky Speedway that nearly took his life. Priestley shares his innermost thoughts about life as a '90s icon, and goes beyond the Brandon Walsh squeaky-clean image, revealing the tumultuous events that have shaped him, and where he finds his greatest happiness today.

**The English Exorcist** Brendan C. Walsh,2020-07-30 In 1598, the English clergyman John Darrell was brought before the High Commission at Lambeth Palace to face charges of fraud and counterfeiting. The ecclesiastical authorities alleged that he had taught 4. to counterfeit demonic possession over a ten-year period, fashioning himself into a miracle worker. Coming to the attention of the public through his dramatic and successful role as an exorcist in the late sixteenth century, Darrell became a symbol of Puritan

spirituality and the subject of fierce ecclesiastical persecution. The High Commission of John Darrell became a flashpoint for theological and demonological debate, functioning as a catalyst for spiritual reform in the early seventeenth-century English Church. John Darrell has long been maligned by scholars; a historiographical perception that this book challenges. The English Exorcist is the first study to provide an in-depth scholarly treatment of Darrell's exorcism ministry and his demonology. It shines new light on the corpus of theological treatises that emerged from the Darrell Controversy, thereby illustrating the profound impact of Darrell's exorcism ministry on early modern Reformed English Protestant demonology. The book establishes an intellectual biography of this figure and sketches out the full compelling story of the Darrell Controversy.

*To Everything There Is* Donna Vorreyer, 2020-10-15 Sometimes with softness, sometimes with teeth, this book of poems will startle you with glimpses into the life of someone who has been smothered with emptiness after loss. Donna Vorreyer's *To Everything There Is* unplugs every gaping hole inside the body to confront the inner turmoils, aches of desire, and tangles of sin simmering inside. While struggling through faith and journeying into a fantastical world to deal with grief, these poems question what there is to life other than discovering death's soft humming. Yet, even at the lowest point, where one might, slice at the swell of the skin's blue-green river, there is something to hope for. Although we may encounter dark roads in our lives, Vorreyer pushes us toward self-acceptance, resilience, and love--toward the beauty of life. And whether the voices in the poems are preening their feathers and coming to a rebirth, or finding somewhere or someone to belong to, *Everything There Is* will have you longing to make the time you have left, lit by some sort of fire.
