The Gardener's Guide to Growing Hellebores features a wealth of practical advice on the cultivation and propagation of these increasingly popular plants. The book contains jargon-free accounts of species in the wild, descriptions of the varieties currently being grown, advice on breeding your own, and most importantly, an extensive chapter on associating hellebores with other plants and arranging groupings for maximum effect in the garden. Epossumondas Coleen Salley, 2002-08-01 Who's Epossumondas? Why, he's his mama's and his auntie's sweet little patootie, that's who. He's also the silliest, most lovable, most muddleheaded possum south of the Mason-Dixon line! Better choose your words wisely when he's around, 'cause otherwise you never know what you'll get. Epossumondas just might bring you a fist full of

crumbs, or a soaking wet puppy, or a scruffy wad of bread--oh, you just wouldn't believe it! Renowned storyteller Coleen Salley and Caldecott Honor illustrator Janet Stevens team up for this outrageous twist on the Southern story of the noodlehead who takes everything way too literally. (Or is that Epossumondas just pulling his mama's leg?)

To Market, To Market Anne Miranda, 2001-09-01 Anne Miranda's inventive twist on a classic rhyme tells what happens after a shopper goes "to market, to market, to buy a fat pig." Back home the pig promptly escapes, and soon the pig's in the kitchen, the lamb's on the bed, the cow's on the couch--and the rest of the animals are wreaking havoc throughout the house.

Some Snowdrops - A Photographic Ramble Anne C. Repnow, 2020-11 The joyous appearance of snowdrops during the colder months of the year warms the heart. It seems such a miracle to see these brave little plants blooming in the most dismal weather that people of all ages and backgrounds fall under their spell. *Some Snowdrops* pays homage to the elegance and beauty of snowdrops in all their different forms and demonstrates their worth as wonderful and rewarding garden plants. Nearly 280 poignant photos of 90 different *Galanthus* cultivars - some of them classics, some of them still rare - focus on their unique character and are complemented by short descriptive texts. In addition, little tables give an indication of price, vigour and blooming time, which spans a period of six months.

Miracle on Second Avenue Mukunda Goswami, 2016-01-10 *Miracle on Second Avenue* is a short, carefully researched documentary book written in a you-are-there style, that catalogs the start and growth of the Hare Krishna movement. The work is a memoir of Mukunda Goswami, one of the pioneers of the religious group that is now known throughout the world formally as the International Society for Krishna Consciousness (ISKCON). *Miracle on Second Avenue* is a series of historical events that include the movement's founder, A.C. Bhaktivedanta Swami Prabhupada, and his interactions on two continents

with the author over the three-year period from August 1966 until December 1969. Mukunda Goswami's book *Miracle on Second Avenue* won the 2012 National Indie Excellence Award, as their 2012 Biography-General prize winner.

After the Holocaust Stuart E. Eizenstat, Charlotte Knobloch, 2015

Complete Book Of U.S. Sniping Peter R. Senich, 2007-07-01 With almost 400 photos, this comprehensive volume documents the chronological development of the U.S. Army and Marine Corps sniper arms from the Civil War era through Vietnam, where first-class sniper training clearly demonstrated the value of precision marksmanship.

The Politics of the Past Peter Gathercole, David Lowenthal, 2004-01-14

'History is written by the winners' is the received wisdom. This book explains why historical interpretation has to incorporate perspectives from those other than 'winners', and demonstrates archaeology's crucial role in this wide-ranging approach. The book draws more on Africa, Afro-America, Australasia and Oceania than on Europe, the source of the traditionally dominant perspective in archaeology. The four organizing themes of *The Politics of the Past* are the forms and consequences of the Eurocentric heritage, the conflicting perspectives of rulers and ruled, the significance of administrative and institutional rivalries, and the cleavages that divide professional from popular views of archaeology. Archaeologists, anthropologists, historians and other scholars will find *The Politics of the Past* illuminating and provocative. It will enrich historical and archaeological inquiry and interpretation, and ramify their relevance for public policy.

Pot-pourri from a Surrey Garden Maria Theresa Earle, 1898

Eight and a Half Federico Fellini, Charles Affron, 1987 8 1/2 is among the greatest films of one of the masters of Italian cinema, Federico Fellini. This is the first English translation of the dialogue and the first complete continuity script of 8 1/2. This richly comic work, long recognized as the most important expression of the director's views about himself and his art, communicates to its viewers an understanding of the processes of filmmaking itself. 8 1/2 is the story of a director's efforts to make a film; it depicts the conditions of creativity, the struggle waged between the individual and the world, a struggle that finally makes some sense out of life and art.

Spring Gerda Muller, 1994-08 Wordless illustrations of the weather, colors, and activities children enjoy in spring.

The Soapstone Birds of Great Zimbabwe Edward Matenga, 1998 Beautifully produced and illustrated, this study of the Zimbabwean birds is more than a description or history of the eight soapstone carvings found at the Great Zimbabwe historical site. It offers an insight into an aspect of the cultural heritage of Zimbabwe and an interpretation of the important site of Great Zimbabwe from which it is inherited. The story of the birds is used to explore themes in Zimbabwean historiography. By focusing on the religious symbolism of the birds, the author argues that the Great Zimbabwe site was both a political and religious centre. Practically the work illustrates the central symbolic meaning of the birds to the people and nation of Zimbabwe. And the work is in the context of the construction of an authentic national history. In a foreword, the Minister of Foreign Affairs of Zimbabwe says that the birds are constituents of a living tradition embodying the body spirit of the modern national state of Zimbabwe.
