Teachers' Ethical Self-Encounters with Counter-Stories in the Classroom Teresa Strong-

Wilson, 2021-04-21 Offering unique theoretical perspectives, autobiographical insights and narrative accounts from elementary and secondary educators, this monograph illustrates the need for teachers to engage critically with counter-stories as they teach to issues including colonization, war, and genocide. Juxtaposing Pinar's concept of ethical self-encounters with theories of subjective reconstruction, multidirectional memory, and autobiographical narration, this rich volume considers teachers' ethical responsibility to interrogate the curriculum via self-reflection and self-formation. Using cases from workshops and classrooms conducted over five years, Strong-Wilson traces teachers' and students' movement from implicated subjects to concerned subjects. In doing so, she challenges the neoliberal dynamics which erode teacher agency. By working at the intersections of pedagogy, literary theory and memory studies, this book introduces timely arguments on subjectivity and ethical responsibility to the field of education in the Global North. It will prove to be an essential resource for

post-graduate researchers, scholars and academics working with curriculum theory and pedagogical theory in contemporary education.

Walt Kelly and Pogo James Eric Black, 2015-12-30 One of the most popular comic strips of the 1950s and the first to reference politics of the day, Walt Kelly's Pogo took on Joe McCarthy before the controversial senator was a blip on Edward R. Murrow's radar. The strip's satire was so biting, it was often relegated to newspaper editorial sections at a time when artists in other media were blacklisted for far less. Pogo was the vanguard of today's political comic strips, such as Doonesbury and Pearls

Before Swine, and a precursor of the modern political parody of late night television. This comprehensive biography of Kelly reveals the life of a conflicted man and unravels the symbolism and word-play of his art for modern readers. There are 241 original Pogo comic strips illustrated and 13 other Kelly artworks (as well as illustrations by other cartoonists).

Berserk Volume 13 Kentaro Miura,2017-07-18 The Band of the Hawk may have been the most formidable band of fighters around, but when matched up against an army of abyssal monstrosities, earthly fighting skills don't amount to a hill of beans. The Hawks' tortured and mutilated former leader, Griffith, has used the accursed Crimson Behelit to open the gates to a shadowy realm of unspeakable horrors, the realm of the demon lords of the Godhand, who are willing to transform Griffith into a being of terrible power and majesty as long as Griffith is willing to give up his former command as sacrifices

in the Invocation of Doom. But nobody takes down the Hawks without a fight, and their berserker champion, Guts, will take on anything Hell can throw at him in order to save his lover, Casca, from the sordid violations that only Hell can offer.
