📖 **The Drowned Woods** Emily Lloyd-Jones,2022-08-16 WINNER OF THE 2023 TIR NA N-OG AWARD The right cause can topple a kingdom . . . Once upon a time, the kingdoms of Wales were rife with magic and conflict - and Mer is well-acquainted with both. For years, she has been running from the prince who bound her into his service - and forced her to kill thousands with her water magic. Now, all Mer truly wants is a quiet life, far from power and politics. But then Mer’s old handler offers her a proposal: use her powers to bring down the very prince that abused them both. With the help of a fae-cursed man, a snarky thief, and a corgi that may or may not be a spy, Mer must decide if she’s prepared to run for the rest of her life, or to stand and fight for her freedom - and peace . . . Part heist novel, part dark fairy tale, and rich with Welsh legends, The Drowned Woods is perfect for fans of Kristin Cashore and Maria V. Snyder.

📖 **My Name Is Venus Black** Heather Lloyd,2018-02-27 In this riveting, heartfelt debut, a young woman assumes a new name to escape her dark past and find the redemption she desperately seeks. “It’s impossible not to root for this strong, willful girl as she finds her place in the world and for her brother as he tries to make sense of it.”—Kirkus Reviews “Charming, touching, and a host of other adjectives not often associated with a murderous thirteen-year-old.”—Booklist Venus Black is a straitlaced A student fascinated by the study of astronomy—until the night she commits a shocking crime that tears her family apart and ignites a media firestorm. Venus refuses to talk about what happened or why, except to blame her mother. Adding to the mystery, Venus’s developmentally challenged younger brother, Leo, goes missing. More than five years later, Venus is released from prison with a suitcase of used clothes, a fake identity, and a determination to escape her painful past. Estranged from her mother, and with her beloved brother still missing, she sets out to make a fresh start in Seattle, skittish and alone. But as new people enter her orbit—including a romantic interest and a young girl who seems like a mirror image of her former lost self—old wounds resurface, and Venus realizes that she can’t find a future while she’s running from her past. In this gripping story, debut novelist Heather Lloyd brilliantly captures ordinary lives thrust into extraordinary circumstances. Told through a constellation of captivating voices, My Name Is Venus Black explores the fluidity of right and wrong, the pain of betrayal, and the meaning of love and family. When the deadly MK virus swept across the planet, a vaccine was created to stop the epidemic, but it came with some unexpected side effects. A small percentage of the population developed superhero-like powers, and Americans suffering from these so-called adverse effects were given an ultimatum: serve the country or be declared a traitor. Some people chose a third option: live a life of crime. Seventeen-year-old Ciere Giba has the handy ability to change her appearance at will. She’s what’s known as an illusionist. She’s also a thief. After crossing a gang of mobsters, Ciere must team up with a group of fellow super powered criminals on a job that most would have considered impossible: a hunt for the formula that gave them their abilities. It was supposedly destroyed years ago--but what if it wasn’t? Government agents are hot on their trail, and the lines between good and bad, us and them, and freedom and entrapment are blurred as Ciere and the rest of her crew become embroiled in a deadly race that could cost them their lives.
