An Impossible Marriage Laurie Krieg,Matt Krieg,2020-10-27
People say our marriage is impossible. Laurie and Matt Krieg are in a mixed-orientation marriage: a marriage in which at least one partner's primary attraction isn't toward the gender of their spouse. In the Kriegs' case, Laurie is primarily attracted to women—and so is Matt. Some find the idea of mixed-orientation marriage bewildering or even offensive. But as the Kriegs have learned, nothing is impossible with God—and that's as true of their marriage as anyone else's. In *An Impossible Marriage*, the Kriegs tell their story: how they met and got married, the challenges and breakthroughs of their journey, and what they've learned about marriage along the way. Christianity teaches us that marriage is a picture of Jesus' love for the church—and that's just as true in a mixed-orientation marriage as in a straight one. With vulnerability and wisdom, this book lays out an engaging picture of marriage in all its pain and beauty. It's a picture that points us, over and over again, to the love and grace of Jesus—as marriage was always meant to do.

One Piece, Vol. 89 Eiichiro Oda,2019-02-05 Big Mom's hunger pangs have turned her into an unstoppable force of destruction and she has her eyes on the Thousand Sunny. The only thing that has any chance of stopping her is a giant wedding cake Sani is helping construct, but can they get it to her in time? Meanwhile, Luffy's battle against Katakuri heads to a climactic finish! -- VIZ Media

A War of Loves David Bennett,2018-11-13 At 14, David Bennett came out to his parents. At 19, he encountered Jesus Christ. At that moment, his life changed forever. As a young gay man, David Bennett saw Christianity as an enemy to freedom for LGBTQI people, and his early experiences with prejudice and homophobia led him to become a gay activist. But when Jesus came into his life in a highly unexpected way, he was led down a path he never would have predicted or imagined. In *A War of Loves*, David recounts his dramatic story, from his early years exploring new age religions and French existentialism to his university experiences as an activist. Following supernatural encounters with God, he embarked on a journey not only of seeking to reconcile his faith and sexuality but also of discovering the higher call of Jesus Christ. *A War of Loves* investigates what the Bible teaches about sexuality and demonstrates the profligate, unqualified grace of God for all people. David describes the joy and intimacy he found in following Jesus Christ and how love has taken on a radically new and far richer meaning for him.

One Piece, Vol. 69 Eiichiro Oda,2013-12-03 Things are looking grim on Punk Hazard as deadly gas set off by a mad scientist envelops the island. Luffy and the rest of the Straw Hats are on a mission to both take down Caesar Clown and escape to safety before the gas can get them! -- VIZ Media

One Piece, Vol. 72 Eiichiro Oda,2014-09-02 Luffy and his crew arrive in the kingdom of Dressrosa where Doflamingo has prepared a clever trap for them. Can Trafalgar Law get them out of trouble? And will Luffy win the fighting tournament and claim the prize, his late brother's Flame-Flame Fruit? -- VIZ Media

Bloodlands Timothy Snyder,2012-10-02 From the author of the international bestseller *On Tyranny*, the definitive history of Hitler's

and Stalin's politics of mass killing, explaining why Ukraine has been at the center of Western history for the last century. Americans call the Second World War "the Good War." But before it even began, America's ally Stalin had killed millions of his own citizens—and kept killing them during and after the war. Before Hitler was defeated, he had murdered six million Jews and nearly as many other Europeans. At war's end, German and Soviet killing sites fell behind the Iron Curtain, leaving the history of mass killing in darkness. Assiduously researched, deeply humane, and utterly definitive, *Bloodlands* is a new kind of European history, presenting the mass murders committed by the Nazi and Stalinist regimes as two aspects of a single story. With a new afterword addressing the relevance of these events to the contemporary decline of democracy, *Bloodlands* is required reading for anyone seeking to understand the central tragedy of modern history and its meaning today.

Black Swan Affair K. L. Kreig, 2016-09 I've loved him as long as I can remember. The gangly boy with big brown eyes and unruly hair who grew up into an intoxicating man. He wears scruff like he invented it and ambles with a swagger that makes panties drop. Killian Shepard. Shep. We grew up together. We played Ghost in the Graveyard. Had our own rock band. It didn't matter that he was five years older than me. It didn't matter that he looked at me as a kid sister even as I grew into woman. It didn't even matter when he left me behind to go to college and start his adult life. He'd be back. He was always meant to be mine. He came back, all right. But instead of smelling of promises, he stunk of betrayal. And he destroyed me-us-the day he married my sister instead of me. So I did the only thing a girl like me in my position could do. I got my revenge. I married his brother, Kael. Now we're one big happy f**king family.

War Is a Force that Gives Us Meaning Chris Hedges,2014-04-08

As a veteran war correspondent, Chris Hedges has survived ambushes in Central America, imprisonment in Sudan, and a beating by Saudi military police. He has seen children murdered for sport in Gaza and petty thugs elevated into war heroes in the Balkans. Hedges, who is also a former divinity student, has seen war at its worst and knows too well that to those who pass through it, war can be exhilarating and even addictive: "It gives us purpose, meaning, a reason for living." Drawing on his own experience and on the literature of combat from Homer to Michael Herr, Hedges shows how war seduces not just those on the front lines but entire societies—corrupting politics, destroying culture, and perverting basic human desires. Mixing hard-nosed realism with profound moral and philosophical insight, *War Is a Force that Gives Us Meaning* is a work of terrible power and redemptive clarity whose truths have never been more necessary.

Nanjing Requiem Ha Jin,2012-10-02 It's 1937, and the Japanese are poised to invade Nanjing. Minnie Vautrin, an American missionary and the dean of Jinling Women's College, decides to remain at the school, convinced that her American citizenship will help her safeguard the welfare of the Chinese men and women who work there. She is painfully mistaken. In the aftermath of the invasion, the school becomes a refugee camp for more than ten thousand homeless women and children, and Vautrin must struggle, day after day, to intercede on the behalf of the hapless victims. Yet even when order and civility are restored, she remains deeply

embattled, always haunted by the lives she could not save. At once a searing story that unfurls during one of the darkest moments of the twentieth century and an indelible portrait of a singular and brave woman, *Nanjing Requiem* is another tour de force from the National Book Award-winning author of *Waiting*.

One Piece, Vol. 33 Eiichiro Oda, 2011-07-04 After exploring the newest island, Long Ring Long Land, the Straw Hats meet the Foxy Pirates.
