

Times Square.jpg

Ann E. Burg

Broadway Michelle Young, 2015 From its origins as a Native American trail to its iconic status in global culture today, Broadway tells the story of New York as it grew from a Dutch colony into a world-class city. Broadway has been the site of many firsts and many superlatives: the first subway line in the city, the tallest buildings, and one of the longest streets in the world. Beginning along the winding streets of the original settlements amid the skyscrapers of the Financial District, Broadway heads north through the neighborhoods of SoHo and Greenwich Village. It then traverses some of the city's most famous plazas, including Flatiron, Herald Square, Times Square, and Columbus Circle, before entering Upper Manhattan and passing institutions like Lincoln Center, Columbia University, and City College. Today, Broadway continues to be at the forefront of New York City's urban developments.

Times Square Style Vicki Gold Levi, Steven Heller, 2004-08-12 Before there was Vegas, and long before there was reality television, there was Times Square. For a century, it has stood as the blazing Crossroads of the World; the sometimes magical, sometimes tawdry, but always spectacular epicenter of American commercial culture. Times Square Style is a visual compendium of the energy and dazzle and glamour that made the Great White Way the most famous -- and notorious -- place in America's most famous -- and notorious -- city. From Ziegfeld's Follies and George White's Scandals to titanic signs with screaming type -- Drink Pepsi! Smoke Camels! Good to the Last Drop! -- to burlesques with dancing girls in short, short skirts, this book brings to colorful life a trove of arcane, lost, and otherwise forgotten promotions, signs, flyers, programs, posters, records, napkins, advertisements,

billboards, and other works of ephemera large and small. Times Square Style is published on the centennial anniversary of this defining American place, with more than 200 color images and 25 vintage black-and-white prints.

The Times Square Gym John Goodman (Photographer), Pete Hamill, 1996

One Times Square, 2011 Explores the story of this intersection, from when Broadway was a mere dirt path known as Bloomingdale Road, through the district's decades of postwar decay, to its renewal as a tourist-friendly mecca.

The Forty-Deuce Hilton Ariel Ruiz, Beatriz Ruiz, 2012-06-12 In the 1970s and 80s New York was internationally renowned for its seedy underbelly; the world capital of leisure, luxury, and sin. And the epicenter of New York vice, hands down, was 42nd Street-Times Square-a.k.a. the Forty-Deuce. On any given night on the Forty-Deuce you could take in the latest blockbuster, B-movie, or skin flick; cop drugs or cop a feel. A playground for the perverse, as well as a destination for thrill-seekers and partiers from every borough of New York City and beyond, Times Square was the electric heart of the city that refused to sleep. *The Forty-Deuce: The Times Square Photographs of Bill Butterworth, 1983-1984* is a series of photographs capturing a gritty, glamorous, and authentic old-school New York, well before Mickey Mouse took over Times Square and scrubbed it clean. Curators and editors Beatriz and Hilton Ariel Ruiz have collected and preserved the work of local street photographer Bill Butterworth, and have drawn from his work to create a revealing portrait of the Forty-Deuce, inside and out-capturing the unique street life and street style of the era, but also drawing us deeper in, to the peep shows, sex shops, backroom brothels, dimly lit arcades, and low-budget theatres where the action happened. In the tradition of Jamel

Shabazz's classic, *Back in the Days*, *The Forty-Deuce* showcases the early-80s style of New York's first b-boys, out on the town and dressed to impress, but it adds some sin to the mix, with the Deuce's own slick pimps, strung out hustlers, and the spandex and leather clad prostitutes, strippers, and trannies that worked 42nd Street nightly, and defined it for years.

Hubert's Freaks Gregory Gibson, 2009 From the moment Bob Langmuir, a down-and-out rare book dealer, spies some intriguing photographs in the archive of a midcentury Times Square freak show, he knows he's on to something. It turns out he's made the find of a lifetime--never-before-seen prints by the legendary Diane Arbus. Furthermore, he begins to suspect that what he's found may add a pivotal chapter to what is now known about Arbus as well as about the old weird America, in Greil Marcus's phrase, that Hubert's inhabited. Bob's ensuing adventure--a roller-coaster ride filled with bizarre characters and coincidences--takes him from the fringes of the rare book business to Sotheby's, and from the exhibits of a run-down Times Square freak show to the curator's office of the Metropolitan Museum of Art. Will the photos be authenticated? How will Arbus's notoriously protective daughter react? Most importantly, can Bob, who always manages to screw up his most promising deals, finally make just one big score?

The Times Square Story Geoffrey O'Brien, 1998 A film scenario on life in Times Square in the 1950s. Featuring some fifty still photos, the scenario tells the story of a recently discharged GI who becomes involved in the district's lowlife.

Times Square Ann E. Burg, 2005 This picture book counts its way through New York history, exploring little-known facts along the way.

Secret Brooklyn Michelle Young, Augustin Pasquet, 2017

Times Square Spectacular Darcy Tell, 2007-11-06 A visual history of Times Square from the late 19th century to today, rich with rarely seen photographs of the neighborhood's shimmering, pre-World War II electric advertising signs. In Times Square Spectacular, Darcy Tell traces the 100-year story of Times Square using rare photographs and hand-colored lantern slides, maps, restaurant menus, theater programs, magazine covers, postcards, sheet music, and archival documents. Presenting even the most familiar elements of Times Square lore with fresh, eye-catching detail, she pays special tribute to ad man extraordinaire Douglas Leigh's arrival in the early 1930s, which brought a stunning new era of electric brightness and innovation. Leigh dominated the Broadway streetscape for nearly 50 years, stopping traffic with special-effects billboards such as the legendary Camel cigarettes smoke rings sign. Covering both Times Square's infamous decline as well as its hard-wrought, present-day revival, Times Square Spectacular is the first pictorial history of the legendary American landmark.

Keep Going New York !! Stefan Falke, 2021-01-13 New York City based and internationally known photographer Stefan Falke focuses on the resilience of his fellow New Yorkers, on moments of normalcy under exceptional circumstances during the pandemic in 2020. These stunning photographs of his chosen hometown of the last twenty years include New Yorkers in what they always do: They keep going !! Keep Going New York !! 59 photographs, 62 pages, 10×8 in, 25×20 cm, with an introduction by New York based journalist Claudia Steinberg.

Times Square Jill Stone, 1982 Portrays the development of the Times Square area and

its theaters, nightclubs, and other attractions from the earliest days of New York City to the early 1980's.

A Geek in Korea Daniel Tudor, 2014-09-09 For every fan of K-Pop music, Korean Wave dramas and Kimchi—or anyone intrigued by Korea and Korean culture—*A Geek in Korea* is a hip, new guide to the land of the Samsung smartphone and Gangnam Style. Author Dan Tudor first arrived in Korea on the eve of the 2002 World Cup when South Korea played Italy in the finals. What he saw inspired him to return and work in Korea. He served as *The Economist* magazine's Korea correspondent for three years, and he writes regular columns for the national daily *JoongAng Ilbo* newspaper. Along the way, he has developed a great love and admiration for Korean culture and the Korean people. *A Geek in Korea* reinvents the culture guide for the Internet age. Packed with articles and photographs, it covers all the touchstones of Korean culture—from Buddhism and Confucianism to chapters on the traditional arts and disciplines like Taekwondo. There are chapters on cultural code words and norms; personal relationships; business and technology; and symbols and practices that are peculiarly Korean. A number of chapters are devoted to Korean pop culture, with attention to the stars, idols, and urban subcultures associated with them. For visitors to Korea, the author includes a mini-guide to his favorite neighborhoods in Seoul and other places of outstanding interest. Spotlighting the originality and creativity of the Koreans, debunking myths about them, and answering nagging questions like why they're so obsessed with education and success—Tudor has created the perfect book for the growing ranks of Koreaphiles in this inspired, insightful, and highly informative guide.

Foundation XML for Flash Sas Jacobs, 2006-11-14 * Potentially huge market, due to Rich

Internet Applications growing in popularity, and Microsoft Office and .NET development being so popular – this book shows how to use XML and Flash to integrate these MS technologies with simple Rich Internet Applications. * There is no other book on the market that covers this topic area. * Book supports next version of Flash, which is also a large market area.

Exploring History, 2010

The Century in Times Square New York Times Company, 1999 Drawing on the vast archives of The New York Times, this volume documents 100 years of unforgettable moments in America's town square. Photos, many in color.

Geographic Thought Tim Cresswell, 2024-01-12 Geographic Thought An accessible and engaging introduction to geographic thought In the newly expanded Second Edition of *Geographic Thought: A Critical Introduction*, renowned scholar Tim Cresswell delivers a thoroughly up-to-date and accessible examination of the major thinkers and key theoretical developments in the field. Coverage of the complete range of the development of theoretical knowledge—from ancient geography to contemporary theory—appears alongside treatments of the influence of Darwin and Marx, the emergence of anarchist geographies, the impact of feminism, and myriad other central bodies of thought. This

latest edition also includes new chapters on physical geography and theory, postcolonialism and decoloniality, and black geographies. The author emphasizes the importance of geographic thought and its relevance to our understanding of what it means to be human and to the people, places, and cultures of the world in which we live. This new edition contains: New examples throughout consisting of contemporary research from a wider range of geographical contexts and by geographers from diverse backgrounds Comprehensive explorations of physical geography that combine updated coverage from the first edition with brand new material Updated discussions of spatial science and quantitative methods that include considerations of the role of place and specificity in quantitative work In-depth examinations of the Anthropocene, the uses of assemblage theory, and the emergence of the GeoHumanities. Perfect for students of undergraduate and graduate courses in geographic thought, *Geographic Thought: A Critical Introduction* will also earn a place in the libraries of students and scholars researching the history and philosophy of geography, as well as practicing geographers.

Document-Based Assessment Activities Cynthia Boyle,Blane Conklin,Kathleen Vest,2009-07-15 Take students beyond textbook history to explore various people and events from ancient Egypt through the 20th Century using primary sources. Students will develop critical-thinking and essay writing skills as they analyze the various documents including photographs, posters, letters, maps, and more. Multiple social studies topics are included for grades K-3, 4-8, and 9-12. This resource includes engaging digital resources and is aligned to College and Career Readiness and other state standards.
