The Crystal Pendulum R.c. Farrington, 2016-11-19
Guardian of the Bermuda Triangle For thousands of years' story tellers have told the tale of the lost City of Atlantis, but you've never heard about the City of Atlantis that actually exists. The magical world of Atlantis is miles beneath the island of Bermuda in the Sargasso Sea. This is a true wonderland of breathtaking crystal and coral formations. Creatures who have the gift of speech live side by side with the Atlanteans. The guardian of the Bermuda Triangle is the Crystal Pendulum which resides in the Great Crystal Hall. There it maintains the balance that protects the world from the uncontrollable forces of the Bermuda Triangle. There is also a dark side in this world beneath the sea. The Dredge in the Kingdom of Undercroft have for thousands of years tried to destroy the Crystal Pendulum. Styx, Lord of the Dredge is the most feared monster in the neighboring volcanic wasteland. His army of the Dredge and beasts of the darkness will never stop until Atlantis and the crystal is destroyed. The Spinners, five teenagers from Bermuda find themselves engulfed in this battle of good versus evil miles beneath the sea. Should they fail, uncontrollable earthquakes and massive tsunami waves of the Bermuda Triangle will not only destroy Atlantis it will consume their homeland of Bermuda.

Atlantis Geoffrey Keyte, 1995

King of Atlantis Crystal Santacruz, 2018-02 I have angered the gods. As punishment, I am to live as an immortal in my destroyed kingdom, Atlantis. Thousands of years of loneliness is too much to bear. However, the ocean waters brought you to my arms. You are what my heart needed, love. -Trystan

The Atlantis Crystal Will Clark, 2010-02-20 While stealing Mayan artifacts from a secret dig site in Mexico, Digger and his smuggling partners uncover

ancient Atlantean artifacts. Digger becomes trapped between his commitment to his smuggling partners and his self-imposed duty as an archaeologist to document the important find. His partners are concerned only about the value of the ancient items, especially a fifty pound golden urn. The disagreement, along with being pursued by federal agents, creates mistrust within the group. They suspect Morgan's wife, Karen, of being an informant. In his urgency to escape the killing spree that follows, Digger returns to the Gulf Coast to find the other remaining member of the group. When he arrives he is forced to solve a murder mystery, Karen's disappearance, while at the same time save his own life. In this strange mystery twist, he becomes a target for murder while trying to help a little girl, Tammy, find her mother, Karen. Tammy has a strange obsession with a crystal, and claims it tells her where Karen is. Morgan, who planned her murder, suffers an unusual ending.

Shadows of Atlantis Mara Powers, 2015-05-22

Atlantis is an idyllic paradise where citizens are meant to live in alignment with nature and reach their highest potential. They have thrived for thousands of years, powering their cities by feeding mindlight donations to the Crystal Grid, which connects the people psychically. But the Grid has been infiltrated by shadows-terrifying parasite creatures that stimulate and feed off the negative emotions of humans. They have caused an epidemic called the madness. There are those, however, who have been born with a gene, that when awakened, have been able to unlock mystical powers once believed to be the birthright of all humans. D'Vinid, a dejected troubadour, has better things

to think about, and yet he is accused of being one of them. When he meets Brigitte, who has come to Atlantis from the dreamclans, a chain of events is set in motion that reveals he has a much larger role to play. He is soon forced to face his own awakening with the shocking realization that Atlantis could be experiencing the end of its days.

Atlantis Shirley Andrews, 2018-02-07 You know of it through song and legend: the golden civilization of Atlantis, which sank into the cold depths of the sea ages ago. But few know the truth about Atlantis or the geological and metaphysical evidences that suggest it really existed. What have scholars unearthed of Atlantis's society and history? How about its mystical and religious beliefs, art and architecture, and its people's knowledge of science and healing? Is it possible that the tremendous achievements of the Atlanteans were aided by extraterrestrial contact? Shirley Andrews uncovers the living legacy in Atlantis: Insights from a Lost Civilization, a compelling new look at a legendary country once situated on the Atlantic Ridge. The author has traveled extensively to conduct her own comprehensive research, which she synthesizes with the work of hundreds of other Atlantis researchers, classical and modern scholars, scientists, and respected psychics like Edgar Cayce. Survivors of this fabled land have made their mark on cultures all over the world, and their descendants walk the earth today. Learn how the legacy of Atlantis can help us bring our own world into a new age of peace and enlightenment.

Atlantis Rising T. A. Barron, 2013-09-26 From T.A. Barron, the New York Times bestselling author of the Merlin Saga, comes a new fantasy world about the origins of Atlantis, perfect for fans of The Lord of the Rings, Eragon, The Beyonders and Percy Jackson and the Olympians. In a magical land called Ellegandia, a young boy named Promi scrapes by, stealing pies, cakes and sweets to survive. But little does he know that his country is a pawn in an ages-old war between good and evil, battled both in the spirit realm and in the human world. Harboring secrets of his own, Promi teams up with a courageous girl named Atlanta and the two vow to save their land—and each other—no matter the cost. But their vow has greater repercussions than they ever could imagine—in fact, it may just bring about the creation of Atlantis, an island cut off from the rest of the world, where magic reigns supreme. With his trademark action, adventure, and poignancy, master of fantasy, T.A. Barron explores a new mythology—the origin of the legendary isle of Atlantis. This book is perfect for fans of Rick Riordan, Brandon Mull, Christopher Paolini and, of course, T. A. Barron's Merlin Saga. Praise for T. A. Barron's novels: "Brilliant, significant, and illuminating . . . an intense and profoundly spiritual adventure."—Lloyd Alexander "A crescendo of miracles."—Madeleine L'Engle "Interesting and august . . . compelling."—The New York Times "In the best tradition . . . classic."—Parents Magazine

Atlantis and the Silver City Peter

Daughtrey, 2013-03-05 Delve into an ancient mystery and witness the unveiling of the most complete and persuasive evidence for the real location of the lost empire of Atlantis. More than two thousand years ago, Plato laid out a series of cryptic clues about the location of Atlantis. Since then, countless experts have tried to crack his code. Today, some experts claim Atlantis lies under the volcanic rocks of Santorini. Others place it in the Bermuda Triangle or off the coast of Africa or say it vanished forever beneath the waves of the Atlantic Ocean. But what if Atlantis is closer than we think? What if we could walk the streets of its ancient capital today? After a twenty-year forensic examination of Plato's writings, Peter Daughtrey believes we can do just that. Having matched an unprecedented number of Plato's clues to a modern locale, Daughtrey pinpoints the exact location of the once-glittering capital city of Atlantis and outlines the full reach of the empire. Daughtrey's quest takes him from the dusty stone quarries of Portugal and the hieroglyphs of Egyptian temples to the newly refurbished museums of Baghdad. Along the way, he unearths long-forgotten, vitally significant artifacts, pieces together sensational evidence of a lost alphabet, and identifies today's descendants of this early civilization—and even reveals the location of another undersea settlement from the empire of Atlantis. Hailed as “an intriguing, thought-provoking read” by Graham Hancock, the bestselling author of *Fingerprints of the Gods*, *Atlantis and the Silver City* is a detailed and accurate account of an adventurous journey of discovery, told with enthusiasm and verve.
