- 🔍 **Jasmine’s Tears** Elliot Graves,2006 The Crestwood Heights apartment complex plays host to some of the more seedier elements that Chicago has to offer. The cracks and crevasses between the buildings are a breeding ground for prostitution, drug addiction, and the mediums who profit from such decay. It also happens to be the place Jasmine Fisher calls home. Trapped in its world of over indulgence and self destruction, it’s all she can do to keep her sanity and hold on to what passes as her life while struggling to break free from the hold that the dark corridors and crime-ridden alleyways of Crestwood Heights has on her. With no father in the house, a kid sister looking to head down the same decrepit path that engulfed her, and a mother who barely scraped by with enough money to keep them living in the cramped one bedroom apartment, Jasmine was left with no other decision but to take it upon herself to secure a way out of this wasteland. Jasmine adapted to life there quite easily. After hooking up with a variant of unfaithful boyfriends that ranged in economic value to everything from drug addicts to fake wannabe ballers, she finally came to the realization that if she was going to make it off the streets of Crestwood Heights then she was going to have to do it on her own. When she hooked up with Curtis Jasmine didn’t know if it would improve her situation of seal her fate. A petty criminal by trade, Curtis had access to certain resources that she was going to find useful in her venture as they waded through the decadence together. It was a union that proved to be most profitable, but the effect that he would have on her life was something neither of them expected.
- 🔍 **Jasmine** Winston Aarons,2011-11-14 “Trace the curved line between love and obsession in this steamy novel... Aarons artfully portrays the demise of his lead character’s control in the stable world he once inhabited. Vivid characters enliven a compelling story that reveals Sor’s innermost thoughts and personal letters. The style and pacing of the narrative realistically parallel the timeline of Sor’s affair, while rising to meet his transformation from a controlled, settled husband into an adulterous obsessive. A well-crafted tale of passion, loss and the dangers of obsession.” —Kirkus Reviews

- 🔍 **A Wish Upon Jasmine** Laura Florand,2015-09-08 From Reviewers’ Choice Book of the Year nominee and bestselling author Laura Florand: Ruthless. That was what they said about Damien Rosier. Handsome. Wealthy. Powerful. Merciless. No one messed with his family, because to do so they would have to get through him. No one thought he had a heart. Not even the woman he gave his to. Cynical. That was what they said about Jasmin Bianchi. A top perfumer of her generation, Jess had achieved commercial success by growing a protective shell over a tender heart. The one time she cracked it open to let Damien in, he crushed it—after a night of unbelievable passion. Lovers. That one magical night couldn’t survive the harsh light of dawn. When Jess woke up to discover the man in bed beside her had stolen her company, she fled. Enemies. Now she’s come to the south of France with something of his. If he wants to reclaim both his family heritage and the woman who walked away from him, he’s going to have to fight as dirty as only Damien can. But Jess knows how to fight dirty, too. And these days, she has nothing left to lose. Certainly not her heart. Come explore the south of France, a world of heat and fragrance and tales as old as time, through the stories of the five powerful Rosier cousins and the women who win their hearts. A Wish Upon Jasmine, book two in Florand’s addictive new series, La Vie en Roses. “Explosive, sensual, and utterly sweet” (Eloisa James).

- 🔍 **The Jasmine Sneeze** Nadine Kaadan,2020-06-01 Haroun, the cat, likes nothing better than to spend his days sleeping in the sunlit courtyards of Damascus. - 🔍 **The Jasmine Man** Lola Lemire Tostevin,2001 From one of Canada’s premier literary writers, a fabulous new novel set in Toronto, Paris and Tunisia, exploring passion and desire in a dazzling prose style. Beginnings never tell enough. It may not be as simple as two strangers sitting on a park bench in Paris on a sunny afternoon in the spring of 1975 when a handsome young man asked a red-haired woman: Vous-etes au pair? Two foreigners in Paris. What begins as a tentative exchange soon develops into an affair. When Amy and her son travel to Tunisia for the summer, Habib mysteriously appears. The Jasmine Man is a deeply considered novel that addresses issues of art, culture and colonialism as it explores the realms of memory and desire. With compassion and wit, Tostevin charts the repercussions of this affair, ultimately subverting the conventions of traditional novels of passion. Amy’s relationship with Habib is one of self-discovery, and she is forced to make difficult decisions about her future. Exploring contemporary issues of language, identity and family life, this elegantly written novel is sure to appeal to all those who fell in love with Michael Ondaatje’s The English Patient

OR MARGUERITE DURAS’ THE LOVER.
