The Philosophical Ethology of Vinciane Despret Brett Buchanan, Matthew Chrulew, Jeffrey Bussolini, 2018-10-19 Vinciane Despret is a Belgian philosopher whose work proposes new questions and approaches to human-animal relations. Of central importance to her thought is an intellectual and cultural proposal to allow animals to show their agency and allow them to be interesting. With genuine curiosity, Despret looks at how humans and animals transform one another through daily encounters, and she explores these metamorphoses through an engagement with the history of philosophy, literature, science, field research, and art. In a playful though serious tone, Despret claims that animals are always more interesting than we give them credit for, and that the achievements of animals are never far from our

own. This book was originally published as a special issue of Angelaki: Journal of the Theoretical Humanities.

The Wonder Clock Howard Pyle, 2022-10-03 Who doesn't love a little bit of magic? Well this story is full of it! Imagine finding a magical clock and discovering all its secrets. When the storyteller comes across a marvellous ancient clock in Father Time's attic, little does he know that there is going to be magic involved. Each hour from the clock releases a story that corresponds to the hour of the day - breakfast, school, milking, tea, bedtime, and others. 'The Wonder Clock' becomes a timeless masterpiece for

little children and their first steps in the world of literature. Katharine Pyle (1863-1938) was an American artist, illustrator, poet, and children's book author. She wrote over 30 books, beyond her work as illustrator for other writers. She was the sister of fellow artist Howard Pyle. Howard Pyle (1853-1911) was an American artist, illustrator, and children's book author. He is most famous for his illustrated novel 'The Merry Adventures of Robin Hood of Great Renown in Nottinghamshire' (1883). A teacher, he eventually founded his own school of illustration, The Howard Pyle School of Illustration Art. He was the brother of fellow artist Katharine Pyle. Robin Hood has been made into many movies over the years with the most popular being from Disney (1973), 'Robin Hood' (2010) starring Russell Crowe and Cate Blanchett, and probably the most famous 'Robin Hood: Prince of Thieves' (1991) starring Kevin Costner and Morgan Freeman.

The Politics of Urban Sustainability Transitions Jens Stissing Jensen, Philipp Späth, Matthew Cashmore, 2018-10-17 Cities, the world over, are increasingly recognised to be both a principal source of the environmental and social sustainability challenges facing contemporary society and a critical site for addressing these challenges. Socio-technical systems are at the heart of these challenges as they configure central aspects of urban life: from mobility and energy infrastructures to leisure activities and patterns of mobility. This observation has led to substantial interest in how societies might initiate and actively steer radical transitions in these

systems in the pursuit of sustainable urban futures. This book contributes to emerging debates on the politics of urban transitions by examining the intimate interlinkages between knowledge, power and governance. Drawing upon real-world examples of urban governance, the authors explore the strategies, struggles and controversies involved in configuring knowledge and how knowledge constructions influence governance by rendering some concerns and issues visible and valuable, while obscuring others. The book draws attention to how novel ways of conceptualising, knowing and observing socio-technical systems may be harnessed productively in redefining the power relationships underpinning unsustainable practices. Understanding these dynamics can ultimately inform and enable new approaches to support much-needed urban transitions. This book provides a compelling examination of urban knowledge politics for the twenty-first century that will be of great value to academics, policy-makers and practitioners working in the social sciences, urban studies, geography, urban governance or sustainability transitions.

Candy Ever After Jo Raven, 2018-11-30 "Candy, why is your bed so big?" "... to fit my two boyfriends when we snuggle together at night." Only that's my father asking, staring at the bed in question. Oops. So yeah. Unruly Jethro and cocky Joel are now officially my boyfriends. My Candy Boys. I moved in with them, and I expected things to be tense, awkward. I was wrong. This feels so right, and well, hot. These boys are SO hot. But with college starting, Jethro returning to work at the bookshop, and Joel planning to start his own business, everything's shifting. Not to forget the fact that Joel still hasn't confronted his parents about our relationship, that Jethro is still recovering from his dad's brutal attack, and that I feel insecure, well... Wait a sec. Insecure? Come on, Candy. That's BS. These boys love you. Yeah, I know. The boys and me, we're solid. However, doubt still lingers. I

mean, Joel's parents hate each other. Jethro's dad killed his mom, for chrissakes—and my mom has acquired a sudden interest in sex toys and escort services. So I wonder if true love really exists. Love that doesn't fade over time. You know, the kind that withstands nightmares and bad jokes, unwashed dishes in the sink and lack of lube. Yeah, that happened. These boys own me. They're sweet, sexy and caring—but will they break my heart, or is this our happily ever after?

The Book of Saints and Heroes Mrs. Lang, 1912 A noted non-Catholic writer on

pedagogical subjects stated some time ago that if his own religious body had the wealth of story contained in the lives of the saints of the Catholic Church, it would be abundantly supplied with religious literature for children. It is true that the lives of the saints are an inexhaustible treasure-house for all that will interest and stimulate children; and that the same treasure-house is too seldom drawn upon. Its riches are, comparatively speaking, little known to our children or, indeed, to our older folks. A book that taps this vein of Catholic inheritance is: *The Book of Saints and Heroes*, by Mrs. Lang, and edited by the late Andrew Lang. Needless to say the work is admirably well written, and no child, even though tired, would think of sleep while the story of Jerome and the Lion, or Francis and the Wolf of Agobio, was being read. Here is all that will arouse the imagination, fascinate the mind, and instill that romantic love of heroic deeds which, in turn, is so powerful a stimulus to virtue. The book is most richly and tastefully illustrated with page drawings, many of them beautifully colored. The author has combined legend and history, and has sought to give us an interesting story book.
