Somebody's Someone Regina Louise, 2009-02-28 In this poignant and heart wrenching true story, Regina Louise recounts her childhood search for connection in the face of abuse, neglect, and rejection. What happens to a child when her own parents reject her and sit idly by as others abuse her? In this poignant, heart wrenching debut work, Regina Louise recounts her childhood search for someone to feel connected to. A mother she has never known--but long fantasized about-- deposited her and her half sister at the same group home that she herself fled years before. When another resident beats Regina so badly that she can barely move, she knows that she must leave this terrible place--the only home she knows. Thus begins Regina's fight to survive, utterly alone at the age of 10. A stint living with her mother and her abusive boyfriend is followed by a stay with her father's lily white wife and daughters, who ignore her before turning to abuse and ultimately kicking her out of the house. Regina then tries everything in her search for someone to care for her and to care about, from taking herself to jail to escaping countless foster homes to be near her beloved counselor. Written in her

distinctive and unique voice, Regina's story offers an in-depth look at the life of a child who no one wanted. From her initial flight to her eventual discovery of love, your heart will go out to Regina's younger self, and you'll cheer her on as she struggles to be Somebody's Someone.

Regina's Big Mistake Marissa Moss, 1995-03-27 When told to draw a jungle in art class, Regina experiences feelings of failure and creative insecurity, but manages to create a beautiful picture that's all her own.

Rescuing Regina Josephe Marie Flynn, Helen Prejean, 2011-07-01 What is it like to be a young mother threatened with deportation to the country whose government has imprisoned you and whose soldiers have raped and tortured you? You don't want to leave your children behind, but how can you take them with you, knowing that your homeland, ruled by chaos and violence, is notorious for murdering failed asylum seekers? Regina Bakala found herself in just this situation ten years after escaping the Congo and settling in the United States. Upon arrival, Regina had worked with an immigration lawyer, then joyfully reunited with her husband, also a Congolese torture survivor, and had two children. Life was challenging but full of hope until the night there was a knock at the door and immigration agents burst in. They forced Regina from her home as her family watched, then locked her in prison to await deportation to certain death. In *Rescuing Regina*, author Josephe Marie Flynn tells Regina's powerful story—and how her husband, a pit-bull lawyer, a group of volunteers, and a feisty nun set aside political differences to galvanize a movement to save her. Revealing what she uncovered about US immigration policies and the dangers faced by those escaping war crimes, Flynn exposes an America most never see: a vast underbelly of injustice, a harsh detention and deportation system, and a frighteningly arbitrary asylum process. In their battle for justice, Regina and Josephe not only confronted dangerous obstacles but also reawakened emotions and traumas from the past. A compelling story of a quest for justice, *Rescuing Regina* is also a tale of friendship, faith, hope, and the transformative journey of two friends.

Also, her chief wants her to take the job with him and offers her a promotion from beat cop to detective once the job is completed to Hunter's satisfaction. Regina Mingotti: Diva and Impresario at the King's Theatre, London Michael Burden, 2017-07-05 Regina Mingotti was the first female impresario to run London's opera house. Born in Naples in 1722, she was the daughter of an Austrian diplomat, and had worked at Dresden under Hasse from 1747. Mingotti left Germany in 1752, and travelled to Madrid to sing at the Spanish court, where the opera was directed by the great castrato, Farinelli. It is not known quite how Francesco Vanneschi, the opera promoter, came to hire Mingotti, but in 1754 (travelling to England via Paris), she was announced as being engaged for the opera in London 'having been admired at Naples and other parts of Italy, by all the Connoisseurs, as much for the elegance of her voice as that of her features'. Michael Burden offers the first considered survey of Mingotti's London years, including material on Mingotti's publication activities, and the identification of the characters in the key satirical print 'The Idol'. Burden makes a significant contribution to the knowledge and understanding of eighteenth-century singers' careers and status, and discusses the management, the finance, the choice of repertory, and the pasticcio practice at The King's Theatre, Haymarket during the middle of the eighteenth century. Burden also argues that Mingotti's years with Farinelli influenced her understanding of drama, fed her appreciation of Metastasio, and were partly responsible for London labelling her a 'female Garrick'. The book includes the important publication of the complete texts of both of Mingotti's Appeals to the Publick, accounts of the squabble between Mingotti and Vanneschi, which shed light on the role a singer could play in the replacement of arias.

History of the Muslims of Regina, Saskatchewan, and Their Organizations Naiyer Habib, Mahlaqa Naushaba Habib, 2015-01-23 Canada is home to immigrants from many cultures. Unlike times past, when newcomers from a foreign country seemed to want to blend in with their new culture as soon as possible, more recent immigrants want to become a part of their new home but retain some of the elements of their native cultures. This is a task that is often easier to talk about than to accomplish. *History of the Muslims of Regina, Saskatchewan, and Their Organizations: Islamic Association, CCMW and MPJ* represents the struggle and success of authors and editors Naiyer Habib and Mahlaqa Naushaba Habib. When they immigrated to Canada in 1973, they wanted to preserve their culture and religion for themselves as well as for future Muslim generations. The culture in their new home was much different than theirs. It was the time when literature on Islam or Islamic culture was hard to find in English, so it was difficult for their new neighbors to learn about them. Through Islamic organizations begun by the Habibs and others in the Muslim community, whose stories are shared in this book, they introduced Islam and Muslims to Regina, while still holding on to their culture, but integrating with society at large. *History of the Muslims of Regina, Saskatchewan, and Their Organizations: Islamic Association, CCMW and MPJ*

demonstrate it is not always easy to incorporate a familiar culture in a new home. But with hard work and willingness of all cultures involved to learn from each other, it can be done successfully.
