Schubert's Winter Journey Ian Bostridge,2015-01-27 An exploration of the world's most famous and challenging song cycle, Schubert's Winter Journey (Winterreise), by a leading interpreter of the work, who teases out the themes—literary, historical, psychological—that weave through the twenty-four songs that make up this legendary masterpiece. Completed in the last months of the young Schubert's life, Winterreise has come to be considered the single greatest piece of music in the history of Lieder. Deceptively laconic—these twenty-four short poems set to music for voice and piano are performed uninterrupted in little more than an hour—it nonetheless has an emotional depth and power that no music of its kind has ever equaled. A young man, rejected by his beloved, leaves the house where he has been living and walks out into snow and darkness. As he wanders away from the village and into the empty countryside, he experiences a cascade of emotions—loss, grief, anger, and acute loneliness, shot through with only fleeting moments of hope—until the landscape he inhabits becomes one of alienation and despair. Originally intended to be sung to an intimate gathering, performances of Winterreise now pack the greatest concert halls around the world. Drawing equally on his vast experience performing this work (he has sung it more than one hundred times), on his musical knowledge, and on his training as a scholar, Bostridge teases out the enigmas and subtle meanings of each of the twenty-four lyrics to explore for us the world Schubert inhabited, his biography and psychological makeup, the historical and political pressures within which he became one of the world's greatest composers, and the continuing resonances and affinities that our ears still detect today, making Schubert's wanderer our mirror.

**Capybara** José Roberto Moreira,Katia Maria P.M.B. Ferraz,Emilio A. Herrera,David W. Macdonald,2012-08-16 The capybara is the neotropical mammal with the highest potential for production and domestication. Amongst the favorable characteristics for domestication we can list its high prolificacy, rapid growth rate, a herbivorous diet, social behavior and relative tameness. The genus (with only two species) is found from the Panama Canal to the north of Argentina on the east of the Andes. Chile is the only country in South America where the capybara is not found. The species is eaten all over its range, especially by poor, rural and traditional communities engaged in subsistence hunting. On the other hand, in large urban settlements wildlife is consumed by city dwellers as a delicacy. The sustainable management of capybara in the wild has been adopted by some South American countries, while others have encouraged capybara rearing in captivity.

**Good Night, Wind** Linda Elovitz Marshall,2019-02-26 When the exhausted winter wind throws a snowy tantrum, it finds comfort in the friendship of two young children in this lyrical retelling of a Yiddish folktale illustrated with stunning collage. Winter Wind worked hard all season long blowing away leaves, preparing trees for coats of snow and ice. Now, Wind is tired and needs a place to rest. But no one wants to shelter so cold and blustery a Wind--not the townspeople, not the country innkeeper, not even the gnarled tree who is worried about frozen roots. Finally, Wind does what any of us do when we are overtired: Wind has a tantrum. And it is only with the help of two small children brave enough to weather the storm that Wind finally finds the perfect place to sleep. Based on a Yiddish folktale, the gentle language of this seasonal story is coupled with intricate cut-paper collage dioramas tell this sweet tale about empathy and friendship. Dear Elio Franco Marabelli,2021-03-16 The world and creativity of Elio Fiorucci seen from the inside and recounted by those who took part in his fashion adventure. The fashion and stores created by Elio Fiorucci in the late 1960s were a great creative hotbed for the following decades, anticipating many of the trends that emerged later and the ideas of the next generation of designers. Elio Fiorucci's innate curiosity led him to explore the unknown, to broaden his vision towards new currents of freedom of expression, beyond the borders of his country, in search of other energies. This book recalls his new, joyful, mocking, free realm, and the conception of unconventional clothing that upset the rules of the bourgeois, conformist world of the 1960s. It is a choral fresco, told through the letters of those who worked with him, including absolute beginners, professionals who knew him and shared his passions, family, and friends: architects such as Antonio Citterio and Michele De Lucchi, photographers, artists (Andy Warhol and Keith Haring, who decorated the entire Milan store in 1983), singers, and

actors who attended his stores and parties. Direct testimonials come from the likes of Biba (Barbara Hulanicki), Oliviero Toscani, Donna Jordan, Terry Jones, Italo Lupi, Alessandro Mendini, Paul Caranicas and Joey Arias. The book also features a preface by Janie and Stephen Schaeffer, the current brand owners.
