You Gotta Get Bigger Dreams Alan Cumming, 2016-09-13 A magical concoction of the mischievous, tender, whimsical, and debauched real-life adventures of Alan Cumming, told in his own words and pictures. Described by the New York Times as “a bawdy countercultural sprite” and named one of the most fun people in show business by Time magazine, Alan Cumming is a genuine quadruple threat—an internationally acclaimed, award-winning star of stage, television, and film, as well as a New York Times best-selling author whose real-life vivacity, wit, and charm shine through every page of his third book, *You Gotta Get Bigger Dreams*. In these forty-five picture essays, Cumming recounts his real-life adventures (and often, misadventures), illustrated by his own equally entertaining photographs. From an awkward bonding session with Elizabeth Taylor to poignant stories about his family and friends to some harsh words of wisdom imparted by Oprah that make up the title of this collection, *You Gotta Get Bigger Dreams* is as eclectic, enchanting, and alive as its author.

The Adventures of Honey & Leon Alan Cumming, 2017 Determined to keep their dads safe on their trip to France, two dogs disguise themselves and follow along.

Baggage Alan Cumming, 2021-10-26 An intimate look at the making of a man, an actor, an advocate—and most importantly—a happy human being. A wonderful book that is funny, honest, fearless, and generous in its vulnerability. —Douglas Stuart, Booker Prize-winning author of *Shuggie Bain* There is absolutely no logical reason why I am here. The life trajectory my nationality and class and circumstances portended for me was not even remotely close to the one I now navigate. But logic is a science and living is an art. The release I felt in writing my first memoir, *Not My Father's Son*, was matched only by how my speaking out empowered so many to engage with their own trauma. I was reminded of the power of my words and the absolute duty of authenticity. But... No one ever fully recovers from their past. There is no cure for it. You just learn to manage and prioritize it. I believe the second you feel you have triumphed or overcome something – an abuse, an injury to the body or the mind, an addiction, a character flaw, a habit, a person – you have merely decided to stop being vigilant and embraced denial as your modus operandi. And that is what this book is about, and for: to remind you not to buy in to the Hollywood ending. Ironically maybe, much of *Baggage* chronicles my life in Hollywood and how, since I recovered from a nervous breakdown at 28, work has repeatedly whisked me away from personal calamities to sets and stages around the world. It is also about marriage(s): starting with the break-up of my first (to a woman) and ending with the ascension to my second (to a man) with many kissed toads in between! But in everything, each failed relationship or

encounter with a legend (Liza! X Men! Gore Vidal! Kubrick! Spice Girls!), in every bad decision or moment of sensual joy I have endeavored to show what I have learned and how I've become who I am today: a happy, flawed, vulnerable, fearless middle-aged man, with a lot of baggage.

Not My Father's Son Alan Cumming, 2014-10-07 "Equal parts memoir, whodunit, and manual for living . . . a beautifully written, honest look at the forces of blood and bone that make us who we are, and how we make ourselves." --Neil Gaiman In his unique and engaging voice, the acclaimed actor of stage and screen shares the emotional story of his complicated relationship with his father and the deeply buried family secrets that shaped his life and career. A beloved star of stage, television, and film—"one of the most fun people in show business" (Time magazine)—Alan Cumming is a successful artist whose diversity and fearlessness is unparalleled. His success masks a painful childhood growing up under the heavy rule of an emotionally and physically abusive father—a relationship that tormented him long into adulthood. When television producers in the UK approached him to appear on a popular celebrity genealogy show in 2010, Alan enthusiastically agreed. He hoped the show would solve a family mystery involving his maternal grandfather, a celebrated WWII hero who disappeared in the Far East. But as the truth of his family ancestors revealed itself, Alan learned far more than he bargained for about himself, his past, and his own father. With ribald humor, wit, and incredible insight, Alan seamlessly moves back and forth in time, integrating stories from his childhood in Scotland and his experiences today as a film, television, and theater star. At times suspenseful, deeply moving, and wickedly funny, *Not My Father's Son* will make readers laugh even as it breaks their hearts.

Tommy's Tale Alan Cumming, 2003-10-21 Tommy is twenty-nine, lives and loves in London, and has a morbid fear of the c word (commitment), the b word (boyfriend), and the f word (forgetting to call his drug dealer before the weekend). But when he begins to feel the urge to become a father, and the pressure from his boyfriend to make a real commitment to their relationship, Tommy starts to wonder if his chosen lifestyle can ever make him happy. Faced with the choice of maintaining his hedonistic, drugged-out, and admittedly fabulous existence or chucking it all in favor of a far more sensitive, fulfilling, and—let's face it—slightly more staid lifestyle, Tommy finds himself in a true quandary. Through a series of adventures and misadventures that lead him from London nightspots to New York bedrooms and back, our boy Tommy manages to answer some of life's most pressing questions—even those he never thought to ask.

Goliath Scott Westerfeld, 2011-09-29 Alek and Deryn are back onboard the Leviathan. The ship is ordered to pick up Tesla, a Russian inventor who has created a machine he claims can destroy half of

the world, which he is using as a threat to impose peace. Alek wants to the end the war, so decides to back Tesla politically, as do the Darwinists. Meanwhile Deryn is still pretending to be a boy, though Alek has figured out her true identity, and promises to keep her secret. With stops in New York, California and Mexico, Deryn and Alek encounter adventure and intrigue at every turn, but when a secret German plan to sabotage Tesla's machine leads to a heart-stopping stand-off, as Tesla threatens to fire his weapon, it's up to the two of them to stop him - or face the end of the world for real...

Lowry Clive Arrowsmith, 2017-05 * A union of Clive Arrowsmith, renowned celebrity photographer, and LS Lowry resulting in a unique selection of previously unpublished pictures, which capture the atmosphere in which this painter lived and worked* Includes a foreword by Dr. Michael Pritchard, Chief Executive of the Royal Photographic Society* A treasure trove of unseen pictures, discovered by chance in Arrowsmith's attic On two cold grey days in 1966, LS Lowry was joined by a young photographer on one of his first assignments for Nova Magazine. Clive Arrowsmith had been commissioned to photograph Lowry at home. Perhaps it was Arrowsmith's youthful exuberance that resulted in him taking as many photographs as possible, so that by the end of the two days the range of images was considerable. Views of Lowry inside and outside his home in Mottram-in-Longdendale - described as going dilapidated at the corners by Barrie Sturt-Penrose, Nova's art critic - were joined by others taken on the streets of Salford. When the shoot was finished, Nova chose the pictures they wanted and, due to Arrowsmith's subsequent career in fashion photography, the others were forgotten. In 2016, their chance discovery in Arrowsmith's attic revealed a treasure trove of unseen pictures, which gives us a fascinating insight into the life of one of Britain's best-known artists.

Kate Gallagher and the Bexus Prophecy Alan Cumming,2012-10 She stopped and raised the torch. Kate looked. Alone on the wall was the figure of a girl with ice blue eyes and skin that glowed with a pure golden aura, standing out like an island in a dark black lagoon. ... There was no mistaking the identity of the tiny figure. Kate was staring at her own image burned into the wall. Bexus is another world, a hostile world of magic, adventure, and tremendous danger, and there's only one way to get there—die. Neither heaven nor hell, Bexus is a world where the souls of the dead get a second chance. When Kate Gallagher awakens in Bexus after she is killed in a train wreck, she finds that her soul has retained a powerful memory of her earthly form. She also finds she bears a very dangerous mark—a golden aura that indicates purity and possibly the fulfilment of a prophecy. Kate finds herself chosen and suddenly thrust into the middle of a conflict she cannot hope to survive. With nowhere to turn and an entire world counting on her, Kate has no choice but to set out to fulfil her destiny. But Kate and her new friends are not the only ones who know of the prophecy that foretold her arrival. Varak, the tyrant lord of Bexus, is well aware of what her coming could mean for him. He's determined to capture and kill Kate before she can fulfil her destiny and return peace to Bexus.

Like Crazy Dan Mathews,2021-04-06 A hilarious and heartbreaking memoir about a mother and son's outlandish odyssey of self-discovery.

My First Hundred Years in Show Business Mary Louise Wilson,2015-08-07 This Tony winner's memoir is "a riot of characters met and characters played . . . a funny, frank, and savvy chronicle of a wonderful life." —David Hyde Pierce Mary Louise Wilson became a star at age sixty with her smash one-woman play *Full Gallop*, portraying legendary Vogue editor Diana Vreeland. But before and since, her life and career—including the Tony Award for her portrayal of Big Edie in *Grey Gardens*—have been celebrated and varied. Raised in New Orleans with a social climbing, alcoholic mother, Mary Louise moved to New York City in the late 1950s; lived with her gay brother in the Village; entered the nightclub scene in a legendary revue; and rubbed shoulders with every famous person of that era and since. *My First Hundred Years in Show Business* gets it all down. Yet as delicious as the anecdotes are, the heart of this book is in its unblinkingly honest depiction of the life of a working actor. In her inimitable voice—wry, admirably unsentimental, mordantly funny—Mary Louise Wilson has crafted a work that is at once a teeming social history of the New York theatre scene and a thoroughly revealing, superbly entertaining memoir of the life of an extraordinary woman and actor. "Brims with anecdotes . . . plenty of laughs [and] plenty of candor, too." —Nola.com

Kings & Queens in Their Castles ,2017 *Kings & Queens in Their Castles* has been called the most

ambitious photo series ever conducted of the LGBTQ experience in the U.S. Over a span of 15 years, Atwood photographed more than 350 subjects at home nationwide (with over 160 in the book), including nearly 100 celebrities (with about 60 in the book). With individuals from 30 states, Atwood offers a window into the lives and homes of some of America's most intriguing and eccentric personalities. Among those depicted are Meredith Baxter, Alan Cumming, Don Lemon, John Waters, George Takei, Alison Bechdel, Barney Frank, Don Bachardy, Billy Porter, Ari Shapiro, Arthur Tress, Michael Urie, Greg Louganis, Tommy Tune, Jonathan Adler and Terrence McNally. Modern day tableaux vivants, the images portray whimsical, intimate moments of daily life that shift between the pictorial and the theatrical. Rich in beauty and clarity, these personal landscapes are both a witness and a celebration

Mr. Know-It-All John Waters, 2019-05-21 No one knows more about everything—especially everything rude, clever, and offensively compelling—than John Waters. The man in the pencil-thin mustache, auteur of the transgressive movie classics *Pink Flamingos*, *Polyester*, *Hairspray*, *Cry-Baby*, and *A Dirty Shame*, is one of the world's great sophisticates, and in *Mr. Know-It-All* he serves it up raw: how to fail upward in Hollywood; how to develop musical taste, from Nervous Norvus to Maria Callas; how to build a home so ugly and trendy that no one but you would dare live in it; more important, how to tell someone you love them without emotional risk; and yes, how to cheat death itself. Through it all, Waters swears by one undeniable truth: “Whatever you might have heard, there is absolutely no downside to being famous. None at all.” Studded with cameos, from Divine and Mink Stole to Johnny Depp, Kathleen Turner, Patricia Hearst, and Tracey Ullman, and illustrated with unseen photos from the author's personal collection, *Mr. Know-It-All* is Waters' most hypnotically readable, upsetting, revelatory book—another instant Waters classic. “Waters doesn't kowtow to the received wisdom, he flips it the bird . . . [Waters] has the ability to show humanity at its most ridiculous and make that funny rather than repellent.” —Jonathan Yardley, *The Washington Post* “Carsick becomes a portrait not just of America's desolate freeway nodes—though they're brilliantly evoked—but of American fame itself.” —Lawrence Osborne, *The New York Times Book Review*

May the Foreskin Be with You Alan Cumming, 2013-06-18 Newborn male circumcision is the most common surgical procedure performed in the U.S. It's a common misconception that there are tangible health benefits to male circumcision, but the truth is no medical society in the world recommends it. This invasive procedure carries serious health risks, including infection, hemorrhage, surgical mishap, and death, as well many ethical considerations. Yet, despite these risks, the Centers for Disease

Control (CDC) and the American Academy of Pediatrics (AAP) are developing public health recommendations that could mislead more parents into agreeing to circumcision for their newborn baby boys. Alan Cumming would like to change that. In *May the Foreskin Be with You*, the beloved TV and Broadway star, a passionate intactavist on the issue of circumcision, walks readers through the hows and whys of the circumcision controversy, including a conversation about the origins of circumcision, its history, the cultural and religious reasons given for performing them--and why they're flawed--a look at what can go wrong during the procedure, along with personal testimonials by men who have had/not had a circumcision performed, by parents, physicians, and celebrities. Joining Alan in conversation on this controversial subject matter are a host of medical experts, educators, and activists who stand on the frontline of the circumcision debates and who share their expert points of view. Substantive, enlightening, yet light-hearted with Alan's clever brand of humor, *May the Foreskin Be with You* is an open-minded, long-overdue invitation to begin a public discussion on this critical and much-misunderstood issue.

Specimen Days Michael Cunningham, 2007-04-01 In each section of Michael Cunningham's bold new novel, his first since *The Hours*, we encounter the same group of characters: a young boy, an older man, and a young woman. In *The Machine* is a ghost story that takes place at the height of the industrial revolution, as human beings confront the alienating realities of the new machine age. *The Children's Crusade*, set in the early twenty-first century, plays with the conventions of the noir thriller as it tracks the pursuit of a terrorist band that is detonating bombs, seemingly at random, around the city. The third part, *Like Beauty*, evokes a New York 150 years into the future, when the city is all but overwhelmed by refugees from the first inhabited planet to be contacted by the people of Earth. Presiding over each episode of this interrelated whole is the prophetic figure of the poet Walt Whitman, who promised his future readers, It avails not, neither time or place . . . I am with you, and know how it is. *Specimen Days* is a genre-bending, haunting, and transformative ode to life in our greatest city and a meditation on the direction and meaning of America's destiny. It is a work of surpassing power and beauty by one of the most original and daring writers at work today.

The Inconvenience of Being Born Amy Arbus, 1999 Fotografisk billedværk.

Trumpets and Raspberries Dario Fo, 1984

The Fourth Wall Amy Arbus, 2008 What happens when a performing actor leaves behind his lines, staging, sets, and lighting, and steps beyond the fourth wall? For three years, Amy Arbus has been exploring this question in a series of dramatic portraits of celebrated actors, both on and off Broadway.

Fully costumed but stripped of their context, Arbus's actors remain in character as they step outside the fiction of theater into the reality of the world beyond. Staged in anonymous public spaces--in theater lobbies, on city streets, in parks, and in stage door alleys--Arbus's images achieve an unexpected blend of spectacle and high art; formality and spontaneity; vulnerability and pretense. Collected in *The Fourth Wall* are some of the modern stage's most gifted actors, including Alan Cumming in *Cabaret*, John Malkovich in *Lost Land*, Liev Schreiber in *Talk Radio*, Ed Harris in *Wrecks*, Cherry Jones in *Doubt*, Christine Ebersole in *Grey Gardens*, and Ethan Hawke and Martha Plimpton in *The Coast of Utopia*. Actors are included from such successful and ambitious productions as *Wicked*, *The Light in the Piazza*, *Hedwig and the Angry Inch*, *Chitty Chitty Bang Bang*, and *The Color Purple*, to name but a few. Portraits are accompanied by synopses of the plays as well as quotes from a number of the actors portrayed. In 2006's critically acclaimed book *On the Street*, Arbus focused her lens on those who dressed to express themselves--now she turns her attention to those who dress to become someone else. The result is a collection of potent photographs that pay remarkable tribute to contemporary theater and the performers who bring fantasy to life.

Accidental Death of an Anarchist Dario Fo, Alan Cumming, 1991 A new translation of Fo's play which aims to be faithful to the clear-sighted insanity of the original. The author's other plays include *Mistero Buffo*, *Trumpets and Raspberries* and *Archangels Don't Play Pinball*.

The murder of an Ivy League professor pulls Dr. Dylan Reinhart out of his ivory tower and onto the streets of New York, where he reunites with his old partner, Detective Elizabeth Needham. As the worst act of terror since 9/11 strikes the city, a name on the casualty list rocks Dylan's world. Is his secret past about to be brought to light? As the terrorist attack unfolds, Elizabeth Needham does something courageous that thrusts her into the media spotlight. She's a reluctant hero. And thanks to the attention, she also becomes a prime target for the ruthless murderer behind the attack. Dylan literally wrote the book on the psychology of murder, and he and Elizabeth have solved cases that have baffled conventional detectives. But the sociopath they're facing this time is the opposite of a textbook case. There's no time to study for the test he's about to give them. And if they fail, they die.
