Who Moved My Interest Rate Duvvuri Subbarao, 2017-07-24 An insider's view of the Reserve Bank of India Duvvuri Subbarao's term as the governor of the Reserve Bank of India from 2008 to 2013 was an unusually turbulent period. The global financial crisis erupted; India was in the throes of a decade-high, stubborn inflation rate, followed by a sharp depreciation of the rupee. This was also a time when questions about the breadth of the RBI's mandate, autonomy and accountability became subjects of debate in financial circles and in the media at large. *Who Moved My Interest Rate* is an authoritative account of the dilemmas and quandaries he confronted while leading the Reserve Bank through these extraordinary economic and political challenges.

**Tiny Acts of Rebellion** Rich Fulcher, 2010-12-10 Let's face it, who has the time or

Never fear, *Tiny Acts of Rebellion* will show you hundreds of ways to revolt against the tedium of everyday life. Whether it's making rude gestures to a hotel clerk under the desk or making your own 'Do Not Disturb' sign that says 'Come In If You Like Swordplay', Rich Fulcher's inventive collection will allow you to unleash your rebellious side - without getting arrested. Including: unlatching your safety belt before the plane has fully stopped; squeezing a spot in the ATM camera; driving through a lonely red light in the dead of night; leaving a handful of coppers as a tip for bad service.

During his first year at Stanford Business School, the author began keeping a journal of his day-to-day impressions which evolved into this book, the writing of which he came to see as a simple act of decency, like going back to the last calm bend in the river and nailing up a sign that reads 'Waterfall Ahead'. From his initial harrowing days at maths camp through the dizzying phalanx of core courses, the frenzy of the exam week, the pitfalls and triumphs of the interview process (including a surreal interview with Robert Maxwell) to being wined and dined by some of the most prestigious companies in the world, Robinson's account is an irreverent story peopled with a wide range of characters.
