The Book with No Pictures B. J. Novak, 2014-09-30 A #1 New York Times bestseller, this innovative and wildly funny read-aloud by award-winning humorist/actor B.J. Novak will turn any reader into a comedian—a perfect gift for any special occasion! You might think a book with no pictures seems boring and serious. Except . . . here's how books work. Everything written on the page has to be said by the person reading it aloud. Even if the words say . . . BLORK. Or BLUURF. Even if the words are a preposterous song about eating ants for breakfast, or just a list of astonishingly goofy sounds like BLAGGITY BLAGGITY and GLIBBITY GLOBBITY. Cleverly irreverent and irresistibly silly, *The Book with No Pictures* is one that kids will beg to hear again and again. (And parents will be happy to oblige.)

One More Thing B. J. Novak, 2014-02-04 New York Times Bestseller A startlingly original debut from the actor, writer, director, and executive producer hailed as “a gifted observer of the human condition and a very funny writer capable of winning that rare thing: unselfconscious, insuppressible laughter” (The Washington Post). A boy wins a \$100,000 prize in a box of Frosted Flakes—only to discover that claiming the winnings might unravel his family. A woman sets out to seduce motivational speaker Tony Robbins—turning for help to the famed motivator himself. A new arrival in Heaven, overwhelmed with options, procrastinates over a long-ago promise to visit his grandmother. We meet Sophia, the first artificially intelligent being capable of love, who falls for a man who might not be ready for it himself; a vengeance-minded hare, obsessed with scoring a rematch against the tortoise who ruined his life; and post-college friends who try to figure out how to host an intervention in the era of Facebook. Along the way, we learn why wearing a red T-shirt every day is the key to finding love, how February got its name, and why the stock market is sometimes just . . . down. Finding inspiration in questions from the nature of perfection to the icing on carrot cake, *One More Thing* has at its heart the most human of phenomena: love, fear, hope, ambition, and the inner stirring for the one elusive element just that might make a person complete. Across a dazzling range of subjects, themes, tones, and narrative voices, the many pieces in this collection are like nothing else, but they have one thing in common: they share the playful humor, deep heart, sharp eye, inquisitive mind, and altogether electrifying spirit of a writer with a fierce devotion to the entertainment of the reader.

Why Not Me? Mindy Kaling, 2015-09-15 #1 NEW YORK TIMES BESTSELLER • From the author of *Is Everyone Hanging Out Without Me?* and creator of *The Mindy Project* and *Never Have I Ever* comes a hilarious collection of essays about her ongoing journey to find contentment and excitement in her adult life. “This is Kaling at the height of her power.”—USA Today In *Why Not Me?*, Kaling shares insightful, deeply personal stories about falling in love at work, seeking new friendships in lonely places, attempting to be the first person in history to lose weight without any behavior modification whatsoever, and believing that you have a place in Hollywood when you're constantly reminded that no one looks like you. In “How to Look Spectacular: A Starlet's Confessions,” Kaling gives her tongue-in-cheek secrets for surefire on-camera beauty, (“Your natural hair color may be appropriate for your skin tone, but this isn't the land of appropriate—this is Hollywood, baby. Out here, a dark-skinned woman's traditional hair color is honey blonde.”) “Player” tells the story of Kaling being seduced and dumped by a female friend in L.A. (“I had been replaced by a younger model. And now they had matching bangs.”) In “Unlikely Leading Lady,” she muses on America's fixation with the weight of actresses, (“Most women we see onscreen are either so thin that they're walking clavicles or so huge that their only scenes involve them breaking furniture.”) And in “Soup Snakes,” Kaling spills some secrets on her relationship with her ex-boyfriend and close friend, B.J. Novak (“I will freely admit: my relationship with B.J. Novak is weird as hell.”) Mindy turns the anxieties, the glamour, and the celebrations of her second coming-of-age into a laugh-out-loud funny collection of essays that anyone who's ever been at a turning point in their life or career can relate to. And those who've never been at a turning point can skip to the parts where she talks about meeting Bradley Cooper.

My Life with the Walter Boys Ali Novak,2014-03-01 From a fresh new voice on the contemporary YA scene, *My Life with the Walter Boys* centers on the prim, proper, and always perfect Jackie Howard. When her world is turned upside down by tragedy, Jackie must learn to cut loose and be part of a family again. Jackie does not like surprises. Chaos is the enemy! The best way to get her successful, busy parents to notice her is to be perfect. The perfect look, the perfect grades--the perfect daughter. And then... Surprise #1: Jackie's family dies in a freak car accident. Surprise #2: Jackie has to move cross-country to live with the Walters--her new guardians. Surprise #3: The Walters have twelve sons. (Well, eleven, but Parker acts like a boy anyway) Now Jackie must trade in her Type A personality and New York City apartment for a Colorado ranch and all the wild Walter boys who come with it. Jackie is surrounded by the enemy--loud, dirty, annoying boys who have no concept of personal space. Okay, several of the oldest guys are flat-out gorgeous. But still annoying. She's not stuck-up or boring--no matter what they say. But proving it is another matter. How can she fit in and move on when she needs to keep her parents' memory alive by living up to the promise of perfect? Ali Novak wrote *My Life with the Walter Boys* when she was just 15 years old. "She even found waterproof books for the otter, who never went swimming without Harry Potter." In no time at all, Molly has them "forsaking their niches, their nests, and their nooks," going "wild, simply wild, about wonderful books." Judy Sierra's funny animal tale coupled with Marc Brown's lush, fanciful paintings will have the same effect on young Homo sapiens. Altogether, it's more fun than a barrel of monkeys!
