Life of the Party Bert Kreischer, 2014-05-27 A collection of outrageous stories by the standup comic, TV host, and inspiration for the movie National Lampoon's Van Wilder Bert Kreischer doesn't know how to say no. If he did, he wouldn't have gotten himself mixed up with a group of Russian mobsters on a class trip to Moscow, earning him his nickname: The Machine. He wouldn't have wrestled with a bear or swum with sharks on national television. He wouldn't have (possibly) smoked PCP with a star of Saturday Night Live. And he wouldn't have been named the Number One Partier in the Nation by Rolling Stone, inspired the movie National Lampoon's Van Wilder, or performed standup to sellout crowds across the country. The stories Kreischer shares in *Life of the Party* are a guidebook on how not to grow up. From his fraternity days at Florida State University, to his rise as a standup, to his marriage and first brushes with fatherhood, Kreischer shows you a path that may not lead you to maturity or personal growth. But it will lead you to a shitload of fun.

When Life Gives You Pears Jeannie Gaffigan, 2019-10-01 The Big Sick meets Dad is Fat in this funny and heartfelt New York Times bestselling memoir from writer, director, wife, and mother, Jeannie Gaffigan, as she reflects on the life-changing impact of her battle with a pear-sized brain tumor. In 2017, Jeannie's life came to a crashing halt when she was diagnosed with a life-threatening brain tumor. As the mother of 5 kids -- 6 if you include her husband -- sat in the neurosurgery department in star-covered sweats too whimsical for the seriousness of the situation, all she could think was Am I going to die? Thankfully, Jeannie and her family were able to survive their time of crisis, and now she is sharing her deeply personal journey through this miraculous story: the challenging conversations she had with her children; how she came to terms with feeling powerless and ferociously crabby while bedridden and unable to eat for a month; and how she ultimately learned, re-learned and re re-learned to be more present in life. With sincerity and hilarity, Jeannie invites you into her heart (and brain) during this trying time, emphasizing the importance of family, faith and humor as keys to her recovery and leading a more fulfilling life.

Running the Light Sam Tallent, 2020-02-26 Debauched, divorced and courting death, Billy Ray Schafer is a comedian who has forgotten how to laugh. Over the course of seven spun-out days across the American Southwest, he travels from from hell gig to hell gig in search of a reason to keep living in this bleak and violent glimpse into the psyche of a thoroughly ruined man. Ex-inmate, ex-husband, ex-father - comedian is the only title Schafer has left. Trapped in the wreckage of his wasted career, Billy Ray knows the answer to the question: what happens when the opportunity doesn't come - or worse - it comes and goes?

Overstated Colin Quinn, 2020-09-22 In Colin Quinn's new book, the popular comedian, social commentator, and star of the shows Red State Blue State and Unconstitutional tackles the condition of our union today. Utah: The Church of States Vermont: The Old Hippie State Florida: The Hot Mess State Arizona: The Instagram Model State Wisconsin:

The Diet Starts Tomorrow State The United States is in a fifty-states-wide couples' counseling session, thinking about filing for divorce. But is that really what we want? Can a nation composed of states that are so different possibly hang together? Colin Quinn, comedian, social commentator, and writer and star of Red State Blue State and Unconstitutional, calls us out state-by-state, from Connecticut to Hawaii. He identifies the hypocrisies inherent in what we claim to believe and what we actually do. Within a framework of big-picture thinking about systems of government—after all, how would you put this country together if you started from scratch today?—to dead-on observations about the quirks and vibes of the citizens in each region, Overstated skewers us all: red, blue, and purple. It's ultimately infused with the same blend of optimism and practicality that sparked the U.S. into being.

Permanently Suspended Anthony Cumia, Johnny Russo, Brad Trackman, 2018-11-20 Today, Anthony Cumia is the co-host of the wildly popular "Anthony Cumia Show," which live-streams to a huge following of paid subscribers; however, Anthony is most well-known from the legendary, nationally syndicated "Opie and Anthony Show." Permanently Suspended is an all-access pass to the controversial mayhem that ensued on-and-off the air. A must-read for all diehard O&A fans, Permanently Suspended finally answers the questions that everyone has been waiting for: What really happened between Opie and Anthony? What was the reasoning behind the multiple firings? What prompted the tweeting about the Times Square NYC incident? What is the true account of the controversial allegations? What are the never-before-revealed details of Anthony's stint in rehab? What does the future hold for his livestream podcast? These questions, and many more, will be answered. Permanently Suspended is a humorous, no-holds-barred account of the legendary career and life of Anthony Cumia—a blue collar guy who made his dreams come true, rising above all obstacles to become one of the most well-known and successful personalities in radio history.

Riding the Elephant Craig Ferguson, 2020-04-07 From the comedian, actor, and former host of The Late Late Show comes an irreverent, lyrical memoir in essays featuring his signature wit. Craig Ferguson has defied the odds his entire life. He has failed when he should have succeeded and succeeded when he should have failed. The fact that he is neither dead nor in a locked facility (at the time of printing) is something of a miracle in itself. In Craig's candid and revealing memoir, readers will get a look into the mind and recollections of the unique and twisted Scottish American who became a national hero for pioneering the world's first TV robot skeleton sidekick and reviving two dudes in a horse suit dancing as a form of entertainment. In Riding the Elephant, there are some stories that are too graphic for television, too politically incorrect for social media, or too meditative for a stand-up comedy performance. Craig discusses his deep love for his native Scotland, examines his profound psychic change brought on by fatherhood, and looks at aging and mortality with a perspective that he was incapable of as a younger man. Each story is strung together in a colorful tapestry that ultimately reveals a complicated man who has learned to process—and even enjoy—the unusual trajectory of his life.

The Mask of Masculinity Lewis Howes, 2017-10-31 At 30 years old, Lewis Howes was outwardly thriving but unfulfilled inside. He was a successful athlete and businessman, achieving goals beyond his wildest dreams, but he felt empty, angry, frustrated, and always chasing something that was never enough. His whole identity had been

built on misguided beliefs about what masculinity was. Howes began a personal journey to find inner peace and to uncover the many masks that men – young and old – wear. In *The Mask of Masculinity*, Howes exposes the ultimate emptiness of the Material Mask, the man who chases wealth above all things; the cowering vulnerability that hides behind the Joker and Stoic Masks of men who never show real emotion; and the destructiveness of the Invincible and Aggressive Masks worn by men who take insane risks or can never back down from a fight. He teaches men how to break through the walls that hold them back and shows women how they can better understand the men in their lives. It's not easy, but if you want to love, be loved and live a great life, then it's an odyssey of self-discovery that all modern men must make. This book is a must-read for every man – and for every woman who loves a man.

L.A. Son Roy Choi, Tien Nguyen, Natasha Phan, 2013-11-05 A memoir and cookbook from the creator of the gourmet Korean-Mexican taco truck Kogi, the star of Netflix's *The Chef Show*, and the culinary advisor to Jon Favreau's film *Chef*. “Roy Choi sits at the crossroads of just about every important issue involving food in the twenty-first century. As he goes, many will follow.”—Anthony Bourdain From the maverick chef the *New Yorker* called “The David Chang of L.A.” comes a cookbook that's as inventive, creative, and border-crossing as the city to which it pays homage: Los Angeles. Los Angeles: A patchwork megalopolis defined by its unlikely cultural collisions; the city that raised and shaped Roy Choi, the boundary-breaking chef who decided to leave behind fine dining to feed the city he loved—and, with the creation of the Korean taco, reinvented street food along the way. Abounding with both the food and the stories that gave rise to Choi's inspired cooking, *L.A. Son* takes us through the neighborhoods and streets most tourists never see, from the hidden casinos where gamblers slurp fragrant bowls of pho to Downtown's Jewelry District, where a ten-year-old Choi wolfed down Jewish deli classics between diamond deliveries; from the kitchen of his parents' Korean restaurant and his mother's pungent kimchi to the boulevards of East L.A. and the best taquerias in the country, to, at last, the curbside view from one of his emblematic Kogi taco trucks, where people from all walks of life line up for a revolutionary meal. Filled with over 85 inspired

recipes that meld the overlapping traditions and flavors of L.A.—including Korean fried chicken, tempura potato pancakes, homemade chorizo, and Kimchi and Pork Belly Stuffed Pupusas—L.A. Son embodies the sense of invention, resourcefulness, and hybrid attitude of the city from which it takes its name, as it tells the transporting, unlikely story of how a Korean American kid went from lowriding in the streets of L.A. to becoming an acclaimed chef.

Inside Out Demi Moore, 2019-09-24 INSTANT #1 NEW YORK TIMES BESTSELLER A Best Book of the Year: The New Yorker, The Guardian, The Sunday Times, The Daily Mail, Good Morning America, She Reads Famed American actress Demi Moore at last tells her own story in a surprisingly intimate and emotionally charged memoir. For decades, Demi Moore has been synonymous with celebrity. From iconic film roles to high-profile relationships, Moore has never been far from the spotlight—or the headlines. Even as Demi was becoming the highest paid actress in Hollywood, however, she was always outrunning her past, just one step ahead of the doubts and insecurities that defined her childhood. Throughout her rise to fame and during some of the most pivotal moments of her life, Demi battled addiction, body image issues, and childhood trauma that would follow her for years—all while juggling a skyrocketing career and at times negative public perception. As her success grew, Demi found herself questioning if she belonged in Hollywood, if she was a good mother, a good actress—and, always, if she was simply good enough. As much as her story is about adversity, it is also about tremendous resilience. In this deeply candid and reflective memoir, Demi pulls back the curtain and opens up about her career and personal life—laying bare her tumultuous relationship with her mother, her marriages, her struggles balancing stardom with raising a family, and her journey toward open heartedness. *Inside Out* is a story of survival, success, and surrender—a wrenchingly honest portrayal of one woman's at once ordinary and iconic life.

Food by Fire Derek Wolf, 2021-05-25 *Food by Fire*, based on the popular blog and Instagram *Over the Fire Cooking*, covers everything from easy wins for live fire grilling beginners to unique techniques from around the world.

His Soul Purpose Nicole Zoltack, 2018-05-31 One fateful encounter will change his damned existence forever. Byron enjoys his damned existence as a vampire until the night he attacks a young twenty-something. The golden cross around her neck stirs memories of when he had been human so long ago. A pang of guilt prevents him from hurting her. Although red belt librarian Grace is frightened of the vampire, she thinks his act of conscience might mean he isn't damned after all. The quest for Byron's soul leads them to uncover an ancient conspiracy to keep vampires damned forever—and brings them far closer than either intended. While rejoining Byron and his soul may save him, he might end up dead for the final time.

I'm Fine...And Other Lies Whitney Cummings, 2021-02-02 “Whitney Cummings has written a book about being, well, not fine—and what to do when you find yourself with brutal anxiety and a co-dependency disorder; all in her

trademark wit, humor, and honesty. This book, however, is fine as hell.”—Sophia Amoruso, author of #Girlboss “The funniest cry for help you’ll read this year.”—BJ Novak Well, well, well. Look at you, ogling my book page....I presume if you’re reading this it means you either need more encouragement to buy it or we used to date and you’re trying to figure out if you should sue me or not. Here are all the stories and mistakes I’ve made that were way too embarrassing to tell on stage in front of an actual audience; but thanks to not-so-modern technology, you can read about them here so I don’t have to risk having your judgmental eye contact crush my self-esteem. This book contains some delicious schadenfreude in which I recall such humiliating debacles as breaking my shoulder while trying to impress a guy, coming very close to spending my life in a Guatemalan prison, and having my lacerated ear sewn back on by a deaf guy after losing it in a torrid love affair. In addition to hoarding mortifying situations that’ll make you feel way better about your choices, I’ve also accumulated a lot of knowledge from therapists, psychotherapists, and psychopaths, which can probably help you avoid making the same mistakes I’ve made. Think of this book as everything you’d want from the Internet all in one place, except without the constant distractions of ads, online shopping, and porn. I’m not sure what else to say to say, except that you should buy it if you want to laugh and learn how to stop being crazy. And if we used to date, see you in court.

Open Book Jessica Simpson, 2020-02-04 The #1 New York Times Bestseller Jessica reveals for the first time her inner monologue and most intimate struggles. Guided by the journals she's kept since age fifteen, and brimming with her unique humor and down-to-earth humanity, *Open Book* is as inspiring as it is entertaining. This was supposed to be a very different book. Five years ago, Jessica Simpson was approached to write a motivational guide to living your best life. She walked away from the offer, and nobody understood why. The truth is that she didn't want to lie. Jessica couldn't be authentic with her readers if she wasn't fully honest with herself first. Now America's Sweetheart, preacher's daughter, pop phenomenon, reality tv pioneer, and the billion-dollar fashion mogul invites readers on a remarkable journey, examining a life that blessed her with the compassion to help others, but also burdened her with an almost crippling need to please. *Open Book* is Jessica Simpson using her voice, heart, soul, and humor to share things she's never shared before. First celebrated for her voice, she became one of the most talked-about women in the world, whether for music and fashion, her relationship struggles, or as a walking blonde joke. But now, instead of being talked about, Jessica is doing the talking. Her book shares the wisdom and inspirations she's learned and shows the real woman behind all the pop-culture clichés – “chicken or fish,” “Daisy Duke,” football jinx, “mom jeans,” “sexual napalm...” and more. *Open Book* is an opportunity to laugh and cry with a close friend, one that will inspire you to live your best, most authentic life, now that she is finally living hers.

Dirty Daddy Bob Saget, 2014-04-08 Millions of viewers know and love Bob Saget from his role as the sweetly neurotic father on the smash hit *Full House*, and as the charming wisecracking host of America's Funniest Home Videos. And then there are the legions of fans who can't get enough of his scatological, out-of-his-mind stand-up routines, comedy specials, and outrageously profane performances in such shows as HBO's *Entourage* and the hit

documentary *The Aristocrats*. In his bold and wildly entertaining publishing debut, he continues to embrace his dark side and gives readers the book they have long been waiting for—hilarious and often dirty. Bob believes there's a time and a place for filth. From his never-before-heard stories of what really went on behind the scenes of two of the most successful family shows of all times, with co-stars like John Stamos and Mary-Kate and Ashley Olsen, to his tales of legendary friends and colleagues like Rodney Dangerfield, Richard Pryor, Don Rickles, and other show business legends, Saget opens up about some of his personal experiences with life and death, his career, and his reputation for sick humor—all with his highly original blend of silliness, vulgarity, humor and heart, and all framed by a man who loves being funny above all else.

The Alter Ego Effect Todd Herman, 2019-02-05 Now a Wall Street Journal bestseller. What if the games we played as children were the greatest gift to helping us achieve more today? Before stage fright, impostor syndrome, emotional baggage, and the other dubious gifts of adulthood, everyone pretended to be a superhero, a favorite athlete, an inspiring entertainer, a nurse, a firefighter, a lion, or whatever else captured our imaginations. And yet, that natural creativity is slowly squeezed out of us because we think it's childish or it's "time to grow up." Now Todd Herman—backed by scientific research and countless stories from the real world—will show us how to tap into the human imagination to unleash new versions of ourselves, ready-made to kick ass. Herman has been coaching champions in every field for over twenty years, and he's helped them bring out their Heroic Self to transcend the forces pulling them into the Ordinary World. Anyone attempting ambitious things faces adversity, resistance, and challenges, but Herman confronts these obstacles with a question: Who or what needs to show up to make success inevitable? In *The Alter Ego Effect*, Herman presents countless stories from salespeople, executives, entertainers, athletes, entrepreneurs, creatives, and historical figures to illustrate how to activate the Heroic Self already nested inside each of us. And he reveals that we may not be using those traits in the moments when we need them the most. From the creative entrepreneur who resisted their craft, to the accomplished military officer who wanted to be a warmer dad at home, Todd Herman's clients have discovered there is no end to the parts of their lives they could improve by using Alter Egos.
