*The Bramble* Lee Nordling,2014-01-01 In this beautifully illustrated and mostly wordless book, Cameron isn't small, but he's not exactly big. He's not slow, but he's also not quick. He wants friends, but it never quite seems to work out. And in a game of tag, he's going to end up it. Or at least that's how things are on this side of the Bramble. On the other side, it's a different story. On the other side of the Bramble, something extraordinary can happen, something that changes everything.

**Vagrancy in Birds** Alexander Lees, James Gilroy, 2022-02-15 An exploration of the causes and patterns of avian vagrancy Avian vagrancy—the appearance of birds outside of their expected habitat—is a phenomenon that has fascinated natural historians for centuries, from Victorian collectors willing to spend fortunes on a rare specimen to today’s bird-chasing “twitchers.” Yet despite the obsessions of countless ornithologists, what do we actually know about the enigma of vagrancy? In *Vagrancy in Birds*, Alexander Lees and James Gilroy explore the causes, patterns, and processes behind the occurrences of these unique birds. Lees and Gilroy draw on recent research to answer fundamental questions: What causes avian vagrancy? Why do some places attract so many vagrant birds? Why are some species more predisposed to long-range vagrancy than others? The authors present readers with everything known about the subject, and bring together different lines of evidence to make the case for vagrancy as a biological phenomenon with important implications for avian ecology and evolution. Filled with a wealth of photographs, *Vagrancy in Birds* will fascinate avian enthusiasts everywhere.

**Ash & Bramble** Sarah Prineas,2015-09-15 A delightful deconstruction of society's fairy tale myth, wrapped in an exquisite, spellbinding adventure. A must-read for teens who yearn to forge their very own story. —Rae Carson, author of the bestselling *Girl of Fire and Thorns* trilogy The tale of Cinderella has been retold countless times. But what you know is not the true story. Sarah Prineas's bold fairy-tale retelling is a dark and captivating world where swords are more fitting than slippers, young shoemakers are just as striking as princes, and a heroine is more than ready to rescue herself before the clock strikes midnight. Pin has no recollection of who she is or how she got to the Godmother's fortress. She only knows that she is a Seamstress, working day in and out to make ball gowns fit for fairy tales. But she longs to forsake her backbreaking servitude and dares to escape with the brave young Shoemaker. Pin isn't free for long before she's captured again and forced to live the new life the Godmother chooses for her—a fairy-tale story, complete with a charming prince—instead of finding her own happily ever after. As Pin tries to fight her arranged path, she finds that a sword is a much better fit for her than a glass slipper, and that the boy who she escaped with is still searching for her, and won't stop until he rescues her—if Pin doesn't rescue herself first.
