Daily STEM Chris Woods, 2020-09-07 From The Author: Has your school added a STEM class, or are you hoping to build more STEM into your school community? Buying a bunch of 3D printers and robot kits is a good start, but what does a sustainable STEM learning culture look like? This book will challenge you to think past the Daily STEM acronym and think about what it means to build a culture of STEM thinking in your school. You'll find plenty of practical tips and examples to make STEM relevant for every kid and infuse it into every classroom and every home in your community. Editorial Reviews: STEM can seem like such a big challenge for teachers and school leaders alike. We all want students engaged in meaningful, hands-on learning. But where do we begin? Start with Daily STEM. This awesome gift to educators by author Chris Woods is packed full of practical, logical, and easy steps teachers can and should take to bring STEM to life. It's like having Chris right there coaching you, helping you find STEM in everyday life. Daily STEM will have you building a culture of STEM in your school or classroom and bringing relevant learning to life. Darrin M Peppard, Ed.D. - Superintendent - Author of Road To Awesome - Renaissance Hall of Fame Chris' book Daily STEM is exactly what every teacher needs to promote curiosity and hands-on learning in the classroom. He prompts critical thinking and offers experiences that are fun and engaging for students. It is packed full of cool ideas and STEM inspiration-a must read!!! Jacie Maslyk - Educator - Author - STEM Enthusiast I absolutely love Daily STEM!! You will never be able to look at the world the same way after you read this gem! Hundreds of ideas will swirl through your head after each page. If you are searching for your teaching style, here it is: curiosity and connections. This is a book you will read more than once. Chris's personal stories will put a smile on your face as you reflect on your own stories. WOW Factor!! Epic! Dr. Frank Rudnesky - Educator - Author - Speaker - Consultant Daily STEM is a book I would normally have an aversion to! Teachers either love the idea of STEM, or they run as fast as they can when they hear the term. I used to run! Daily Stem offered me significant insight into so many ways educators can continue to provide STEM instruction/ideas and exploration across content areas and beyond the classroom walls. The Q and A style made Daily Stem an easy read. It also provided opportunity to revisit a question -and the answer- quite readily. A noisy classroom is a collaborative classroom. A messy classroom is an inventing classroom, sums up best practice and is a powerful reminder as we plan for the new school year! Dr. Lori Koerner - K-12 Administrator for Curriculum, Instruction & Professional Personnel

Everyday Millionaires Chris Hogan, 2019 Hogan shows that God's way of managing money really works. Millionaire status doesn't require inheriting a bunch of money or having a high-paying job. The path to becoming a millionaire is paved with tools that you either already have or that you can learn. Take personal responsibility; practice intentionality; be goal-oriented, a hard worker; and be consistent. If you adopt this mindset, you, too, can become a millionaire. -- adapted from foreword and introduction

MARRIED. Meeting 'the one', weekends away, moving in, declaring life-long love, stags and hens, the perfect wedding, the honeymoon period, getting through the hard bits together, starting a family. ANNOYED. Can you close the bathroom door if you're doing that? Sleepless nights, arguing about whose turn it is to change the baby's nappy, toys everywhere, only having two drinks, still being hungover, wondering when it all stopped being easy. Restored Chris Brown,2022-03-29 Imagine a world in which every person's pain makes them better not bitter, kind rather than angry, and selfless instead of greedy and insecure. There is messiness in each of our stories, but we can use that mess intentionally to craft a life that points to God and proclaims his glory. In *Restored*, prominent pastor and speaker Chris Brown recounts some of the extraordinary tragedies and trials he has experienced, including homelessness, violence, abuse, drugs, and the loss of loved ones. Reflecting on these difficult times in his own story, Chris shares his hard-won countercultural perspective on pain, offering practical tips to inspire those of us who feel disqualified or discouraged by our circumstances. No matter how messy it was, our past is a gift because it paves the way for us to develop the unique Christ-honoring message the world needs us to share.

The Total Money Makeover Dave Ramsey,2009-12-29 The success stories speak for themselves in this book from money maestro Dave Ramsey. Instead of promising the normal dose of quick fixes, Ramsey offers a bold, no-nonsense approach to money matters, providing not only the how-to but also a grounded and uplifting hope for getting out of debt and achieving total financial health. Ramsey debunks the many myths of money (exposing the dangers of cash advance, rent-to-own, debt consolidation) and attacks the illusions and downright deceptions of the American dream, which encourages nothing but overspending and massive amounts of debt. Don't even consider keeping up with the Joneses, Ramsey declares in his typically candid style. They're broke! *The Total Money Makeover* isn't theory. It works every single time. It works because it is simple. It works because it gets to the heart of the money problems: you. This 3rd edition of *The Total Money Makeover* includes a fresh cover design, all new personal success stories, and naysayers, and more.

He was the driving force behind the school's transformation into a thriving institution with an international reputation characterized by a passionate conviction for truth. In the process he became one of the most important and prominent Christian voices in contemporary culture. What will it take to transform your leadership? Effective leaders need more than administrative skills and vision. They need to be able to change the hearts and minds of those they lead. In this updated edition Dr. Mohler has added a new introduction and conclusion based on an additional 10 years of leadership. He has also completely rewritten the chapter *The Digital Leader*. *The Conviction to Lead* will crystallize your convictions while revolutionizing your thinking, your decision-making, your communication, and ultimately, those you lead. Woke, Inc Vivek Ramaswamy, 2023-08-15 In this instant New York Times bestseller, a young and successful entrepreneur makes the case that politics has no place in business, and sets out a new vision for the future of American capitalism. There's a new invisible force at work in our economic and cultural lives. It affects every advertisement we see and every product we buy, from our morning coffee to a new pair of shoes. Stakeholder capitalism makes rosy promises of a better, more

diverse, environmentally friendly world, but in reality this ideology championed by America's business and political leaders robs us of our money, our voice, and our identity. Vivek Ramaswamy is a traitor to his class. He's founded multibillion-dollar enterprises, led a biotech company as CEO, he became a hedge fund partner in his 20s, trained as a scientist at Harvard and a lawyer at Yale, and grew up the child of immigrants in a small town in Ohio. Now he takes us behind the scenes into corporate boardrooms and five-star conferences, into Ivy League classrooms and secretive nonprofits, to reveal the defining scam of our century. The modern woke-industrial complex divides us as a people. By mixing morality with consumerism, America's elites prey on our innermost insecurities about who we really are. They sell us cheap social causes and skin-deep identities to satisfy our hunger for a cause and our search for meaning, at a moment when we as Americans lack both. This book not only rips back the curtain on the new corporatist agenda, it offers a better way forward. America's elites may want to sort us into demographic boxes, but we don't have to stay there. Woke, Inc. begins as a critique of stakeholder capitalism and ends with an exploration of what it means to be an American in 2021--a journey that begins with cynicism and ends with hope.
