### **Squirrel Seeks Chipmunk** David Sedaris, 2010-09-28

Featuring David Sedaris's unique blend of hilarity and heart, this new collection of keen-eyed animal-themed tales is an utter delight. Though the characters may not be human, the situations in these stories bear an uncanny resemblance to the insanity of everyday life. In *The Toad*, the *Turtle*, and the *Duck*, three strangers commiserate about animal bureaucracy while waiting in a complaint line. In *Hello Kitty*, a cynical feline struggles to sit through his prison-mandated AA meetings. In *The Squirrel and the Chipmunk*, a pair of star-crossed lovers is separated by prejudiced family members. With original illustrations by Ian Falconer, author of the bestselling *Olivia* series of children's books, these stories are David Sedaris at his most observant, poignant, and surprising.

The Book of Liz Amy Sedaris, David Sedaris, 2002 *THE STORY*: Sister Elizabeth Donderstock is Squeamish, has been her whole life. She makes cheese balls (traditional and smoky) that sustain the existence of her entire religious community, Clusterhaven. However, she feels unappreciated among her Squ

### **Let's Explore Diabetes with Owls** David

Sedaris, 2013-04-23 A guy walks into a bar car and... From here the story could take many turns. When this guy is David Sedaris, the possibilities are endless, but the result is always the same: he will both delight you with twists of humor and intelligence and leave you deeply moved. Sedaris remembers his father's dinnertime attire (shirtsleeves and underpants), his first colonoscopy (remarkably pleasant), and the time he considered buying the skeleton of a murdered Pygmy. With *Let's Explore Diabetes with Owls*, David Sedaris shows once again why his work has been called hilarious, elegant, and surprisingly

moving (Washington Post).

Naked David Sedaris, 2009-05-04 In *Naked*, David Sedaris's message alternately rendered in Fakespeare, Italian, Spanish, and pidgin Greek is the same: pay attention to me. Whether he's taking to the road with a thieving quadriplegic, sorting out the fancy from the extra-fancy in a bleak fruit-packing factory, or celebrating Christmas in the company of a recently paroled prostitute, this collection of memoirs creates a wickedly incisive portrait of an all-too-familiar world. It takes Sedaris from his humiliating bout with obsessive behavior in *A Plague of Tics* to the title story, where he is finally forced to face his naked self in the mirrored sunglasses of a lunatic. At this soulful and moving moment, he picks potato chip crumbs from his pubic hair and wonders what it all means. This remarkable journey into his own life follows a path of self-effacement and a lifelong search for identity, leaving him both under suspicion and overdressed.

**Happy-Go-Lucky** David Sedaris, 2022-05-31 David Sedaris, the “champion storyteller,” (Los Angeles Times) returns with his first new collection of personal essays since the bestselling *Calypso* Back when restaurant menus were still printed on paper, and wearing a mask—or not—was a decision made mostly on Halloween, David Sedaris spent his time doing normal things. As *Happy-Go-Lucky* opens, he is learning to shoot guns with his sister, visiting muddy flea markets in Serbia, buying gummy worms to feed to ants, and telling his nonagenarian father wheelchair jokes. But then the pandemic hits, and like so many others, he’s stuck in lockdown, unable to tour and read for audiences, the part of his work he loves most. To cope, he walks for miles through a nearly deserted city, smelling only his own breath. He vacuums his apartment twice a day, fails to hoard anything, and contemplates how sex workers and

acupuncturists might be getting by during quarantine. As the world gradually settles into a new reality, Sedaris too finds himself changed. His offer to fix a stranger's teeth rebuffed, he straightens his own, and ventures into the world with new confidence. Newly orphaned, he considers what it means, in his seventh decade, no longer to be someone's son. And back on the road, he discovers a battle-scarred America: people weary, storefronts empty or festooned with Help Wanted signs, walls painted with graffiti reflecting the contradictory messages of our time: Eat the Rich. Trump 2024. Black Lives Matter. In *Happy-Go-Lucky*, David Sedaris once again captures what is most unexpected, hilarious, and poignant about these recent upheavals, personal and public, and expresses in precise language both the misanthropy and desire for connection that drive us all. If we must live in interesting times, there is no one better to chronicle them than the incomparable David Sedaris.

**Theft by Finding** David Sedaris, 2017-05-30 One of the most anticipated books of 2017: Boston Globe, New York Times Book Review, New York's Vulture, The Week, Bustle, BookRiot An NPR Best Book of 2017 An AV Club Favorite Book of 2017 A Barnes & Noble Best Book of 2017 A Goodreads Choice Awards nominee David Sedaris tells all in a book that is, literally, a lifetime in the making. For forty years, David Sedaris has kept a diary in which he records everything that captures his attention—overheard comments, salacious gossip, soap opera plot twists, secrets confided by total strangers. These observations are the source code for his finest work, and through them he has honed his cunning, surprising sentences. Now, Sedaris shares his private writings with the world. *Theft by Finding*, the first of two volumes, is the story of how a drug-abusing dropout with a weakness for the International House of

Pancakes and a chronic inability to hold down a real job became one of the funniest people on the planet. Written with a sharp eye and ear for the bizarre, the beautiful, and the uncomfortable, and with a generosity of spirit that even a misanthropic sense of humor can't fully disguise, *Theft By Finding* proves that Sedaris is one of our great modern observers. It's a potent reminder that when you're as perceptive and curious as Sedaris, there's no such thing as a boring day.

**The Best of Me** David Sedaris, 2020-11-03 What could be a more tempting Christmas gift than a compendium of David Sedaris's best stories, selected by the author himself? From a spectacular career spanning almost three decades, these stories have become modern classics and are now for the first time collected in one volume. For more than twenty-five years, David Sedaris has been carving out a unique literary space, virtually creating his own genre. A Sedaris story may seem confessional, but is also highly attuned to the world outside. It opens our eyes to what is at absurd and moving about our daily existence. And it is almost impossible to read without laughing. Now, for the first time collected in one volume, the author brings us his funniest and most memorable work. In these stories, Sedaris shops for rare taxidermy, hitchhikes with a lady quadriplegic, and spits a lozenge into a fellow traveler's lap. He drowns a mouse in a bucket, struggles to say 'give it to me' in five languages and hand-feeds a carnivorous bird. But if all you expect to find in Sedaris's work is the deft and sharply observed comedy for which he became renowned, you may be surprised to discover that his words bring more warmth than mockery, more fellow-feeling than derision. Nowhere is this clearer than in his writing about his loved ones. In these pages, Sedaris explores falling in love and staying together, recognizing his own aging not in the

mirror but in the faces of his siblings, losing one parent and coming to terms - at long last - with the other. Taken together, the stories in *The Best of Me* reveal the wonder and delight Sedaris takes in the surprises life brings him. No experience, he sees, is quite as he expected - it's often harder, more fraught and certainly weirder - but sometimes it is also much richer and more wonderful. Full of joy, generosity, and the incisive humor that has led David Sedaris to be called 'the funniest man alive' (*Time Out New York*), *The Best of Me* spans a career spent watching and learning and laughing - quite often at himself - and invites readers deep into the world of one of the most brilliant and original writers of our time.

*Dress Your Family In Corduroy And Denim* David Sedaris, 2010-09-16 'No one has a turn of phrase like David Sedaris. This series of essays about his life and family is a joy from start to finish' Adam Kay David Sedaris plays in the snow with his sisters. He goes on vacation with his family. He gets a job selling drinks. He attends his brother's wedding. He mops his sister's floor. He gives directions to a lost traveller. He eats a hamburger. He has his blood sugar tested. It all sounds so normal, doesn't it? In his new book David Sedaris lifts the corner of ordinary life, revealing the absurdity teeming below its surface. His world is alive with obscure desires and hidden motives - a world where forgiveness is automatic and an argument can be the highest form of love. *Dress Your Family in Corduroy and Denim* finds one of the wittiest and most original writers at work today at the peak of his form.

**When You Are Engulfed In Flames** David Sedaris, 2010-09-16 David Sedaris's remarkable ability to uncover the hilarious absurdity teeming just below the surface of everyday life is elevated to wilder and more entertaining heights than ever in this new book of stories.

Sedaris proceeds from bizarre conundrums of daily life - the etiquette of having a lozenge fall from your mouth into the lap of a fellow passenger or how to soundproof your windows with LP covers against neurotic songbirds - to the most deeply resonant human truths. Taking in the parasitic worm that once lived in his mother-in-law's leg, an encounter with a dingo and the purchase of a human skeleton, and culminating in a brilliant account of his attempt to quit smoking - in Tokyo - David Sedaris's sixth story collection is a fresh masterpiece of comic writing.

Holidays on Ice David Sedaris, 2009-05-04 David Sedaris's beloved holiday collection is new again with six more pieces, including a never before published story. Along with such favorites as the diaries of a Macy's elf and the annals of two very competitive families, are Sedaris's tales of tardy trick-or-treaters (Us and Them); the difficulties of explaining the Easter Bunny to the French (Jesus Shaves); what to do when you've been locked out in a snowstorm (Let It Snow); the puzzling Christmas traditions of other nations (Six to Eight Black Men); what Halloween at the medical examiner's looks like (The Monster Mash); and a barnyard secret Santa scheme gone awry (Cow and Turkey). No matter what your favorite holiday, you won't want to miss celebrating it with the author who has been called one of the funniest writers alive (Economist).

**A Carnival of Snackery** David Sedaris, 2021-10-07 There's no right way to keep a diary, but if there's an entertaining way, David Sedaris seems to have mastered it. If it's navel-gazing you're after, you've come to the wrong place; ditto treacly self-examination. Rather, his observations turn outward: a fight between two men on a bus, a fight between two men on the street; collecting Romanian insults, or being taken round a Japanese parasite museum. There's a dirty joke shared at a book signing, then

a dirtier one told at a dinner party-lots of jokes here. Plenty of laughs. These diaries remind you that you once really hated George W. Bush, and that not too long ago, Donald Trump was a harmless laughingstock, at least on French TV. Time marches on, and Sedaris, at his desk or on planes, in fine hotel dining rooms and Serbian motels, records it. The entries here reflect an ever-changing background-new administrations, new restrictions on speech and conduct. What you can say at the start of the book, you can't by the end. Sedaris has been compared to Truman Capote and Tennessee Williams, Lewis Carroll and a 'sexy Alan Bennett'. A Carnival of Snackery illustrates that he is very much his own, singular self.

**Calypso** David Sedaris, 2019-05-28 'Sedaris is the premier observer of our world and its weirdnesses' Adam Kay, author of This is Going to Hurt 'He's like an American Alan Bennett' Guardian A New York Times Notable Book of 2018 'Entrancing . . . This book allows us to observed not just the nimble-mouthed elf of his previous work, but a man in his seventh decade expunging his darker secrets and contemplating mortality . . . The brilliance of David Sedaris's writing is that his very essence, his aura, seeps through the pages of his books like an intoxicating cloud, mesmerising us so that his logic becomes ours' Alan Cumming, Scotsman If you've ever laughed your way through David Sedaris's cheerfully misanthropic stories, you might think you know what you're getting with Calypso. You'd be wrong. When he buys a beach house on the Carolina coast, Sedaris envisions long, relaxing vacations spent playing board games and lounging in the sun with those he loves most. And life at the Sea Section, as he names the vacation home, is exactly as idyllic as he imagined, except for one tiny, vexing realization: it's impossible to take a vacation from yourself. With Calypso, Sedaris sets his formidable powers of

observation toward middle age and mortality. Make no mistake: these stories are very, very funny - it's a book that can make you laugh 'til you snort, the way only family can. Sedaris's writing has never been sharper, and his ability to shock readers into laughter unparalleled. But much of the comedy here is born out of that vertiginous moment when your own body betrays you and you realize that the story of your life is made up of more past than future. This is beach reading for people who detest beaches, required reading for those who loathe small talk and love a good tumour joke. Calypso is simultaneously Sedaris's darkest and warmest book yet - and it just might be his very best.

**Santaland Diaries** David Sedaris, 2010-08-05 A collection of surprising, disarming and 'extremely funny' essays from the internationally bestselling author of *Me Talk Pretty One Day* (Sunday Times) *Santaland Diaries* collects six of David Sedaris's most profound Christmas stories into one slender volume perfect for use as a last-minute coaster or ice-scraper. This drinking man's companion can be enjoyed by the warmth of a raging fire, the glow of a brilliantly decorated tree, or even in the back seat of a police car. It should be read with your eyes, felt with your heart, and heard only when spoken to. It should, in short, behave much like a book. And oh, what a book it is! 'Sedaris writes with a gentle but unfailing acuity and a keen eye for the ridiculous ... extremely funny' -Sunday Times

Rants from the Hill Michael P. Branch, 2017-06-06 "If Thoreau drank more whiskey and lived in the desert, he'd write like this."—High Country News Welcome to the land of wildfire, hypothermia, desiccation, and rattlers. The stark and inhospitable high-elevation landscape of Nevada's Great Basin Desert may not be an obvious (or easy) place to settle down, but for self-professed desert rat Michael Branch, it's home. Of course, living in such an unforgiving

landscape gives one many things to rant about. Fortunately for us, Branch—humorist, environmentalist, and author of *Raising Wild*—is a prodigious ranter. From bees hiving in the walls of his house to owls trying to eat his daughters' cat—not to mention his eccentric neighbors—adventure, humor, and irreverence abound on Branch's small slice of the world, which he lovingly calls Ranting Hill.

**Children Playing Before a Statue of Hercules** David Sedaris, 2010-04-01 'When apple-picking season ended, I got a job in a packing plant and gravitated towards short stories, which I could read during my break and reflect upon for the remainder of my shift. A good one would take me out of myself and then stuff me back in, outsize, now, and uneasy with the fit . . . Once, before leaving on vacation, I copied an entire page from an Alice Munro story and left it in my typewriter, hoping a burglar might come upon it and mistake her words for my own. That an intruder would spend his valuable time reading, that he might be impressed by the description of a crooked face, was something I did not question, as I believed, and still do, that stories can save you'.

The Book with No Pictures B. J. Novak, 2014-09-30 A #1 New York Times bestseller, this innovative and wildly funny read-aloud by award-winning humorist/actor B.J. Novak will turn any reader into a comedian—a perfect gift for any special occasion! You might think a book with no pictures seems boring and serious. Except . . . here's how books work. Everything written on the page has to be said by the person reading it aloud. Even if the words say . . . BLORK. Or BLUURF. Even if the words are a preposterous song about eating ants for breakfast, or just a list of astonishingly goofy sounds like BLAGGITY BLAGGITY and GLIBBITY GLOBBITY. Cleverly irreverent and irresistibly silly, *The Book with No Pictures* is one that kids will beg to hear again and

again. (And parents will be happy to oblige.)

**Mother Noise** Cindy House, 2023-05-23 A poignant, “raw[,] and tender” (The New York Times Book Review) memoir told in essays and graphic shorts about what life looks like twenty years after recovery from addiction—and how to live with the past as a parent, writer, and sober person—from a regular opener for David Sedaris. In the opening of this “unexpectedly uplifting...masterfully crafted memoir” (Shelf Awareness, starred review) Cindy, twenty years into recovery after a heroin addiction, grapples with how to tell her nine-year-old son about her past. She wants him to learn this history from her, not anyone else; but she worries about the effect this truth may have on him. Told in essays and graphic narrative shorts, *Mother Noise* is a stunning memoir that delves deep into our responsibilities as parents while celebrating the moments of grace and generosity that mark a true friendship—in this case, her benefactor and champion through the years, David Sedaris. This is a powerful memoir about addiction, motherhood, and Cindy’s ongoing effort to reconcile the two. Are we required to share with our children the painful details of our past, or do we owe them protection from the harsh truth of who we were before? With dark humor and brutal, clear-eyed honesty, *Mother Noise* is “a full-throated anthem of hope, [that] lends light to a dark issue” (Publishers Weekly, starred review).

*Barrel Fever* David Sedaris, 2010-08-05 In David Sedaris’s world, no one is safe and no cow is sacred. A manic cross between Mark Leyner, Fran Lebowitz and the National Enquirer, Sedaris’s collection of stories and essays is a rollicking tour through the American Zeitgeist: a man who is loved too much flees the heavyweight champion of the world; a teenage suicide tried to incite a lynch mob at her funeral; and in his essays, David Sedaris considers the

hazards of rewards of smoking, writing for *Giantess* magazine, and living with his scrappy brother Paul, aka 'The Rooster'. With a perfect eye and a voice infused with as much empathy as wit, Sedaris writes and reads stories and essays that target the soulful ridiculousness of our behaviour. *Barrel Fever* is like a blind date with modern life - and anything can happen.

*Images* David Lynch, 1994-12 Twin Peaks creator David Lynch offers his many fans the chance to see the peculiar, private land of Lynch--sketches that led to many of his famous film images, short pieces of fiction, personal artwork, and photos of his unusual obsessions (spark plugs, dental surgery, bald women). 200 b/w illustrations. Two 16-page 4-color inserts.

Me Talk Pretty One Day David Sedaris, 2009-05-04 A new collection from David Sedaris is cause for jubilation. His recent move to Paris has inspired hilarious pieces, including *Me Talk Pretty One Day*, about his attempts to learn French. His family is another inspiration. *You Cant Kill the Rooster* is a portrait of his brother who talks incessant hip-hop slang to his bewildered father. And no one hones a finer fury in response to such modern annoyances as restaurant meals presented in ludicrous towers and cashiers with 6-inch fingernails. Compared by *The New Yorker* to Twain and Hawthorne, Sedaris has become one of our best-loved authors. Sedaris is an amazing reader whose appearances draw hundreds, and his performances including a jaw-dropping impression of Billie Holiday singing *I wish I were an Oscar Meyer weiner* are unforgettable. Sedaris's essays on living in Paris are some of the funniest he's ever written. At last, someone even meaner than the French! The sort of blithely sophisticated, loopy humour that might have resulted if Dorothy Parker and James Thurber had had a love child. *Entertainment Weekly* on *Barrel Fever*
