Surf NYC Andreea Waters,2016 New York surfing is mad. Breaks are hard to access, waves are inconsistent, winter (which produces the best waves) is brutal. You might risk almost anything just so you don't hear those famous words, You should have been here an hour ago. Follow dedicated wave hunters to the end of the A-train and beyond and peek into this passionate way of life through authentic photography and several surfers' personal journeys. Discover what it takes to brave the cold Atlantic Ocean and get a fresh insight on the Big Apple's hidden surf subculture. An adventurous photographer has developed relationships with local surfers, absorbed scarcely available knowledge about the ocean and climate, and placed herself in these elements without reservation. To respect the locals and their underground culture, there is no mention of where the specific action takes place. Locations may include Rockaway, Montauk, Long Beach, Lido Beach, and Northern New Jersey.

The Taking of Hong Kong Susanna Hoe,Derek Roebuck,2013-10-11 Relations between Britain and China have, for over 150 years, been inextricably bound up with the taking of Hong Kong Island on 26 January 1841. The man responsible, Britain's plenipotentiary Captain Charles Elliot, was recalled by his government in disgrace and has been vilified ever since by China. This book describes the taking of Hong Kong from Elliot's point of view for the first time - through the personal letters of himself and his wife Clara - and shows a man of intelligence, conscience and humanitarian instincts. The book gives new insights into Sino-British relations of the period. Because these are now being re-assessed both historically and for the future, revelations about Elliot's role, intentions and analysis are significant and could make an important difference to our understanding of the dynamics of these relations. On a different level, the book explores how Charles the private man, with his wife by his side, experienced events, rather than how Elliot the public figure reported them to the British government. The work is therefore of great historiographical interest.

*The Actor's Life* Jenna Fischer,2017-11-14 Jenna Fischer's Hollywood journey began at the age of 22 when she moved to Los Angeles from her hometown of St. Louis. With a theater degree in hand, she was determined, she was confident, she was ready to work hard. So, what could go wrong? Uh, basically everything. The path to being a professional actor was so much more vast and competitive than she'd imagined. It would be eight long years before she landed her iconic role on The Office, nearly a decade of frustration, struggle, rejection and doubt. If only she'd had a handbook for the aspiring actor. Or, better yet, someone to show her the way—an established actor who could educate her about the business, manage her expectations, and reassure her in those moments of despair. Jenna wants to be that person for you. With amusing candor and wit, Fischer spells out the nuts and bolts of getting established in the profession, based on her own memorable and hilarious experiences. She tells you how to get the right headshot, what to look for in representation, and the importance of joining forces with other like-minded artists and creating your own work—invaluable advice personally acquired from her many years of struggle. She provides helpful hints on how to be gutsy and take risks, the tricks to good auditioning and callbacks, and how not to fall for certain scams (auditions in a guy's apartment are probably not legit—or at least not for the kind of part you're looking for!). Her inspiring, helpful guidance feels like a trusted friend who's made the journey, and has now returned to walk beside you, pointing out the pitfalls as you blaze your own path towards the life of a professional actor.

The Comedians Kliph Nesteroff,2015-11-03 “Funny [and] fascinating . . . If you’re a comedy nerd you’ll love this book.” —Pittsburgh Post-Gazette Named a Best Book of the Year by Kirkus Reviews, National Post, and Splitsider Based on over two hundred original interviews and extensive archival research, this groundbreaking work is a narrative exploration of the way comedians have reflected, shaped, and changed American culture over the past one hundred years. Starting with the vaudeville circuit at the turn of the last century, the book introduces the first stand-up comedian—an emcee who abandoned physical shtick for straight jokes. After the repeal of Prohibition, Mafia-run supper clubs replaced speakeasies, and mobsters replaced vaudeville impresarios as the comedian’s primary employer. In the 1950s, the late-night talk show brought stand-up to a wide public, while Lenny Bruce, Mort Sahl, and Jonathan Winters attacked conformity and staged a comedy rebellion in coffeehouses. From comedy’s part in the civil rights movement and the social upheaval of the late 1960s, to the first comedy clubs of the 1970s and the cocaine-fueled comedy boom of the 1980s, The Comedians culminates with a new era of media-driven celebrity in the twenty-first century. “Entertaining and carefully documented . . . jaw-dropping anecdotes . . . This book is a real treat.” —Merrill Markoe, TheWall Street Journal

**Swipe Right for Murder** Derek Milman,2019-08-06 An epic case of mistaken identity puts a teen looking for a hookup on the run from both the FBI and a murderous cult in this compulsively readable thriller. !--EndFragment-- Finding himself alone in a posh New York City hotel room for the night, Aidan does what any red-blooded seventeen-year-old would do—tries to hook up with someone new. But that lapse in judgement leads him to a room with a dead guy and a mysterious flash drive . . . two things that spark an epic case of mistaken identity that puts Aidan on the run—from the authorities, his friends, his family, the people who are out to kill him—and especially from his own troubled past. Inspired by a Hitchcock classic, this whirlwind mistaken-identity caper has razor-sharp humor, devastating emotional stakes, and a thrilling storyline with an explosive conclusion to make this the most compelling YA novel of the year. **The City of Shifting Waters** Pierre Christin,2010 Galaxity, capital of the Terran Empire in the 28th century. Valerian and Laureline are agents who protect mankind from rogue time travellers. Now they are sent to New York in 1986 to intercept Galaxity's worst megalomaniac, Xombul-except that in 1986, the world is in ruins and New York is about to be swallowed by the ocean. The two agents must navigate the shifting waters of the past to make sure that the future will exist.

Still Waters Run Deep Derek Reeves,2008 Still Waters Run Deep is the inspiring, true story of a misguided youth who is placed in a juvenile psychiatric facility at the age of fifteen after being arrested and charged with breaking and entering. There, he finds faith in Christ, which enables him to overcome the hardship with which he is faced and graduate from high school with honors. After graduating from Charles Evans Hughes High School in 1981, author Derek Reeves went on to obtain a bachelor's degree in American history and a master's degree in theological studies. Anyone genuinely interested in understanding the crisis of young black males during the 1960's and 70's will enjoy reading Derek's book, as will anyone who has ever been on the wrong side of the law and achieved salvation from a life of sin. This book will also appeal to anyone interested in understanding the experience of black students at historically white schools. In the context of talking about his struggle to overcome juvenile delinquency and a dysfunctional family, the author explores the doubts, fears, and perplexities related to being schooled with white children and having a turbulent family life. His writing is honest and self-disclosing, his perceptions keen and discerning.

**Almost Interesting** David Spade,2015-10-27 David Spade is best known for his harsh “Hollywood” Minute Sketches on SNL, his starring roles in movies like Joe Dirt and Tommy Boy, and his seven-year stint as Dennis Finch on the series Just Shoot Me. Now, with a wit as dry as the weather in his home state of Arizona, the “comic brat extraordinaire” tells his story in Almost Interesting. First Taking fans back to his childhood as a wannabe cool younger brother and recounting his excruciating road-tour to fame—when he was regularly mistaken for a ten year-old, Spade then dishes about his time crisscrossing the country as a comedian, for low-paying gigs and dragging along his mother’s old suitcase full of props. He also covers his years on SNL during the beloved Rock/Sandler/Farley era of the 1990s, including his close working relationship and friendship with Chris Farley and brags about the ridiculous perks that fame has brought into his life, including the constant fear of being fired, a crazy ex-assistant who attacked him

while he was sleeping, a run-in with Eddie Murphy on the mean streets of Beverly Hills, and of course an endless supply of hot chicks. Sometimes dirty, always funny, and as sharp as a tack, *Almost Interesting* reminds you why David Spade is one of our generation's favorite funny guys.

**56 Water Street** Melissa Strangway, 2008-10-24 Something's not right at number 56 Water Street. From the sidewalk in front of the abandoned house, ten-year-old best friends Derek and Ravine watch lights flicker on and off, again and again. When they race home to tell their parents, they're in for a shock: there is no house at 56 Water Street! The house is invisible to everyone but Derek and Ravine, and the ghost haunting the old place wants to get their attention. Trapped for more than a hundred years, Isabel Roberts needs to solve the mystery of her younger sister's fate before she can truly rest in peace. And she's chosen Derek and Ravine to help her. When the two friends summon the courage to venture inside the house, they're unprepared for what they find (after all, meeting a ghost face-to-face isn't exactly normal) and for the spine-tingling adventures in store for them. But Derek and Ravine are determined to help Isabel. If they don't, she could be a ghost forever!

**Godforsaken Sea** Derek Lundy, 2010-11-05 In the tradition of *Into Thin Air* and *The Perfect Storm*, an intensely gripping account of the round-the-world single-handed yacht race that claimed the life of Canadian sailor Gerry Roufs in a make-or-break dash through 12,000 miles of terror in the Southern Ocean.

**OMG WTF Does the Constitution Actually Say?** Ben Sheehan, 2020-04-14 Do you know what the Constitution ACTUALLY says? This witty and highly relevant annotation of our founding document is the go-to guide to how our government really works (or is supposed to work). Written by political savant and entertainment veteran, Ben Sheehan, and vetted for accuracy by experts in the field of constitutional law, *OMG WTF Does the Constitution Actually Say?* is an entertaining and accessible guide that explains what the Constitution actually lays out. With clear notes and graphics on everything from presidential powers to Supreme Court nominations to hidden loopholes, Sheehan walks us through the entire Constitution from its preamble to its final amendment (with a bonus section on the Declaration of Independence). Besides putting the Constitution in modern-day English so that it can be understood, *OMG WTF Does the Constitution Actually Say?* gives readers all of the info they need to be effective voters and citizens in the November elections and beyond.

**Borderlands** Derek Lundy, 2011-10-04 The periphery of a place can tell us a great deal about its heartland. Along the edge of a nation's territory, its real prejudices, fears and obsessions - but also its virtues - irrepressibly bubble up as its people confront the 'other' whom they admire, or fear, or hold in contempt, and know little about. September 11, 2001, changed the United States utterly and nothing more so than the physical reality, the perception - and the meaning - of its borders. -from *Borderlands* Derek Lundy turns sixty at the end of a year in which three good friends have died. He feels the need to do something radical, and sets out on his motorcycle - a Kawasaki KLR 650 cc single-cylinder thumper, which he describes as unpretentious and also butt-ugly. Fascinated by the United States' post-9/11 passion for security, particularly on its two international borders, he chooses to investigate. He takes a firsthand look at both borders. The U.S.-Mexican borderlands, often disorderly and violent, operate according to their own ad hoc system of rules and conventions, and are distinct in many ways from the two countries the border divides. When security trumps trade, the economic well-being of both countries is threatened, and the upside is difficult to determine. American policy makers think the issues of drugs and illegals are ample reason to keep building fences to keep Mexicans out, even with no evidence that fences work or are anything but cruel. Mexicans' cheap labour keeps the wheels turning in the U.S. economy yet they are resented for trying to get into the country illegally (or legally). More people have died trying to cross this border than in the 9/11 attacks. At almost 9,000 kilometres, the U.S. border with Canada is the longest in the world. The northern border divides the planet's two biggest trading partners, and that relationship demands the fast, easy flow of goods and services in both directions. Since the events of 9/11, however, the United States has slowly and steadily choked the flux of trade: just-in-time parts shipments are in jeopardy; trucks must wait for inspection and clearance; people must be questioned. The border is thickening. In prose that is compelling, impressive and at times frightening, Derek Lundy's incredible journey is illuminating enough to change minds, as great writing can sometimes do.

**Scream All Night** Derek Milman, 2018-07-24 A darkly hilarious contemporary realistic young adult novel about growing up and finding your place in the world, perfect for fans of *Me and Earl and the Dying Girl* and *Running with Scissors*. Goodreads Hottest YA Books of Summer \* B&N Teen Blog Most Anticipated YA Debuts of 2018 \* Buzzfeed 27 YA Books You'll Want to Devour by the Pool This Summer DARIO HEYWARD KNOWS ONE THING: He's never going back to Moldavia Studios, the iconic castle that served as the set, studio, and home to the cast and crew of dozens of cult classic B-horror movies. It's been three years since Dario's even seen the place, after getting legally emancipated from his father, the infamous director of Moldavia's creature features. But then Dario's brother invites him home to a mysterious ceremony involving his father and a tribute to his first film—*The Curse of the Mummy's Tongue*. Dario swears his homecoming will be a one-time visit. A way for him to get closure on his past—and reunite with Hayley, his first love and costar of *Zombie Children of the Harvest Sun*, a production fraught with real-life tragedy—and say good-bye for good. But the unthinkable happens—Dario gets sucked back into the twisted world of Moldavia and the horrors, both real and imagined, he's left there. With only months to rescue the sinking studio and everyone who has built their lives there, Dario must confront the demons of his past—and the uncertainties of his future. But can he escape the place that's haunted him his whole life?

**The Message of Women** Derek Tidball, Dianne Tidball, 2020-05-21 Women appear in key places and roles throughout the biblical story-line. In the Old Testament we find Eve in the garden of Eden; the matriarchs Sarah, Rebekah, Leah and Rachel; Deborah and Ruth in the time of the Judges; the prophetesses Huldah in King Josiah's time; the capable woman of Proverbs 31; the passionate woman in the Song of Songs. In the Gospels, various women are involved in the life of Jesus, not least his mother Mary and the first witnesses to his resurrection. The book of Acts includes Lydia the converted businesswoman and Priscilla the fearless teacher. Furthermore, both testaments also contain much teaching about women's life and ministry, for example in prayer, in worship, in marriage and in leadership. Derek and Dianne Tidball's wide-ranging exposition begins with some foundations about women in creation and in the new creation. Next, they survey women under the old covenant. Thirdly, they examine women in the kingdom of God, in the life and teaching of Jesus, and in the final section they deal with women in the new community of the early church, and grapple with some of the more controversial writings of the apostle Paul. Mindful of the complexities, challenges and debates, the authors seek to approach the Bible with humility and integrity, while addressing vitally relevant issues for Christians today with clarity and confidence.

**How Lucky** Will Leitch, 2021-05-11 Curl up with this page-turning mystery perfect for fall 2022 Edgar Award Nominee for Best Novel "A fantastic novel. . . . You are going to like this a lot."—Stephen King "What's more thrilling than a fictional character speaking to us in a voice we haven't heard before, a voice so authentic and immediate—think Huck Finn, Holden Caulfield, Mattie Ross—that we suspect it must've been there all along, that we somehow managed to miss it? Daniel, the protagonist of Will Leitch's smart, funny, heartbreaking new novel *How Lucky*, is just such a voice, and I'm not sure it will ever completely leave my head, or that I want it to."—Richard Russo For readers of *The Curious Incident of the Dog in the Night-Time* and *Nothing to See Here*, a first novel as suspenseful and funny as it is moving, the unforgettable story of a fiercely resilient young man living with a physical disability, and his efforts to solve a mystery unfolding right outside his door. Daniel leads a rich life in the university town of Athens, Georgia. He's got a couple close friends, a steady paycheck working for a regional airline, and of course, for a few glorious days each Fall, college football tailgates. He considers himself to be a mostly lucky guy—despite the fact that he's suffered from a debilitating disease since he was a small child, one that has left him unable to speak or to move without a wheelchair. Largely confined to his home, Daniel spends the hours he's not online communicating with irate air travelers observing his neighborhood from his front porch. One young woman passes by so frequently that spotting her out the window has almost become part of his daily routine. Until the day he's almost sure he sees her being kidnapped...
